Maple Notes

Spring? Hah!
Lyn James spied a big fat robin out her window when we were using the "Bell," so let's hope he doesn't get discouraged but encourages the sun to be less timid about giving off a good shine.

(P.S. As this is being sent in to "The Liberal" it's snowing out — large sigh!)
Monthly Round Up from A Pack:
1st Maple "A" Pack Cubs received his 1st Star.

Doug Roberts was presented his 1st Star and David Reid his house orderly badge.

A combined meeting with Scout Troop was held March 29, on the occasion of a "Going Up Ceremony" in which Wolf Cub Doug James went up to Scouts. After this ceremony the cubs enjoyed a very interesting and constructive talk by Scout Master Jack House, comparing work done in cubs with that in Scouts and stressing how these things they learn in cubs can be very useful and helpful for the rest of their lives, both in work or play.

Before going home, the cubs joined in a very lively game with the scouts.

New Wolf Head
The Scout Ladies' Auxiliary had donated a real Wolf Head to the Cub Packs. On the occasion of Doug James "Going Up" into Scouts and thus his last night as a cub — he was given the privilege of being the first to use the Wolf Head for the Grand Howl. Thanks to the Ladies from all concerned and it proved to be a highlight of the evening.

We would like to welcome Mrs. Barbara Downey to A Pack where she has offered her services as assistant to Akela Betty Rumble and Baloo Lillian Reid.

Support Cancer Drive
When you realize how much research has yet to be done and that you can help make it a reality by welcoming your canvasser and giving to the Campaign — doesn't it all seem worth while?

Fun Party
Joan Hodgson hosted a mixed party of guys and gals last Saturday night. Those joining in the fun and getting in some practice a la Arthur Murray, were Helen Spencer, Julie Wehman, Marilyn Brice, Bill Robson, Michael Weir, John Cringan and John Cleworth.

Now let's see this group take the lead and encourage others to follow when toes start tapping to the swinging beat (or will it be rock'n roll? — come Saturday afternoon after the Junior Bowler League wind up their season with a banquet at the Community Hall at noon.

Watch For Top Bowlers
The winning teams and individual champs will be listed next week when the Junior League and the High School Team, — in bowling that is — have completed their 1959-60 season.

Not The Time
Hi there Hilda Miller, (Mrs. George) this 't the proper time for such things so we're all pulling for you and know you'll be right back on top before very long.

Leaping Wolf Recognition
At Thornhill High School, Friday, April 8, at 8:00 p.m., those Scouts who have earned their Leaping Wolf Badge (the only badge worn by a Scout that he earns as a Wolf Cub) during 1959, will receive public recognition by the presentation to them of the Leaping Wolf Certificate.

Policeman's Lot Is A Happy One
By Toby Shore
Having dropped my husband Len off at the Union Station en route to Montreal, I started the trek back to Maple and as I turned along Yonge Street, my nerves were shattered to see a motor cycle policeman appear from nowhere and wave me over to the curb. Lowering my window and mentally checking if I had my license, if the lights were on, and thank heavens the brakes had been re-set that day, I heard this very pleasant type say — "Did you know your door wasn't shut tight?"
Wow — Hastily explaining I had just slid over to take the wheel after letting my husband out and hadn't thought to check the door, he asked to see my license. Upon producing same, he asked me my present address and I said Richmond Street, Maple — where upon he started to ask me if I knew "so and so" in Maple and proceeded to discuss the beauty of surrounding country side etc. Then, with a friendly — "Well, it's been very nice chatting with you, have a safe trip to Maple" and weakly said, thanks and took off.
Guess it gets a trifle boring and lonely riding around at that hour without even a companion in the side car!!
The moral of my story is, — just appreciate your town of Maple — you never know when or where it will stand you in good stead.

Concord Socials
Home and School:
The next regular meeting of Concord Home and School Association will be held at the school on Monday, April 11, at 8 p.m. Mrs. Wearing, our present grade one teacher, will speak on "How to prepare your child for grade one." No parents of a child ready to enter grade one should miss hearing all the aspects concerning this new world their child is about to enter. Also to be discussed at the meeting will be the possibility of sponsoring swimming instruction for school children during the summer months. Refreshments will be served by the mothers of children in Miss Wier's room.

House Of Concord:
A number of prominent guests were on hand to help the boys and the staff of the House of Concord to celebrate their first anniversary recently. Another recent visitor was "Whipper" Billy Watson who spoke to the boys and later treated them to the wrestling matches at Maple Leaf Gardens. On Saturday of last week a group of 60 people from the North York Young Married Couples Club were visitors to hear the programme that is being carried out at the house and to see through the buildings. Lunch was served at the close of the meeting. Another very pleasant event that has taken place there recently was the birth of a nine pound two and one half ounce son, Wesley Malcolm, to Capt. A. and Mrs. MacCorquodale after sixteen years of marriage. Capt. MacCorquodale is very happy to have three new local people as members of the staff, Mrs. E. Smith, Mrs. Mona Davies and Mrs. M. Turner. An open invitation is extended to all groups and associations etc., to visit the house to hear about the work being done for the boys.

Guides and Brownies:
The first Concord Guides were honoured by a visit from Mrs. McTaggart Cowan, District Commissioner for the Thornhill Area at their last meeting. Also visiting the company was Guide Lucille Trudel of first Thornhill Guide Company. Lucille was answering one of the challenges a guide must do to earn her Gold Cord. This challenge was to deliver an illustrated talk on Guiding in some other country. Lucille chose Girl Scouting in the United States and used many interesting pictures to illustrate the difference in Guiding in Canada and Scouting in the States. In passing this test, Lucille was responsible for a very interesting and informative meeting for Concord Guides. The Guides and Brownies of Concord would like to take this opportunity to thank the residents of Concord and Maple for the many cookie orders that helped to make our Cookie Day a success.

Brownies Lynda Baillie, Danell Day, and Darlene Williamson passed their House Orderly badge exam at the home of badge examiner Mrs. Iris Orr.

House Orderly Badges - Barbara Pawlowski and Gale Morrison.
Passed Toy Maker Badge - at Mrs. Tom Allin's, Danell Day, Dianne Smith, Darlene Williamson and Valerie Simmons.

Cubs and Scouts
The First Concord Cubs and Scouts Mothers' Auxiliary held their regular monthly meeting at the home of Mrs. Viola Wood, Dufferin Street on Monday evening March 28. After the business for the evening had been dealt with the members enjoyed four tables of court whist. Prizes were won by Mrs. Peggy Wiedeman, Mrs. Tess Haines, Mrs. Helen Kentner and Mrs. Marion Bateman. Members were asked to come next month to make suggestions on future money making ventures.

Please Note:
The Group Committee meeting originally planned for Thursday April 14, will be held at the home of Mr. Fred Orr Rockview Gardens, on Wednesday, April 13, at 8 p.m. All leaders of Cubs and Scouts are urged to attend this meeting to discuss plans for the camping weekend at Oxtail Camp.

The Scouts are planning a Bottle Drive some time next month to start cleaning out your basements etc. and have them ready for the boys when they come round.

Newlyweds Mr. and Mrs. Art Baker of Hillside Ave. held open house on Friday evening for friends and neighbours who took part in the neighbourhood show or held for them on March 11, at the home of Mr. and Mrs. Tom Allin, Hillside Ave.

When Mr. and Mrs. Ross Knight, Kinghigh Drive, planned to entertain their old friends of the "Adelphi" class of the Walmor Road Baptist Church in Toronto they had the idea we were going to have snow for some time. However when Friday, April 1st, came along, spring had sprung and there was mostly mud around. Mr. Bert Witty came to the rescue and hitched the team to the wagon and the party enjoyed a slightly off season hay ride instead. While refreshments were being served at Mr. and Mrs. Knights later, all agreed that a very pleasant evening was spent in spite of the lack of snow.

Other friends in Concord with an eye on the weather, are Mr. and Mrs. Amos Baker who report that the sap is late in starting to run this year in their Maple Bush. Although the yield does vary from year to year we hope that weather conditions will be favourable for a good year for them.

Sympathy is extended to Mrs. Roy Smith and Mr. Jack Bateman on the death of their grandmother Mrs. Bateman.

By the time you read this Mrs. Isobel Burlington, Hillside Ave., will be home from the Branson Hospital and we hope, feeling much better.

Mrs. Allen Poole No. 7 Highway West is feeling better since returning from Western Hospital after undergoing eye surgery.

Mrs. Emily Smith of Dufferin St. is resting at the home of her daughter Mrs. George Dice-man while recuperating from a fall in which she suffered a badly broken knee cap.

Miss Lanny Day, Rockview Gardens, entertained some of her friends at her tenth birthday party recently. Guests included Misses Maureen Bone, Dianne Smith, Monica Jandrasch, Rosemary Wilson, Tina Voigt, Barbara Orr Nancy Russell and sister Danell Day.

Birthday greetings to Patricia Keffer who will be 2 years old on April 6, and to Carole Keffer who will be 14 on April 5.

David and Elizabeth D'Each of Baldwin Ave. have the chicken pox. Zillah and Edward Witney of No. 7 Highway West are recuperating at home after a joint tonsillectomy.

Also recently passed from her tonsils is Miss Gwen Nuttal of No. 7 Highway East.

Anyone interested in joining the run with the Concord bowlers for the next fall season should contact Mr. Al Whaley AV. 5-2332 or Mr. Fred Rumney, AV. 5-1920 some time before the first of May.

Mr. and Mrs. Fred Orr of Rockview Gardens wish to apologize for any inconvenience caused to their neighbours on account of the number of cars parked near their home on Saturday evening of last week. Sorry folks, but how can you have guests without cars?

Mrs. Ruth Keffer of Rockview Gardens would like to invite all of her former friends to begin calling her again now that she is no longer writing for the Liberal. Wonder where that leaves me?
