EASTER FASHIONS

Came in to see a preview of the chic chapeaux Parade now at Madeleine's.

So feminine, so new, accented in flowers and bows are the soft, towering silhouettes, cloches, picture brims and 'halo' bretons.

With such a gay collection to choose from no woman can have too many hats in her wardrobe.

VICTORIA SQUARE NEWS

CORRESPONDENT: MRS. W. SANDLE, Victoria Square

The W. M. S. of the Unionville United Church has invited the Victoria Square W. M. S. to attend their Easter Thank-Offering meeting on Thursday, April 14th, at 2:30 p.m. in the Central United Church, Unionville. The guest speaker will be Miss Violet Stewart. All the ladies are invited to attend.

A long and interesting letter has been received from Rev. and Mrs. Francis Muir in Kobe, Japan. Many of us met these missionaries when on furlough last year. Rev. Muir speaking at the W. M. S. Sunday service. Since the family went back they are living in a house dubbed, "the eagle's nest" on the side of a mountain. Their sons attend the Canadian Academy nearby. They were quite close to a typhoon. They were able to assist with clothes from Canada in the area where tragedy occurred.

The Muirs' "Children's Audio-Visual" field-work is visiting orphanages, mentally retarded children's schools, hospitals, reformatories and streets around the churches, giving perhaps the only Christian witness the children get.

Girl Guides and Brownies doubled their orders for Cookie Day this year and wish to thank all who helped by buying a box. The cookies will be delivered on April 30.

There will be no Girl Guide meeting on Thursday, April 7, due to a church supper being held at Melville church.

W. M. S. & Mission Band
On Saturday afternoon the W. M. S. held its Easter Thank-Offering meeting in the Sunday School room with the Mission Band members and their mothers

present. The Mission Band took charge of the Worship service with the leader, Mrs. A. Orr in charge. They sang several choruses to their accompaniment of their African drums which they had made, and it was very much enjoyed by all. Anita Orr read the Scripture lesson. A film was shown by Mrs. P. Bennett, on the life of an African boy, Kofi, with Mrs. A. Orr being the narrator. The mission Band members had some of their work on display. They are studying Africa this year. It was a real treat to see the younger children taking part. Jean Rumney took up the offering for the Mission Band while Mrs. McRoberts took it up for the W. M. S.

While the lunch was being prepared the Mission Band played games. Dainty refreshments were served by the W. M. S. members.

Church News
The guest speaker at the church service on Sunday morning was, Mr. Ed. Higgins M. A. a representative from the Ontario Temperance Federation. Mr. Higgins is an elder in Windermere United Church, Toronto, and Past-President of the Fifth National Conference of United Church men.

On Sunday, April 10th, at 11:30 a.m. the service of Holy Communion and Reception of New members will be held.

Sr. Women's Institute
The April meeting of the Sr. Women's Institute will be held on Tuesday evening, April 12 at 8 p.m. at the home of Mrs. D. Houck, with Mrs. Carl Walker as convener. The motto will be taken by Mrs. H. McCague. The Roll Call-Name a Farm Boy or Girl who became famous. Election of officers for 1960-1961 will also be held. Hostesses: Miss M. Sanderson, Mrs. A. Orr, Mrs. F. Donnelly. All ladies welcome. Home and School

The April meeting of the Park committee would like the residents of the community to send in the names and addresses of relatives and friends who used to reside in Victoria Square, in order that they make preparations for the old home week in July.

Teach How To Weed Spray At Farmers' School

With chemical weed control increasing rapidly, the York County Crop Improvement Association each year conducts a one day school or course for custom spray operators and farm sprayer owners, under the direction of Frank Marritt, county weed inspector. This will be held in the Agricultural Board Room at Newmarket on Wednesday, April 13th, before farmers get on the land.

Agricultural Representative W. M. Cockburn says the programme will include Dr. C. M. Switzer of the O. A. C. Botany Department, on weed killers, including new pre emergence chemicals; John R. Ogilvie, Specialist in Agricultural Engineering at Newmarket, on sprayers and adjustments; weed identification and general recommendations by Frank Marritt.

The Agricultural Committee of York County Council has again authorized a similar meeting later on for municipal road authorities, to deal with their specific problems. These schools have done much to keep down the weed menace in York County.

NEWMARKET: Curling operations at the rink of the York Curling Club have been suspended until further notice, following discovery the structure has become unsafe. Frost has apparently attacked the foundations of the supporting pillars which in turn caused cracks in the roof's cross members.
