The tennis-playing fraternity in and around Richmond Hill is strongly urged to attend a meeting on Thursday April 7th at 8.15 p.m., in the Municipal Building. Mrs. Jean Thomson, Richmond Hill Recreational Director will be at the meeting where ways and means of getting tennis into action will be discussed.

It is of vital importance that as many people as possible turn out for this meeting as it is a hard but true fact that if enough interest is not demonstrated, the activity may have to be dropped. It would behoove all tennis players to plan to attend this meeting and present the best possible case for the world of tennis.

The average merchant in Richmond Hill is a pretty swell guy, or gal, as the case may be. Anytime a money raising campaign for a sports activity is launched, the merchants are the first and possibly the only ones, to be approached. They usually kick through after a little friendly bantering and the overall sports world in Richmond Hill owes these merchants a heartfelt, grateful thanks. Everyone who participates in a sporting activity or those of you whose children are playing in an organized sport should realize that without the support of the merchants, there just wouldn't be any sport. Let's make our thanks as tangible as possible and whenever possible patronize our local tradespeople.

The baseball seminar for coaches and umpires has had a change of date due to the Easter holidays. The school will operate for three nights at the McConaghy school at 8 p.m. on April 5, 12 and 14. One of the foremost authorities on the game of softball will be on hand as a mentor, none other than the dean of softball, Mr. Maxwell (Maxie) Sheff. If you intend to register for the school, do it right now by contacting Grant Gibb at TU, 4-3435 or umpire-in-chief Tom Craig at TU, 4-4059. Your registration is needed right now.

As you no doubt know, the Sports Day Parade is coming up on June 8th. This year the parade is going to be even bigger and better than ever and several new attractions will be added to the bill. One of these attractions will be the presence in the parade of a young lady who will represent Miss Richmond Hill of 1960. Mrs. Bernice Gibson, proprietress of the Gibson Girl dress store has consented to organize the selection of a beauty queen for us and all you girls who were winners in the three previous contests are urged to contact Mrs. Gibson. The queen will be chosen in a contest held on June 2, so that she and her attendants will be able to participate in the parade.

Not too long ago we were bemoaning the fact that lacrosse seemed to be dead in these parts and that no one had had the decency to erect a headstone. It came as a surprise to find that a revival is due for the game in Richmond Hill this summer. A rugged group of gentlemen who love the game have gotten together and it is their intent to operate an intermediate team in the O.L.A. this year. The arena should get lots of rugged action this summer. Once again the appeal goes out for a sponsor. These fellows have all the desire in the world and are going to try to operate, come you know what or high water, but help would be appreciated. If you would like to own your own lacrosse team just let yours truly know and we will see that you are put in touch with the interested parties. Let us hope that box lacrosse comes back really strong in Richmond Hill.

**— SPORT SPOTS —**  
Ron McAndrews, new manager of the senior ladies softball team is urgently in need of players. This is a completely new organization this year with a new manager and a new coach and also including a shiny new sponsor. Steve Appleby, owner of Richmond Hill TV and Camera, is the new sponsor and he is very desirous of fielding the best team possible. If any of last year's team are interested in playing this year or if any new players are interested, please phone Ron McAndrews at TU, 4-4121. Hurry, girls, the season will open in about seven weeks, believe it or not.

The N.H.L. playoffs are in full swing and as of this date, it looks like anybody's Stanley Cup. Detroit are battling the Leafs every inch of the way and Chicago is not exactly rolling over and playing dead for the Canadiens. This should produce some truly great hockey and the final series should be tremendous no matter which teams are involved.

**— SPORT SPOTS —**  
Just in case you haven't thought of it yet, how about planning your float for the Sports Parade on June 8? If you intend to enter a float won't you please let Doc Cowan know as soon as possible so that plans can be finalized. Let's all get behind it and make this year's parade a really memorable one.

**— SPORT SPOTS —**  
This winter already seems to be about 11 months and 16 days long. Could be it's only because we're getting older that it seems this way but, so help me, even the kids are moaning a wee bit about old man winter. If anyone tells you that we don't get the old-fashioned winters any more you'll know that this year they were in Florida from November till April for sure.

**— SPORT SPOTS —**  
The new high school at Bayview and Markham Road is already under way with shovels and other machinery tearing holes in the land. When this school is completed and open in September it should usher in a new era of sport for Richmond Hill. There are 15 acres of ground connected with the school so that a really good sports field should be forthcoming, something that the older school lacks. There should be some keen competition between the new school, Thornhill and Richmond Hill High School. There might even be room for a running track.

## R. Hill Mercantile Hockey League

**Allencourt Edges Craigs 6-4**  
In the semi-finals Allencourt eliminated Pop's Restaurant, and Craigs knocked off Dobby's after a close series. On Tuesday, Allencourt got a one game edge on Craigs in the best of three finals. In the first period Allencourt completely outclassed Craigs by scoring 3 quick goals in succession by Jim Wells, Matt Kinnaird and We's again within 20 seconds. Norm Roberts scored another before the period ended to make the score 4-0. In the second period Craigs scored when an Allencourt defenseman accidentally de-

The boys intramural gymnastic meet was concluded last week and the Green team came out as meet champions by scoring 180 1/2 points. The Blue team finished in second place with 151 1/2 points. The Green win was achieved by having competitors entered from every grade 9 through to 13 and piled up points not only for winning efforts but also due to participation.

The grade 9 champion was Noel Gillings with Bruce Morton finishing in the second spot. Grade 10 was won by Steve Plummer closely followed by Reg Penbleton. The grade 11 championship was won by Richard Lautamus with Paul Sampson and Dennis Cooper finishing in a dead heat for the second spot. Roger Lobson was the grade 12 winner with Brian Atkinson taking second place. Ray Matsunaga won the grade 13 event with Mike Bain winning second place honours.

The floor hockey finals were wound up last week with the Red team winning the senior division by shutting out Blue 3-0. The feature of the game was the outstanding goal tending of Serge McLelland, a grade 9 student, in the Red goal. Serge has been playing steady goal all through the season and really worked to earn the shut-out in

## Richmond Hill Minor Hockey League

**Littles Fords 5 Bayview Plaza 5**  
In this game Duane "Tex" Pattifield won the scoring championship of the Minor League by scoring three goals to boost his production for the season to 16 goals. Fred Kyle and Jim Fenwick scored the other two Bayview goals. Littles' goals were scored by Wayne Jackson, who hit for two as did Bill Merasko. Ted Ross had been tied with Pattifield at 13 goals apiece prior to the start of this game but Ted scored only once to Pattifield's three times. Ted had 14 goals over the season.

## Hockey Results

**Blueliners 1**  
**Christies 0**  
Richmond Hill Midget Blueliners ran into a hard checking Christies club last Monday night at Aurora Arena and were lucky to come out with a one to nothing score.

The local club had about 75% of the play in all three periods but couldn't get the puck past Miller in the Christies net. All in all Christies only had about six shots on the Hill goal but the entire game and these were turned aside by Donnie Laurie. It was a close hard checking game with the lighter Christies team checking both fore and aft to harass the speedy forwards on the Richmond Hill Club. However Paul Reynolds slipped one by Miller to get the only score of the game and a win for the locals, in this T.H.R. fixture.

**Camp Borden Flyers 2 Richmond Hill 2**  
Camp Borden Flyers a supposedly weak team in the North York playoffs came up with a fine effort to hold the Richmond fought tie last Friday night at Camp Borden. This was the first game of a two game total goals semi final in the Hill goal about six minutes before the sizzler from start to finish. Dean Wainwright, speedy right winger put the Hill club ahead at 11 minute mark of the first period on a nice pass by Dennis Richardson. At the 14 minute mark Jennings of the Air Force Team popped one in past the Hill goalie to even it up. Then Ritchie Elliott playing on a line with Jim Briden and Sandy Keith put the Blueliners ahead again. Jennings scored again during the third period to even it up again and that ended the scoring for the game. The Blueliners were plagued by penalties during the last period of play and were short handed most of the last period and only some outstanding goal tending by Don Laurie in the Richmond Hill nets prevented a loss to the local club. If the Blueliners expect to go much further in the North York League they had better pull up their socks, or they will be

## Thornhill & District Hockey League

The pennant-winning Flyers lost their first game to the second place finishing Dinosaurs in the playoffs and this game they could not afford to lose as they have now been eliminated from taking double honours.

The series between the Dinosaurs and the Flyers in the playoffs has certainly been the best hockey series ever seen in this league. Ray Wintjes and David Reid, most talented goalies in the league, held the scoring down to a minimum.

The score of the first game was a 1-1 tie. In the second game Bob Beatty scored in about two minutes of the first period and Reid took it from there and kept

commanding lead in this series. Jim Gordon and Ken Chapman scored for the Cubs with an assist going to Jimmy Wilson.

**Richmond Hill Bantams eliminated from Play-offs**  
Jimmy Pollards' Bantam hockey team was eliminated from further competition in the North York League playoffs as in two games Schomberg outscored them by a wide margin. The Richmond Hill team opened the series in Schomberg and took a real drubbing as Schomberg poured it on and defeated the Hill team 13-4.

Ricky Bradshaw scored two goals while Anthony Crack and Jimmy Lawson scored singletons. These were the only bright spots in a game that was fraught with gloom for the local lads.

The second game of the two game goal to count series was played last Friday in Richmond Hill and the Bantams managed to tie Schomberg 3-3 but lost on the overall score 16-7. A complete line was borrowed from the Pee Wee Hornets and did not look out of place as they took a regular turn on the ice. Gary Charity, Rod Mabley and Phil Dobbs gave promise of developing into competent hockey craftsmen.

Ricky Bradshaw scored two of the three goals as Bill Adams picked up a singleton for the balance of the season the team will finish off with a round of exhibition games.

Don't forget the big hockey night on April 8th and the grand finale on April 15th. If you want to see the hockey season bow out in a burst of colour come to the arena these two nights. You'll get your money's worth and more.

**AHL Playoffs**  
**Young's Service Station 3 Mikes 3**  
Loren Gordon Barons 2  
Rick Ringer hit for two goals and Mike Engler for one while Bob Ogilvie and Dave Smith Ken Patry picked up an assist. scored the goals for the losing Barons.

**Als Cycle & Sports Bears 5 Victoria Orange Lodge Flyers 4**  
Paris Electric Tiger Cubs 2  
Gary Churcher scored twice, Dave Lund and Bob Hutchinson once each as the Flyers took a

out in the cold.  
**Hornets 6**  
**Butler and Baird Bruins 1**  
The Pee Wee age Hornets played the bigger and older Little N. H. L. team and proceeded to walk off with the marbles as they defeated the Bruins 6-1. The defence the Hornets put up was sensational as time after time they broke up threatening Bruin rushes. Bill McVean in the Hornets was very steady throughout although he did not have too much work to do.

Terry Stewart scored two goals for the Hornets while singletons were scored by Doug Acomb, Scott Sheppard, Gary Charity and Phil Dobbs. At the moment hope for an entry into the team will probably round out the season with exhibition games. This Friday night the Hornets will have one of three teams visiting Richmond Hill, Scarborough, Lindsay or Port Hope. Richmond Hill Putters 2 Bradford 1

The Putters and Bradford Squirts have locked horns three times this year and in every meeting the final score has been 2-1. The Putters own two of the wins and Bradford one.

Harvey Gordon scored the first Putter goal unassisted from the midst of a huge pile up in front of the Bradford goal. The second goal was scored by Jimmy Wilson assisted by Mark Reynolds and Gary Methe.

Next Thursday night the Weston squirt team will be providing the opposition in Richmond Hill. Arena Coach Earl Methe has had official confirmation of his team's acceptance into the Brampton Squirt Hockey Tournament and Richmond Hill Putters open on April 19th at 10.00 a.m. against Simcoe. At 5.30 p.m. the two teams will again play and the winner will be decided on a points to count basis.

**WILLOWDALE** — North York Township Council has endorsed a resolution calling on the provincial government to extend road subsidies to include the construction of subways.

# Annual Hockey Meeting

The annual meeting of the Richmond Hill Hockey Association will be held in the Lions Hall at 2.00 p.m., Sunday, April 24th. There are two main points up for consideration before the meeting — the joining of the R.H.H.A. by the Mercantile League and the establishment of a Mite league for next year.

Also up for discussion at the meeting will be the appointment of a ways and means committee to investigate all avenues leading toward the building of a new arena in Richmond Hill. Our plan at the present time is barely adequate and the committee appointed will leave no stone unturned in order to arrive at a suitable solution to the dilemma. Arenas are not cheap but are essential to a town of this size. Smaller towns in our immediate area have rinks that put ours to shame. These smaller towns have proven that it can be done and the ways and means committee will be investigating all angles. More power to their arms and may they find out just what has to be done to build a rink or completely refurbish the old one.

## MIDGET SOFTBALL TEAM

All boys 16 years of age and under who wish to play softball this summer are asked to contact Police Cadets Bill Oakley or Robert Deighton at the Richmond Hill Police Department or TU, 4-4483.

The team begins league competition on May 24th at Goulding Park or Kinsmen Park, Willowdale, Ontario and studies will be commencing April 12th at 7.30 p.m. in the Richmond Hill Public Library (old building) Yonge St. N. The team is a follow through of last years Miami Marlins of the Richmond Hill International League which won the pennant and championship. This year the team is entered in the North York Midget League and will be also competing in the Ontario Amateur Softball Association playoffs.

Four players from last years team have signed contracts for this year and these include pitcher Dave Grant, and infielders Bob Owens, Steve Plummer and Don Bishop. Manager-Coach Bob Deighton and General Manager Bill Oakley expect 30-40 players to be on hand at the first spring training practice and from this 18 players will be chosen to represent Richmond Hill in Midget competition.

Baseball uniforms will be purchased for 15 players and anybody interested in making application for this team is asked to attend the April 12th meeting or phone TU, 4-4433.

**UXBRIDGE** — Deputy-revee R. Nesbitt of Uxbridge Township suggested the welfare officer was becoming "too soft" in dealing with relief requests from the unemployed. Councillor Redshaw said the unemployed should rely on credit during the two-week waiting period until they can collect unemployment insurance. Welfare Officers Isaac Catherwood said, "Many won't change their goods and I don't blame them."
