

Maple, Concord & Edgeley Districts

"The Liberal is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALpine 7-1150; in Concord, Mrs. Audrey Boron, AV. 5-2329; and in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934.

Maple Notes

They Tell Me It's Spring!
Could be indeed, — the way things were shaping up outside Monday. So now we hear beads about the suddenness of its arrival — heck! the snow is disappearing so fast BUT right into our basement. Poor weatherman, he just can't win no how!

The way we know there's been a change in the weather is the number of soaking jeans we exchange for dry ones with number 2 and 3 sons at noon and around 4. It must be a special art youngsters have — we swear the side-walk could be navigated out "Oh no Mom, if you would just see —!" So be it.

Maple United Church W. A.
The March meeting of the W. A. was held on Tuesday evening, March 22 in the Christian Education Room, with Mrs. N. Payne presiding.

Mrs. K. Tilley convened the program and Mrs. N. Woods was in charge of the Worship Period, quoting on "Key Words of the Christian Faith." These were Sin, Confession, Repentance and Forgiveness.

The Government of the United Church of Canada, was the subject before the meeting. Mrs. Boron outlined the departments from a chart prepared by Rev. Harold Davies, — pastor of Maple United Church.

Mrs. H. Davies spoke on Boy's Work and Worker's Conferences, also outlining the higher Governing Bodies of the Church from General Council and the duties of the Executive Board. Mrs. Davies stated there were 23 conference branches in Canada and 12 Presbyteries. There are 28 pastoral charges in York Presbytery.

On W. A. work, the various departments were outlined by Mrs. G. Watson on Christian Education; Mrs. E. Walker; Christian Stewardship; Mrs. Cullen, Christian Citizenship; Mrs. Breeze, Visiting and Christian Fellowship; and Mrs. H. Jackson on Missions. Other departments such as Press, Literature and Visiting Committees, were covered by the president, Mrs. Payne.

The ladies attending this meeting felt it was indeed a timely topic and that they were much better informed regarding the duties of the various departments of their church.

Refreshments and social period followed. **Remember to Buy Easter Seals.** — Make your contribution this way in order to assist a crippled child receive the needed help, so whole heartedly given, when each and every one supports the Easter Seal Campaign.

Birthday Notes. — The first day of Spring seems to go along with March 21st also being Gail James birthday — there is always bound to be something stirring when either one puts in an appearance. Gail celebrated being seven years old on Monday, March 21st. Many, many more happy returns Gail! Thursday, March 24, young Jeff House celebrated his 4th birthday by having about a dozen little friends in for a party.

The last we heard was that the party was a tremendous success but it was difficult to get Mother, (Bev) out of the dishpan — neighbors suggested a smaller, quieter do perhaps next year after they came across Bev thoroughly washing and drying the paper plates and paper cups!

Long List of Flu Victims
It would be most impossible indeed to name all the sick folk around town. However we are so sorry Ken Rumble has had such a nasty bout, Helen Spencer kept mum in a dither, what with Helen's high temp and the Daffodil Tea responsibility. The Plunkett's, Crook's, Cleworth's, Wells, junior and senior that is, and many more were bitten with the bug. Young Rod Shields has decided to be allergic to several things but in the process — S's are kind of tough.

S. Open Session: — Some sections of our town had about two hours without hydro last Sunday morning during which time some of the junior set were most unconcerned that they couldn't have their bacon and eggs or toast but this was the morning Maple United Sunday School was to have an Open Session and how could they have their program without electricity? Fortunately when the front door banged shut as our junior set off to S. S. the hydro came on and all was well.

The Sunday School had invited Mrs. Roy Barker of Woodbridge

to show slides on the Holy Land taken when she and Mr. Barker visited there last year. This was perhaps one of the more appreciative audiences Mrs. Barker has had seeing their Bible stories come to life was most fascinating for these boys and girls and will no doubt enliven their interest in the Bible and its teachings.

Well Baby Clinic
Here is a special notice to all mothers of pre school children. On April 7, a Well Baby Clinic will be held at Maple Community Centre.

In case you are not acquainted with this service, it is offered free of charge by the Public Health Department. The doctor and nurses in charge are there to assist you in keeping your pre school child healthy — through the "Well baby" clinic.

If you are new in this community and have young ones or perhaps there is a new addition in the family — here is your opportunity to have your child receive a thorough check-up, and you will be advised when the proper "shots" should be given. Along with the regular stand by — in "shots," that is, your child may also be given the required polio shots.

Complete up to date file is kept on each patient and you are notified when to next attend the clinic.

We would emphasize this is a free clinic and each resident is invited to take advantage of its first class professional services.

Helping to make this coming April 7 clinic run more smoothly, members of Maple Women's Institute, as always, will be on hand to assist. Scout Master "Skipper" Jack House, ever eager to learn added knowledge in dealing with scouts, hies off to Orangeville, (with sleeping bag tucked under one wing) where the Scout's Oxtail Camp is located, and acts as official Camp Warden, on several occasions.

It's here the scouts from Toronto District set up their winter camps and qualify for survival hikes etc., with some good winter sports thrown in.) L's pack's cub leaders, Russ Locke and Gary Palmer have gone with the "Skipper" at times.

Their duties as Camp Wardens include a thorough checkup of fires, camping sites etc., after the scouts have broken camp. In case of emergencies, which do happen even in the best of camps, they are on hand to administer proper aid.

So these leaders give a fair share of their leisure to training and instructing your boys. Let them know you appreciate them, it takes but a minute.

The congregation of the Maple United Church is most pleased, along with Mrs. Roy Clegg, organist and the one mainly responsible, to see the additions to the choir. Last Sunday, Michael Weir made his first appearance to add some basso profundo and we understand he will have some added support in the near future.

With the five young ladies newly installed, Mrs. Clegg will have a full choir to work with before long and it must be heartening to have these young people taking active part.

As Ambitious Teen-age Duo
So often we have heard the comment — "But where in Maple can any young people get work" — to help pad their allowance or teach them the value of a dollar, when they are hounding mom and dad for that new Easter outfit.

Well here are a couple of teenagers who decided to do something about it. Being smart and sticking to their flair for photography, Tim Weir and Tom White have turned their hobbies into a hoped for paying proposition, and formed their own "Tim Tom Studio."

Taking over Tim's recently remodelled room over the back stairs, the Tim Tom Studio of Photography is gradually coming into its own and they say they are open for business.

Perhaps Tom has had more experience, as he is an ardent member of R.H.S. Camera Club and of course when your Maple Notes Correspondent wants a picture — Tom White is called and as a result has had a goodly number printed in "The Liberal."

On the other hand — perhaps Tim has the edge — his father makes their bread and butter as a Commercial Artist and photographer and having dad close at hand for needed advice and such can't be too bad.

CONCORD SOCIALS

Teen Town
A St. Patrick's Day dance was the theme of the evening for 19 boys and girls at Concord School last Saturday. In attendance were two dancing Leprechauns complete with green outfits, buckled shoes, white beards and clay pipes. The Leprechauns (who were in reality Loren Whaley and Barry Woods) carried "Pots o' Gold" filled with gold wrapped candy coins and gold wrapped Easter Eggs in lieu of enough gold coins. The "Pots o' Gold" were won by Evelyn Gareau and David Agnew during a novelty dance. All in all a very pleasant evening was had by all. More teen-agers would be welcome at the monthly get together so come on out kids and join in the fun with your friends. Incidentally parents, all you have to do is provide transportation to and from the school for your teen-agers. The Teen Town Committee, sponsored by Concord Home and School Association and the chaperones do the rest.

Concord Community Ratepayers Association invite everyone to attend their next regular meeting to be held at the school on Thursday, April 7, at 8:30 p.m. sharp. During the meeting some informative reports will be given, including those on all the Vaughan Township council meetings held during February and March and attended by representatives of the association. Many requests and suggestions made by the members were presented to the Council at these meetings.

Guide and Brownies
The Guide and Brownie Group Committee Bake Sale held at the school on Election Day was not as well supported as was expected of the mothers whose daughters are members of the Guide and Brownie Packs. Many thanks to those who did support it and also to the willing workers. The fault was not theirs. Fund raising enterprises are so lacking in support that it seems the only way left is to charge a straight yearly fee for each Guide and Brownie, in order that the support of the packs be shared equally by all mothers of Guides and Brownies. Let us all turn out to the next Group Committee Meeting in April to discuss the matter.

Home and School Association dance held at Maple Community Hall on March 18 turned out to be a very enjoyable affair, and for the first time profitable as well as pleasant. The executive wishes to thank all those who gave their support by attending the affair and also special thanks to the many who bought their tickets with sole purpose of supporting their Home and School Association even though they had no intention of attending the dance. Renewing old acquaintances at the dance were Mr. and Mrs. Bill Baker of Hawkestone Ont. Mr. Baker is a past president of our association. Also there to renew old acquaintances were Mr. and Mrs. Ed. Wells. Mr. Wells was formerly a teacher at Concord School.

The Guide and Brownie Packs shared the check room receipts, as did the Boy Scouts and Cubs last year.

Arthur Rumbles Wed Fifty Years
Mr. and Mrs. Arthur Rumble, Keele St., Maple, had planned a very quiet 50th wedding anniversary at home on March 23rd. but were pleasantly surprised by many friends and relatives calling to offer congratulations and present them with beautiful flowers and gifts.

The "Liberal" joins the many friends and neighbors of this community in wishing Mr. and Mrs. Rumble, many more years of happiness together in good health.

Mr. and Mrs. Rumble have resided in Maple ever since their wedding in 1910 and have regularly attended, as active members, St. Andrew's Presbyterian Church. They are held in very high esteem in the neighbourhood and surely have seen many changes take place in and about Maple over the past 50 years.

Congratulations were received via cable, from Prime Minister Diefenbaker, Premier Leslie Frost and our local parliament representatives, Mr. Cathers and Major Mackenzie.

The door prize which was a table lamp was won by Mrs. David Hunter, Rockview Gdn. Long playing records were won by Miss Nancy Watt and Mr. Jim Murray. This same couple were lucky enough to win a windshield washer as well. Other prizes were won by Miss Sharon Sprague, No. 7 Hwy., Concord, Mr. Roy Espey, Elgin Mills, and Mr. Bill Cooper.

Cubs & Scouts
The highlight of the Father and Son banquet was the presentations of First Class Scout Badges to Scouts Charles Saunders and Don Day Jr. Having two first class scouts in a group of this size is quite an achievement and speaks well of our Scouters. Mr. Nick Custoreri, First Stars were presented to Cubs Loren Whaley, Ronald Nordin and Jeffrey Boron. Any boys interested in Cubs should contact Mr. Harry Webb, AV. 5-2338 and boys over 12 who are seriously interested in Scouts should contact Mr. Nick Custoreri at ME. 5-5351.

On Sunday, March 20, the 1st Concord Scouts enjoyed an all day outing of tobogganing at Reaman's Hills. Lunch of Irish Stew and hamburgers was cooked over an open fire. It was reported that a very enjoyable time was had by all. One Scout, name of Douglas Boron still has a sun burned face to prove it.

On Sunday, March 27, the 1st Concord Cubs took in a hockey playoff game at Maple Leaf Gardens by St. Michaels and St. Catharines Jr. A hockey team, The 10 cubs and fathers Mr. Al Whaley and Mr. Warren Shakespear report a good time was had by all. Application has been made to take our Cubs and Scouts on a weekend camping trip to Oxtail Camp.

Remember there is always room for boys who are seriously interested in Scouting so please contact the Leaders. **Cancer Society Canvass**

One of your neighbours will be calling on you sometime during April to collect your contribution for the Canadian Cancer Society. Please remember, your donation is an investment in health. Your Captains for Concord are Mrs. Helen Kentner and Mrs. Audrey Boron and they ask you to be sure to read the literature you will receive from your canvasser.

As part of their contribution, three young matrons from Concord: Mrs. Helen Kentner, Mrs. Audrey Knight and Mrs. Audrey Boron took part in the fashion show, held during the Daffodil Tea sponsored by the Maple Branch of the Cancer Society, last Saturday.

Mrs. Peggy Wiedeman was hostess to three tables on behalf of Concord Home and School Association. **Personals**

Belated birthday greetings to Loren Whaley for March 27. Little Tommy Pinkett, son of Mr. and Mrs. George Pinkett, of Rockview Gardens was on hand to welcome home his new baby brother, who incidentally weighed in at over 10 pounds.

Mrs. Donnie Warwick is off the sick list and feeling much better. Mrs. W. G. Lake is feeling better after a lengthy bout with a bad virus attack.

Mrs. Isabel Burlington of Hillside Ave., is in the Branson Hospital. We all hope she will be home soon and feeling better.

Latest members of the whooping cough club are Lynda, Robert, Randy and Brian Baile and Jeffrey, Wesley and Lisa Boron. Let's all hope we won't have any more new members. Remember parents, according to York County Health regulations, all children under 12 who have been in contact with whooping cough are quarantined for as long as the patient.

Friends of Mr. and Mrs. Joe Kippax, former residents of Concord and now residing in Stevenson, Ont. will be sorry to hear that little Charles is in Chatham Hospital suffering from a mastoid and mummie is in bed with the flu.

We are happy to report that Mr. John Witney is able to be out and around again after a bout with the whooping cough.

NORTH YORK — OO La La — or should we say, "O Sole Mio" — one of North York's Councilors, Fred Young, has suggested Gina Lollobrigida and her family be invited to settle in North York. His reason? "The air north of Lawrence Avenue is the purest in Metro Toronto — they say she is coming here for the sake of her son."

Maple Public Library News

Canadian Library Week will be held from April 3rd to April 9th. This is the second annual celebration of this week and it is hoped to interest Canadians in the value of the printed word. The official slogan is "Read For Pleasure, Read For Profit, Read For Progress."

There will be programs on both the national and local levels and they will stress the importance of reading in Canadian life.

The Executive Committee for Canadian Library Week have issued a statement of aims and in their say, "We want to remind Canadians what the printed word means to free men in a free society. We want to stimulate more Canadians to open their minds. We want to reveal to Canadians some of the treasures which are their for the reaching."

To-day, it is more important than ever before to become an informed person so that you can play a vital part in the life of your country.

Library services in Canada are constantly expanding and improving. If you haven't been taking advantage of your local library service, we urge you to do so. Maple Public Library is endeavouring to present a wide variety of books to its readers. New books are appearing on the shelves daily and the library board is working constantly towards improvement of your library.

Maple Branch W.S. Tea Starts April Campaign

By: Tobey Shore
The Women's Service group, Maple Branch of the Canadian Cancer Society, hosted a most successful Daffodil Tea last Saturday. With Mrs. Rae Spencer convening, ably assisted by Co-convenor Mrs. Lil Smart. The Tea was arranged to acquaint you with the community with the Maple Branch of the Canadian Cancer Society, in the hope that when you understand the aspirations of this interested group, and its active members, you will want to lend your support.

The annual Cancer Campaign starts tomorrow, April 1st and the Campaign Chairman is Mr. Jim McDonald who has his canvassers all poised and ready to call on you to ask for your support in a tangible way.

A delightful fashion show was presented, featuring teen-age and ladies' lingerie and sportswear, courtesy of Mrs. Iris Rees of Weston; who also most capably handled the fashion commentary — a most appreciative thanks to her for her time and effort given so generously in supplying the high light of the Tea.

As for the models who represented the affiliated groups, they were indeed most attractive and effective throughout their modelling chore. The engaging teen-agers and younger set carried off their duties with delightful aplomb.

In introducing the members of the Women's Services, Rae Spencer — noted that there are 14 groups forming the Maple Branch. The various local churches, the W. L., the school clubs from surrounding communities of Edgeley, Shewood, Concord, Teston, Vellore and Hope along with Maple, appoint representatives and these members were responsible for three tables each at the Tea.

Mrs. Rees and the models were thanked by Lil Smart and a very special vote of thanks is due to

the interested friends, though not members, who attended. To Pat Davis, who inspired the models and showed them a few tricks of the trade, and to Ruth McConkey with her invaluable assistance.

To Reg Rouse who is always available in answer to an S.O.S. and who cued the music so effectively — among other assistants, — grateful thanks from all the ladies.

If you enjoyed your cup of hot tea, you will join in thanking Mrs. Zelma Lund and daughter Mary Lou, who were responsible for quantities of water kept to the boiling point in the kitchen.

The president of Maple Branch of the Maple-Wood Unit, Mrs. Hilda Miller, best summed up the afternoon when she said, "The executive and members more or less expect to work along with an proposed project but it was you, the public, who by responding so graciously to our invitation and attending this Tea have given your support and showed these hard working ladies that they indeed have the backing of a fine community spirit."

Many thanks to you and all others for making it such a successful Daffodil Tea.

In just such a spirit, be prepared to welcome your canvasser when he or she calls. The young models were Laurie Wells, Jane Fierheller, Judy Wells, Louise Spencer, Mary Elie Hamilton, Sheena McDonald, Diane Fierheller, Linda Ingram, Janice Boake, Joan Hodgson and Debbie McConkey. Along with her modelling duties Sheena McDonald, in her tartan kilts, danced the sword dance, during an intermission period, ably accompanied by the bagpipers by Rev. Andrews of St. Andrew's Church. It was a most pleasing interlude, thank you Sheena and Rev. Andrews.

STOUFFVILLE — Thieves removed five cases of cigarettes valued at \$750.00 from a parked transport truck. The town police are investigating.

DEPT. OF HEALTH TWP. OF NORTH YORK

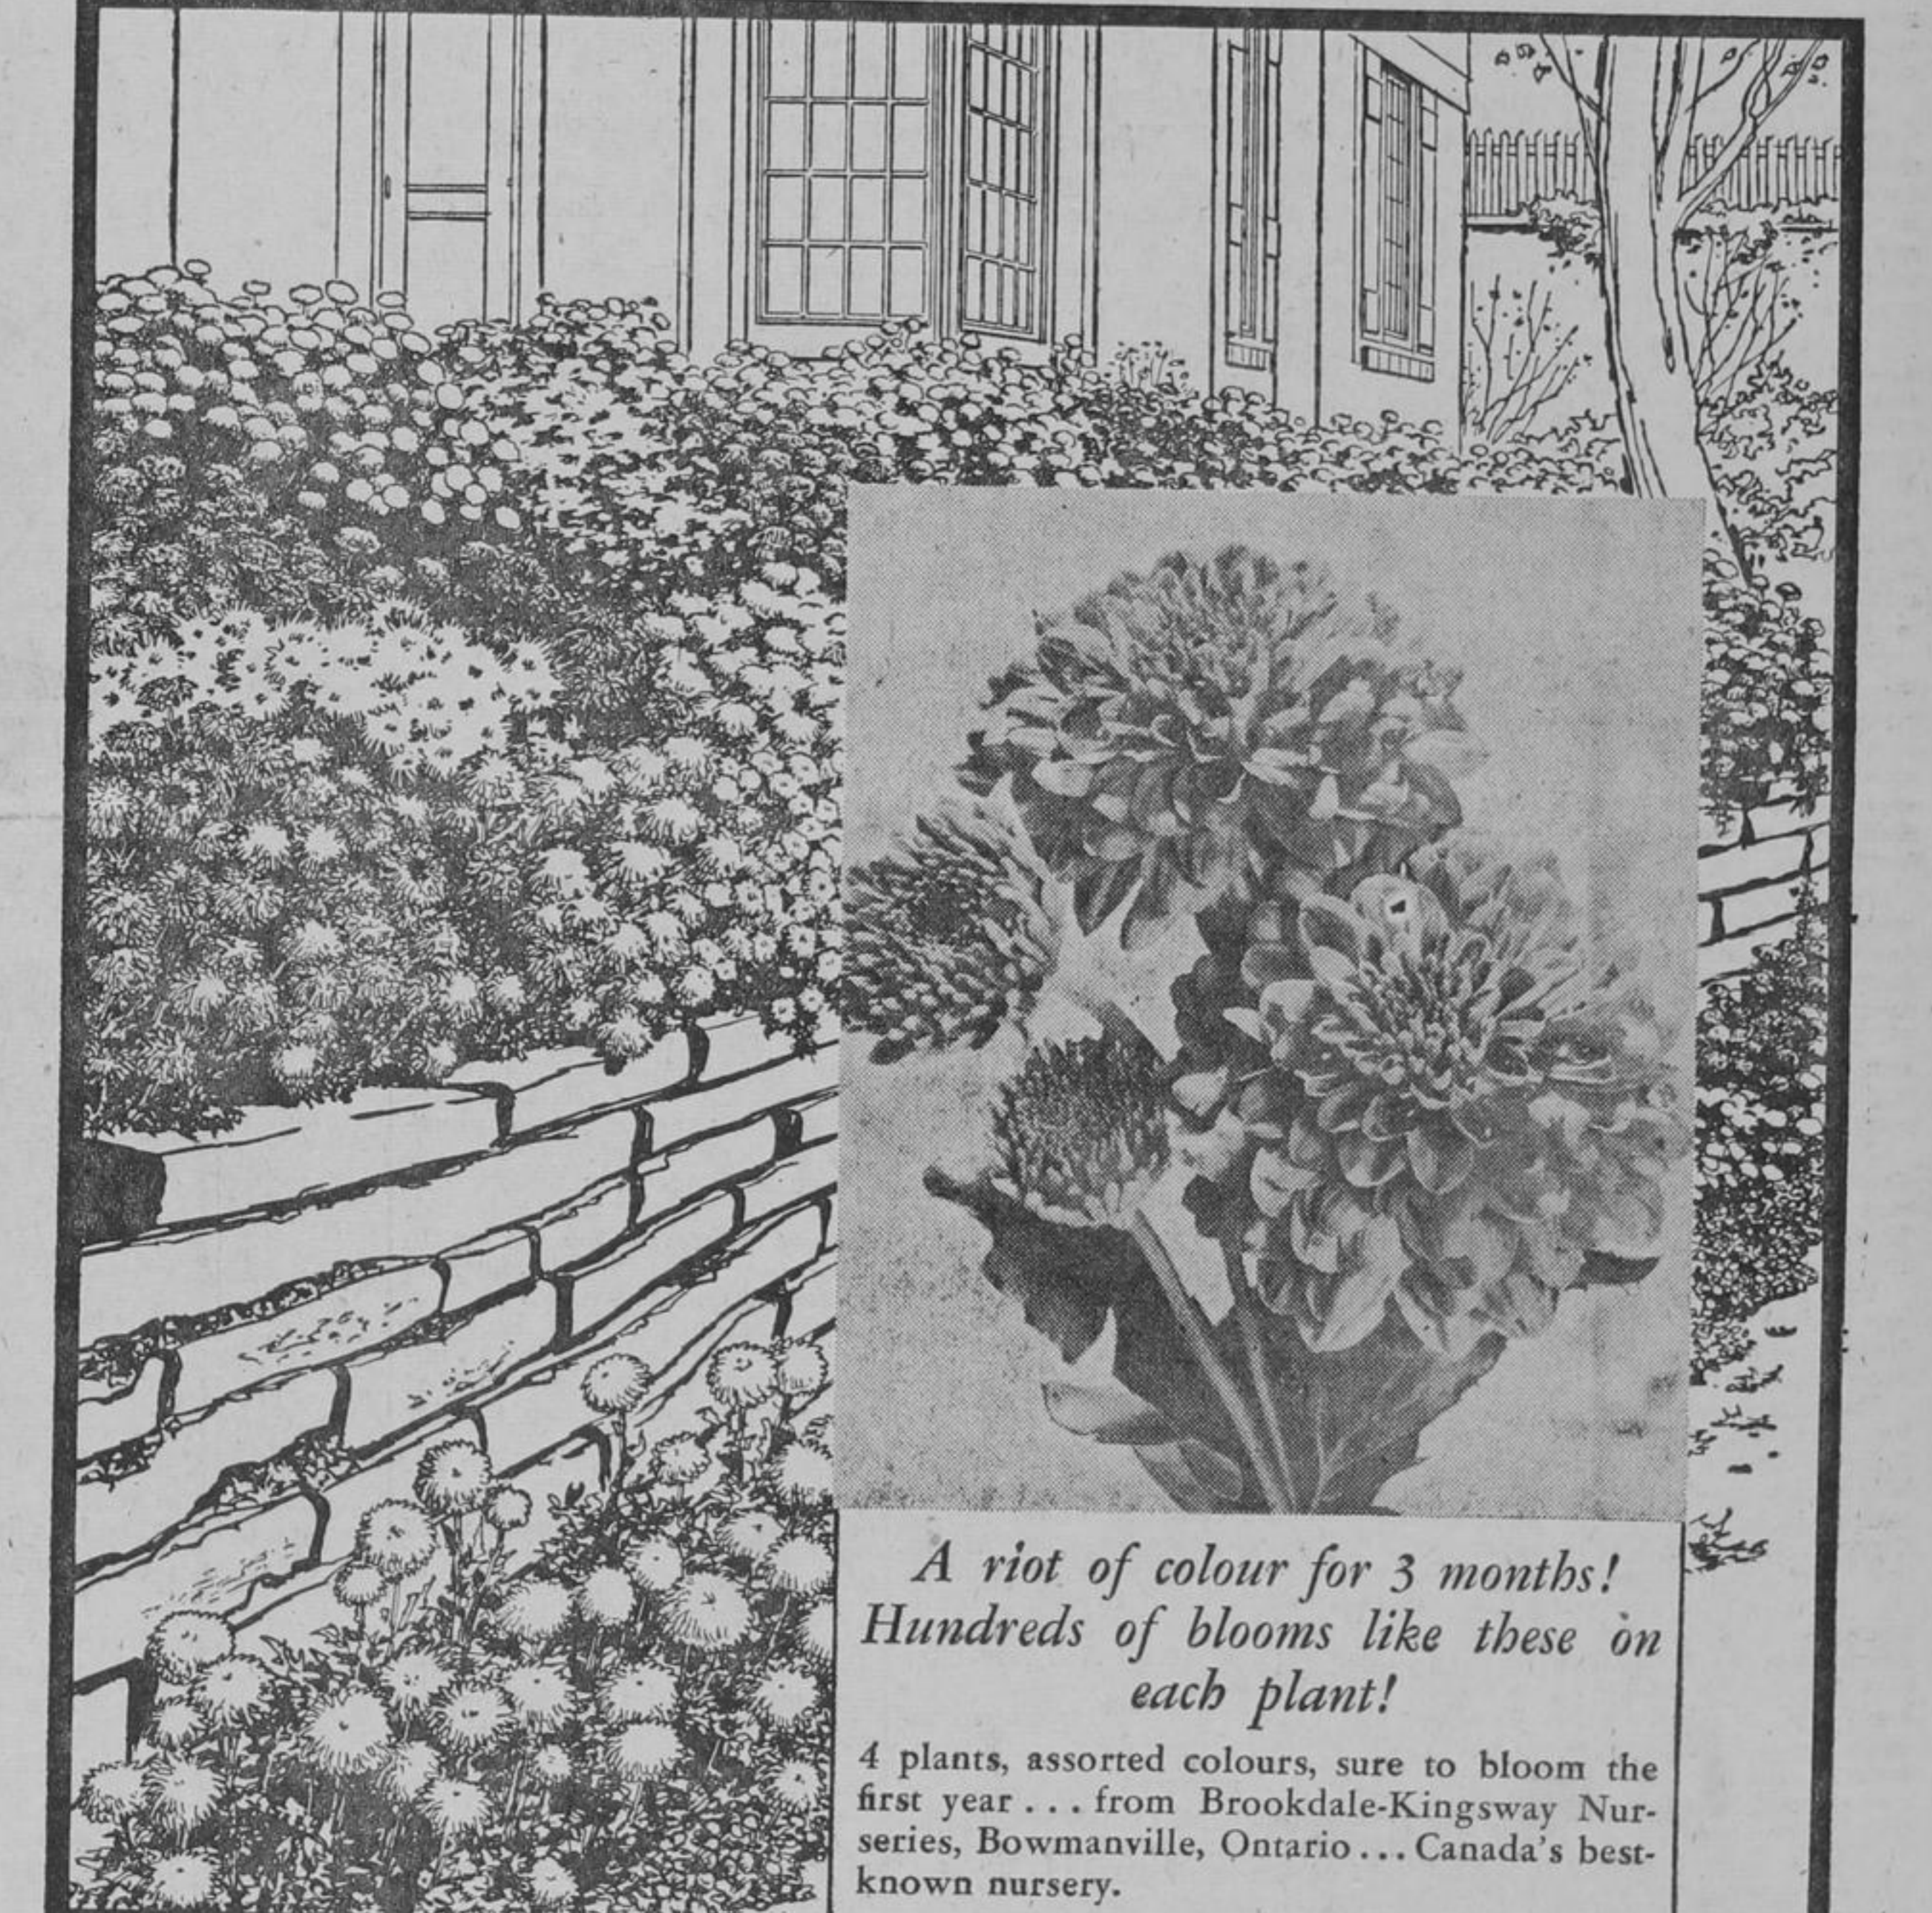

When Babies Sit
Babies ordinarily acquire the ability to sit up between 6 and 9 months. When children first learn to sit up they usually lean forward in a position that appears strained but it is actually a slumped or relaxed attitude. Muscular development and coordination progress rapidly and in a little more than a few weeks the child can maintain proper balance while sitting. Sitting up is merely one of the steps in growth leading towards the later development of more complicated movements, such as standing and walking.
