Canadian Tire Won Labatt Trophy
 The handsome new silver trophy displayed in the windows of the Canadian Tire Corporation store on Yonge st. is the "Labatt 1960 Curling Trophy" to be competed for annually.

In the play-off Monday night at the Richmond Hill Curling Club, the first winning rink in the Men's Industrial League — the Canadian Tire Curling rink — won over one of the three Ontario Hydro fours, with a score of 14 to 3. The McCulloch rink was skipped by Ted McCulloch of Richmond Hill.

The Canadian Tire rink comprised: Ron Walker, lead; Gord Stephenson, second; Sandy Laitim, vice-skip; Ken Blanchard, skip. Interested spectators at this interesting playoff included Messrs. Percy and Harry Hill and several staff members.

CASSIDY — WEST
 A wedding event of interest was performed by the Rev. R. Graham of Kettleby at the home of the bride's parents on Saturday, March 19th, when Barbara Ann, youngest daughter of Mr. and Mrs. George West of Potlatchville, became the bride of Peter Michael Cassidy, son of Mr. and Mrs. Cecil Cassidy, Oak Ridge.

The bride was given in marriage by her father wearing a cocktail length dress of white, with lace scallops, shoulder length veil and head piece studded with pearls, and she carried a white bride with red roses and lily of the valley. Her attendant, Mrs. Joyce West of Hamilton wore pale green chiffon and carried yellow roses. Mr. Kenneth West was best man.

The mother of the bride wore a flowered blue silk dress with pink accessories and a corsage of pink roses and the mother of the groom wore rosewood lace with lilac accessories and a corsage of Orchids.

A reception was held at the Summit View restaurant, were many out of town guests attended. The couple left for a short honeymoon to the states, and on their return will reside in Potlatchville.

It was a doubly happy occasion, as it was the groom's birthday.

APRIL MEETING OF THORNHILL W.A.
 The April meeting of the Woman's Association of Thornhill United Church will be held on Tuesday, April 5th at 7:30 p.m. The meeting will begin with dessert and coffee, after which Dr. Minton Johnson of the Baptist Church will speak. A good attendance is anticipated.

PICKERING TOWNSHIP — "I have never seen it like this other years" said township Councillor Harvey Spang commenting on the dog problem in Pickering this spring. "It is getting terrific," he added. Complaints were of dogs running at large, frightening children in school yards and knocking over garbage pails.

STOFFVILLE — Murray Jones, Metro's chief planner has suggested council embark on an immediate storm sewer survey to resolve the drainage problems that now exist within the municipality. He estimated such an initial survey would cost approximately \$600.00. He spoke to a joint meeting of the council and planning board. *****

AURORA — A reliable source has forecast a three mill raise in Aurora's mill rate. The mill rate will be struck at a special meeting of council to be held this week. *****

STOUFFVILLE — Reeve Garland Leffman has made arrangements for a fund to be started for the Edward Knight family of 10th line, Stoffville, following an explosion caused by gas seepage.

One of the many conditions causing crippling is cerebral palsy. In many of these cases only heavy bracing will enable a child to stand or walk. Treatment and equipment is long and expensive. Easter Seal contributions are the means to provide the services. The Ontario Society for Crippled Children in association with 222 Service Clubs are inviting the people of this province to give to the Easter Seal Campaign — now.

Markham's Clerk Has Long Record Of Public Service
Dies Suddenly
Dr. Prakash In Canada One Year

On April 18th Howard Graham will commence his duties as assistant clerk and treasurer of Markham village. He will be assistant to his father A. P. Graham who has been clerk-treasurer for forty-three years. Mr. Graham Sr. went to Markham in 1907 as bookkeeper for the Speight Wagon Co. and was named village treasurer in 1914, and village clerk in 1917.

In addition to his municipal duties he has served as treasurer of the High School Board for thirty years, and Clerk of the Division Court from 1930 until his retirement early this year. In 1916 the Graham family took over the general store in Mount Joy and Mr. Graham served as Postmaster there until last fall.

Mr. Graham has had a truly remarkable record of service to the community of Markham village, and now his son Howard soon will follow in his footsteps.

Mrs. Stanley Pipher, Richmond Hill is a daughter of Mr. A. P. Graham.

The past week was a big time for a number of our senior citizens as Mrs. Steele, of Morgan Ave., celebrated her 89th birthday on Friday, March 25. Her friends from her church surprised her with a visit and many gifts. The Doncaster Community Ladies Club also honoured her with a gift.

Mr. and Mrs. H. Hizen, of 27 Sprucewood Ave., celebrated their 45th wedding anniversary on Sunday, March 27 at their home with their family.

Mrs. E. Petre, Clarke Ave., enjoyed an open house party on Sunday, March 27, it was her 70th birthday.

Sympathy of the community is extended to Mrs. Smith, of Clarke Ave., on the passing of her mother in England.

Friend and neighbour of Miss Doris Bonnici, 75 Morgan Ave., wish her a speedy recovery from surgery performed, on Monday of this week, for an ear condition. The hospital she is at is the Womens College Street in Toronto.

Birthday greetings go out to Paulene Mitchell, of 45 Clarke Ave., who celebrated her 10th birthday on Friday, March 25 with a party the next day.

On Tuesday, March 22, Mary Ann, Dorothy and Diane Gair, entered Branson Hospital together to have their tonsils removed.

At this time Jim Butler, of Morgan Ave., is hoping that the saying in which some things come in threes is not true in his case as he suffered his second driving accident in as many months.

The first accident occurred in January when his truck was hit by an uninsured driver. The second one happened last Friday, on Yonge St., in Highland Park, when he was hit from the rear by a car estimated to be doing 60 miles per hour. Jim, in his father-in-law's truck, slowed down behind a stalled transport. When he was rammed he steered the Rose Garden Supply truck he was driving into the nearest snow bank, again there were no injuries to speak of but the liable motorist is insured.

Doncaster welcomes Mr. and Mrs. Lambert and family, who this weekend, will move into the Jordan house on Morgan Ave. The Doncaster Community Ladies Club have decided to take up copper tooling and at their next meeting they will commence to learn the art. The club has obtained the services of Mrs. Thair, of Thornhill, to instruct their group. Due to the popularity of this event, the club decided to hold this session in a larger more suitable place than at the home of a member as usual, so, it is to be held on Moa day, April 4, in a classroom at the Henderson Ave., public school. Time 8 o'clock.

Hydraulic vs. Mechanical Controversy Is Over

At Mondays Vaughan Council meeting the recent controversy as to whether Council should purchase a hydraulic or a mechanical road grader was resolved.

Salamate
 At an earlier meeting half the Council members, Deputy Reeve Ryder and Councillor Anstey voted for a hydraulic grader. Councillors Bryson and Ralph voted for a mechanical grader.

The Reeve did not use his right to cast a deciding vote and thus stalemate resulted.

No Evidence
 On Monday the Deputy Reeve produced no evidence supporting the case for a hydraulic grader. He called that Council purchase the Galleon grader which had been tendered.

Hydraulics Win
 The motion was seconded by Councillor Anstey. The stalemate was broken when Councillor Ralph decided to support the motion and throw in his vote in support of the hydraulic grader.

Opposes Hydraulics
 Councillor Bryson opposed. He stated that for years Council have followed the advice of the staff who actually had to handle equipment bought by Council. This had been the case with fire equipment, office typewriters, book-keeping machines and so on. He could not understand how with a department which had been praised for its outstanding services during the winter, this policy could be changed.
