First Aid Course For Richmond Hill

Once again the St. John Ambulance is conducting a First Aid Course in Richmond Hill. St. John Records show, since 1945, some 630 adults and 1130 children have been trained in First Aid, Home nursing and Child care from in and around Richmond Hill.

The first aid course consists of 2 hours, one night a week for six weeks, a review on the seventh night, and the examinations on the eighth night. All candidates being successful will receive a Senior Certificate.

Among other things taught on the Senior First Aid is;

1. How to preserve life and minimize the effects of injury, when accidents happen.
2. How to relieve pain and distress.
3. What to do and what **NOT** to do until medical aid arrives.
4. How to trace wounds and control bleeding.
5. What to do for fractures and burns.
6. What care to give for an unconscious person.
7. How to perform Artificial Respiration.

These are only a few of the examples of the valuable training you will receive. You will be taught by a trained St. John instructor.

The last First Aid course held here in Richmond Hill, last November, had 40 candidates, of these 15 were town employees, Works dept., Police dept and Firemen.

NORTH YORK — Township Council last week approved a plan for a 117 acre radio and television city, to be located south and east of Don Mills.
