Dog Uncontrolled Owner Is Fined

Mr. Raymond Beale, Patricia Drive, King City was convicted on a charge of allowing his dog to run at large, not under control of any person, by Justice of Peace Pat Kelly last Thursday in Newmarket court. Mr. Beale was fined \$5 with costs about \$9.

The charge had been laid by Chief Constable Harold Russell for King Township and Mr. George Lawrence, Clearview Heights, acted as witness in what was considered a test case to define what was meant by "control."

Beale pleaded "not guilty" on the grounds any time his dog was out, the animal was accompanied by Mr. or Mrs. Beale. A Clearview Gardens neighbour, Mr. Lawrence, admitted the dog was not alone, but said he had seen it running at large, not controlled.
