Village To Aid Refugee Family
King City merchant, Mr. Keith Cambden, is counting on considerable support from some 40 district organizations to carry out a York County Branch, United Nations' Association project of sponsoring a refugee family.

Mr. Cambden has been appointed chairman of the association's World Refugee Committee, which seeks to settle a European refugee family within six months.

The committee is making arrangements to provide free food and clothing until the new residents can support themselves; free medical care and rent for a year.

It is understood the Federal Government will advance transportation fares, but the family would have to reimburse the costs after being established in Canada.

So far, the family to be sponsored by King City district has not been selected.

Oak Ridges, Lake Wilcox Socials

The meeting of the Oak Ridges H & S Assoc. was held March 22. The Assoc's business was preceded by some very fine singing by a group of pupils from grade 6, followed by a rendition by the triple trio, comprised of all girls. The senior students then combined to give a mixed voices arrangement, the whole musical program being under the direction of Mrs. J. Harnden, music teacher and was indicative of her great ability with the pupils.

The business of the meeting consisted mainly of the success of the bake and rummage sale (approximately \$89 was cleared) and reading of the slate of officers for the forthcoming year.

Business being concluded, Constable J. Lee was introduced to the parents. He is attached to the Bowe No. 6 detachment O.P.P. and has spent many weeks instructing the children of Whitchurch and King on Safety, by lecture and film. A film was shown the parents "The Broken Doll", giving details on why even a small community needs to be safety conscious and how to go about organizing a safety council. The benefits are many and the accident toll negligible. After the movie Constable Lee availed himself for questions from the parents. It was stated there would be a bicycle check soon and it was hoped to have some assistance from local groups to purchase "stickers" to be placed on the bicycles. Several informative pamphlets were handed to the parents, regarding pedestrian and car safety. Mrs. R. Martin, teacher, thanked Constable Lee for his efforts on behalf of the children and attending the H & S, as did Mr. Wm. Schurman, president. Mrs. J. Harnden's class won the parents' count award.

Wrestling is back with us again at the Legion Hall, and I hear the performance is excellent, with the participants exercising some "mighty" bone-crushing held and causing "excruciating" pain upon each other. So I would suggest that you find the King Sideroad tonight and every Thursday and follow the sound of groans and cheers to the Legion Hall. Don't forget the dance to be held April 2, music by Norm Burling and his Kingsmen.

Mrs. D. Barraclough, Maple-grove, is visiting with her parents, Mr. and Mrs. S. Rule in Florida.

The Associated Gospel Church at Lake Wilcox has now obtained the full-time services of its Pastor, Mr. Martin Reif, George St. Oak Ridges. Interest at the church is at a new high, the Sunday School attendance was 91 and the congregation has grown to close to 50. Sunday evening service was highlighted by the singing of Mr. S. Williams and his children, Faye, Linda, Murray and Dick. Mr. Williams also combined with the children of the Nichols and Metcalfe families for a pleasant song service.

The ladies of the church under their president, Mrs. M. Reif, will meet April 7 at the home of Mrs. Dan Cook, Fairview Ave. at 8

STOUFFVILLE — At the March session of Ontario County Council, Reeve Sherman Scott of Pickering Township supported Reeve E. Dowswell of Uxbridge in a plea to reject any proposed expenditures for hospital financial support, at a county level. "Let the municipal councils make the grants," the Reeve urged.

p.m. In future all such meetings held every second Thursday, will take place at the church. The Young People of the church turned out in force — 51 in all for a sleigh riding session on the CFRB sideroad on Saturday evening. This may well be their last according to the temperature now prevailing. Mr. Stan Williams, who directs this group is desperately in need of assistance if any dads are interested.
