EASTER SUNDAY SERVICES

Easter should have a deeper meaning for all of us other than the heralding of spring weather, school holidays or shopping for that smart new outfit topped off with a gay bonnet.

It is indeed a time of spiritual joyousness and a time for reflection and a renewal of faith in "Him — Who Is Risen".

The churches in Maple are holding special Easter services on Good Friday and Easter Sunday. Take this opportunity to attend your church or that of your neighbor — it is you who will benefit most.

St. Stephen's Anglican Church
St. Stephen's Anglican Church, with Dr. Ramsey Armitage, will hold a Good Friday service at 10 a.m. and two services Easter Sunday at 8 a.m. and 11 a.m.

St. Andrew's Presbyterian Church
St. Andrew's Presbyterian Church, with Rev. B. F. Andrew, is holding Good Friday service with St. Paul's church on the 7th concession at 11 a.m. On Sunday at 11 a.m. at St. Andrew's Church, the choir will be offering special Easter Music with Mrs. J. C. Cooper guest soloist.

Maple United Church
Maple United Church, with Rev. H. W. Davies, will have a

AURORA — The liquor vote which swept in liquor and beer stores by a vote of 1,707 to 947, but trounced dining rooms, cocktail lounges and women's beverage rooms, brought out the largest vote in the town's history. Over 2,700 people went to the polls — 75.3 per cent of the estimated total eligible voters. Aurora has been dry since 1916.

Maple Notes

Mothers Be Forewarned — Just about the time "The Liberal" hits the street — Easter holidays are about to commence. All we can ask is that maybe the mud will have dried up, at least almost, by then.

While Michael Weir has a few days to himself, this would be the time to call AL. 7-1513 and have Mike see about delivering your "Liberal" to your door — each Thursday as a convenience to you.

Happy Easter everyone and we hope you have your street number up so the Easter Bunny can find you!

Maple Branch, Canadian Cancer Society
With this month set aside for the Cancer Campaign, we are reminded to protect ourselves with a check-up and assist in helping research and treatment for others (as well as ourselves if need should arise) by giving a cheque.

As we said, April stands out, as we are made aware through press releases and medical reports, of the need to support this tremendous undertaking. With each passing year, great strides are taken in research and our hopes rise high as we look to that day when a cure can finally be realized — but right now its our money that will give the biggest boost.

With the turn of each new month your representatives, the Maple Branch of the Canadian Cancer Society are actively engaged in providing the care and supplying the needs of this district.

Family Observes Christening And Triple Birthday
On Sunday, April 3, 1960 at St. Matthias Anglican Church, on Royal York Road, Toronto, Little Janice Marie Schillace, daughter of Mr. and Mrs. Alfred Schillace, Railway Street, Maple, was christened.

Following the ceremony, Janice's grandmother, Mrs. James Speed, was happy hostess for a dinner and party at her home in Toronto.

The party was to celebrate the birthdays of the three Schillace children all born in April — and all born on a Monday! Johnnie, was 3, April 8 and Judy will be 2, April 21st and Janice will be one year old April 20.

Out of town guests on this happy occasion were Mr. and Mrs. Leonard Larry, Raymond Larry and Mr. and Mrs. Douglas Taylor and family, all from Peterborough.

ALWORTHY PROJECTS have a pleasant social side along with the required "labor". So it was that on April 6 Mrs. Betty Bigford, Mrs. Lil Smart and Toby Shore, as executive members, and Betty Hodgson of Women's Services, served Saturday night supper to patients at the hospital of Princess Margaret Hospital, Toronto.

Casseroles, salads, desserts, etc., had been prepared by the Maple Branch executive and these four ladies were privileged hostesses. Such things usually tend to more or less backfire! While you are planning pleasure for some one in less fortunate circumstances, it turns out to be difficult to ascertain just which one receives the greatest pleasure.

This is yet another example of how the community is served through the willing hearts and hands of the members of the Canadian Cancer Society.

Make it a pleasant choice and receive the canvasser when he or she calls on you, in like spirit.

Sir Ernest McMillan, Speaker
Local resident R. J. Cringan has noted that several alumni of the Faculty of Music, are likewise local residents of Maple and district. As president of the Faculty of Music Alumni Association, he (Bob Cringan) would like to pass on this invitation to all fellow members to attend the annual meeting to be held April 18, at 7:30 p.m. at Hart House.

A most welcome and respected guest speaker, Sir Ernest McMillan, will have as his topic "Patronage and the Arts".

If an alumnus, you won't need urging to attend and hear Sir Ernest.

Easter Thankoffering Service
St. Andrew's W.M.S. held their Easter Thankoffering service in the Presbyterian Church Wednesday evening, April 6, with a good attendance. Guests were present from the local churches as well as from Woodbridge, King and Richmond Hill Presbyterian Churches. The president, Mrs. E. Magee led in prayer and scripture was read by Mrs. J. Scott. Offering was received by Mrs. G. Ingram and Mrs. V. Orr. A solo was sung beautifully by Mrs. J. C. Cooper ably accompanied by Mrs. E. Wade.

The guest speaker for the evening was Rev. John C. Cooper who is a local resident and is attached to the Home Mission Board of the Presbyterian Church in Canada.

At the close of the meeting a very pleasant social time was enjoyed in the Sunday School room with Mrs. R. Robson and Mrs. C. H. Snider presiding at the tea table.

Hobby Gaining Interest
Ray Thompson spent last week end in Montreal where he read a paper at McGill University, to the national meeting of the Royal Astronomical Society of Canada. While there he visited the observatory of Montreal Centre, and altogether thoroughly enjoyed the week end spent "talking shop" with men of a similar interest — astronomy.

In Ice Carnival
Woodbridge Memorial Arena held its annual skating carnival on April 8 and 9. Once again Sheena McDonald took an active part and appeared in two numbers. The costumes were bright and attractive and all in all it was a "good show". Perhaps this coming winter other skating enthusiasts would be interested in joining this group — it's exciting and lots of fun — just ask Sheena! There I Was Stuck!
Believe me, when I say the shoulders are soft opposite the United Church, I really know!
Coming out of church Sunday morning, I overheard several people mention the car across the road really looked as if it was sure stuck — and some even sympathized with the poor guy!
However in no time it was quite obvious the "poor guy" was Toby Shore, and just as obviously, the car WAS stuck.
Don't let anyone tell you neighborliness is dead! There must have been at least eight men offer-

CONCORD SOCIALS

A number of residents of No. 7 Highway report having hubcaps etc., stolen from their cars. One person also had gas stolen from his trucks recently. We would probably be well advised to make certain that all car keys are removed so as not to make it possible to have our cars the next thing on their list. It would be a good idea too if we were to investigate (from a safe distance of course) any unusual noises or the sound of dogs barking late at night and telephone the police so that they may have a chance to apprehend the culprits at the scene of the crime.

Concord Community Ratepayers
Thursday, April 7, was the night for the regular monthly meeting of the ratepayers association but unfortunately it was also the night for the National Hockey League play-offs on T.V. We won't mention how few turned out for the meeting, but to give you a good idea, no business was transacted. Lets hope the hockey games will be over in time for the next meeting to take place sometime in May. As the association is planning on having a member of the Vaughan Township Area School Board as their guest speaker, watch for more news about this important meeting. One of our well known ladies in Concord, Mrs. R. M. McLean, Kinghigh Dr. will be appearing on the Weedy Hirus programme on channel three on Thursday, April 21, at 3:30 p.m. Chatelaine magazine is publishing one of Mrs. McLean's articles in their May issue. This one is entitled "How to build a house while living in it" and should prove more than interesting to many of us. We may even be able to laugh a little, now that most of the ordeal has been accomplished. A few of us who cannot get channel three on our sets are planning to get together at a friends house who does. Maybe we should plan a Marg. McLean T. V. party. Fortunately the McLeans decided to have their family bout with the flu over and done with last week so that Marg. could be free to be on the programme.

Cubs and Scouts
Don't forget to start saving your empty milk, beer and pop bottles for the Boy Scouts who are planning on a collection sometime soon.

Guides and Brownies
Guide Captain Mrs. Elva Whaley and Lieutenant Mrs. Elizabeth Baile along with Brown Owl Mrs. Barbara Fraser and Tawney Owl, Mrs. Loreen Simons attended the Jubilee Dinner commemorating fifty years of Guiding in Canada which was held at Yangtze Pagoda in Richmond Hill. The highlight of the evening for them was when Guide Victoria Watt of Concord was presented with the Gold Cord by Mrs. D. R. Gunn, Deputy Provincial Commissioner for Ontario. Also proud to be present at the dinner were Vickie's parents Mr. and Mrs. Robert Watt and sister Lynda, also a Concord Guide. A great deal of conscientious work and study must be done by any Guide to receive this high honour and Concord should feel very proud to have a Guide like Vickie who is now a Captain in one of the Thornhill Companies. Congratulations and keep up the good work Vickie!

Sorry to have to report that Guide Captain Mrs. Elva Whaley who was feeling quite ill while attending the dinner has been confined to bed with a pneumonia ever since. Therefore the treat planned for the Guides for their energetic work during the "cookie" drive will have to be postponed for a little while.

Other hard working girls in Concord are Brownies Valerie McClymont and Maureen Bone who have just passed their Golden Hand at the home of Mrs. Douglas Keffler, Rockview Gardens.

Home and School
By this time those of you who attended the Home and School Association meeting will be wondering how I could have been so far off the track when I wrote up the details of the programme in the previous issue. Well it happened that the executive decided at the last minute to have an entirely different programme and it was too late to change the announcement. And as the news goes into the Liberal on Monday afternoon and the meeting takes place on Monday evening those of you who missed the meeting will have to wait until next week to get just what the programme was about.

Some lucky people in Concord are planning interesting trips during the Easter Holidays. Mr. and Mrs. Warren Shakespeare and Peter and Paul of Southview Dr. left for Florida on Thursday of last week to spend the month of April. Mrs. Fred Voigt No. 7 Highway east is taking her three daughters to visit relatives in Camden, New Jersey, leaving father and two brothers to batch it at home.

Miss Karen Whaley No. 7 Highway west is planning on spending Easter weekend at the home of Miss Lynda Keffler at North Bay, Lynda is the daughter of Mr. and Mrs. Stan Keffler, former residents of Concord. Planning on a long visit to England is Mrs. Jean Cross and daughter Karen of Vaughan Blvd. who will be leaving on April 21 and returning in September. Daughter Sandra will join them in July. Bon Voyage folks.

Apparently isn't too early to start planning on a long camping trip for this summer according to the Warren Baileys who are busy pouring over maps etc., in preparation for a trip to somewhere on the Atlantic Ocean. Sounds like fun doesn't it?

Bruce McClymont of Baldwin Ave., entertained friends at his ninth birthday party on Saturday, April 2nd. Enjoying the mov-

ies shown by Bruce's dad were Russel and Lynne Bateman, Jimmie Mills, Ronnie Kentner and John Armstrong. Mrs. Earl McCutcheon, Lawrie Rd. is recuperating at home after her recent operation. Mr. John Ver of Bradford and Mr. George LaBance of Thornhill called on Mr. John Witney on Saturday.

Congratulations to Mr. and Mrs. Harry Bisson, former residents of Concord on the arrival of their son Jay, on March 31. Proud grandparents are Mr. and Mrs. H. Bisson, Kinghigh Dr. and Mr. and Mrs. Albert Lapping, Dufferin St.

Welcome to Mr. Billy Ash who has moved from Edgeley to the home of his Aunt and Uncle Mr. and Mrs. Percy Ash No. 7 Highway West.

Mr. and Mrs. Lionel Gilbert and Jean and Lynda of Vaughan Blvd. spent the weekend at Guelph where Mr. Gilbert was taking part in a Civil Service bowling tournament. The banquet that followed was held in the new Physical Education building at the Ontario Agriculture College. After the dinner the guests were encouraged to tour the building and use or take part in the many possible activities available. The Gilberts enjoyed some dancing while Jean and Lynda tried their hand at table tennis, shuffle board etc. Some of the Gilberts even tried out the trampoline and the trapeze. Sounds like a very active weekend. Hand me the liniment mother.

Mr. Warren Baile of Concord-west who is the vice president of Parents Action League of Ontario was the guest speaker at Hume-wood Home and School Association in Toronto on Tuesday of last week. Mr. Baile spoke of some of the problems facing our communities as a result of sex crimes, and some of the ways in which Parents Action League - a young organization but one with great hopes and aims - is planning to help solve them. Organizations in our community would be well advised to avail themselves of Mr. Baile's service as a speaker from the P.A.L. for future programmes.

NEWMARKET — The Town auditor presented the financial statement for the year ending December 31, 1959, to council on Monday evening. The year ended with a surplus of only \$2,194 on a total revenue of \$925,114. This was in marked contrast to the close of 1958 when a surplus of nearly \$24,000 was recorded. Tax arrears for 1959 amounted to \$97,411. Perhaps the only bright spot in a clouded horizon was the \$1,316,000 debenture debt outstanding — the lowest figure since the end of 1956.

Dads are learning fast about low net cost life insurance, too

Arithmetic can be fun, especially if it saves you money. If you do a little arithmetic with your Mutual Life of Canada man, you'll find it can save you a great deal of money. The saving arises from the big dividends you get from The Mutual.

The cost of your life insurance depends on dividends you receive.

Leadership... through an outstanding dividend record
