Good Show Bill!

Bill Scrivener popular Richmond Hill Senior Citizen is caught by the camera as he throws a stone at the local curling club. Mr. Scrivener who is active well beyond his years was curling with the St. Mary's Anglican Men's Club. — photo by Lagerquist

**Richmond Hill High School
Sports News**

It just shows that some days it hardly pays to get out of bed at all. Mr. Bill Babcock was rehearsing for Athletic Achievement Night by wrestling with Wayne Richardson for a "Return of the Masked Marvel" affair. Wayne heaved just a little too hard and Mr. Babcock is now suffering with torn shoulder muscles. Like we say, some days it just doesn't pay.
The news from the school this week is anything but cheerful and continues to read like an agony column. Diane Hayes, girl athlete extraordinary, was footing around on a box horse when somehow it up and threw her. Diane suffered a leg injury that was at first thought to be a leg fracture. It turned out that it was another case of badly torn muscles and Diane will be back in action after a brief rest.

R. Hill Mercantile Hockey League

In a fast hard fought final game, Craigies came from behind to win the 3rd game of the best 2 out of 3 set, sparked by the fine play of Phil Nicholas and Jake Smith who scored 3 goals between them, they came on strong in the last two periods to win 7 to 4.
Allencourts who were short-handed through injuries in this game never stopped trying and were very good in a loosing

DONCASTER

Correspondent: David Barbour
Henderson Ave.
Phone AV. 5-5205
Congratulations are in order for Mr. Don Heer, and to the little hockey team, the Jets, which he coached, on winning in their league for the second straight year. Members in Doncaster on the team are: Bill Menzies Jr., goalie Wendell Mazlow and Gerry Greenham, who has since moved away.
Lloyd George and his Rangers unfortunately were the victims. Birthday wishes go out to TWINS Dianne and Dorothy Gain, of Henderson Ave., who celebrated their seventh birthday on Friday, April 8.
Friends and neighbours of Mrs. Vautier, Sprucewood Avenue wish her a speedy recovery from the appendectomy she underwent last Saturday.
Michael Curry, of Clarke Ave., underwent an appendectomy also last Saturday. Both were admitted to Branson Hospital.
On Monday, April 4, Miss Doris Bonnick, 75 Morgan Ave., returned home from the Women's College Street Hospital where she underwent surgery on her ear a week previously.
The Doncaster Community Ladies Club will hold their second copper-tooling class on Monday, April 25, at 8 p.m. instead of April 18 as formerly planned. The class will be held at Henderson Ave. School.

Richmond Hill Minor Hockey League

The young tads from the hockey school put on a display of their newly acquired hockey talents last Friday night and the antics were a joy to behold. The young hockey hopefuls have been used to playing late on Saturday afternoons when the ice is well cut up and sharp skates are a detriment rather than a help. On Friday night they were playing on a new ice surface with their dull skates and the results were, at times, a panic.
When the gate was first opened about thirty gnomes, dressed in full hockey regalia, went out onto the ice to do battle. Within ten seconds bodies were strewn from one end of the arena to the other as the players slied and slipped in gay abandon. All this havoc with never a body check being dish out.
The first game saw the Little Marlboros' and Little Teepees battle each other to a scoreless tie. Some new problems arose for coaches during the fracas. Jim Buckley had a defenceman fall and hit his ear on the ice. Copious tears were shed as Jim tried to console his six year old defenceman and was somewhat baffled as the book just doesn't cover a situation of this kind.
There were several close calls on both nets as goalies were so hampered by pads that they found it almost impossible to move to block a shot. Things ended up nicely because forwards and defenceman couldn't shoot too accurately and it all went to provide a spectacle that was amusing and entertaining.
The next game had the Little Reds going against the Little Bisons and the Reds scored once to beat out the Bisons by a 1-0 score. Tommy Bettles scored the lone goal of the contest as he managed to push the puck into the Bisons net.
The Uplands Golf Club Putters played host to the Newmarket Squirts and lost to the Newmarket team by a 5-3 count. Putters goals were scored by Ron Gibb and Dave Broderick while the third goal was scored by Gary Methe assisted by Jimmy Wilson and Dave Lund. This was Dave Lund's first game with the Putters and he impressed with his hockey ability.
Port Hope provided the opposition in the Peewee division and defeated the Richmond Hill Hornets 5-4. The Hornets carried the play to Port Hope but defensive lapses on the part of the Hornets gave Port Hope 3 goals that Hornet net-minder, Bill McVean, had no chance on.
Phil Dobbs lead the Hornet scorers as he fired two pucks into the Port Hope net. Rich Chalkin and Gary Charity scored one each for the Hornets.
To-morrow night is the end of hockey activity in Richmond Hill this year. All games played to-morrow night will see championships decided in four divisions. The Jr. "A" series has Mills & Hadwin Biltmores going against Victoria Orange Home Flyers while the A. H. L. group has Al's Cycle & Sport Bears pitted against Young's Service Station St. Mikes. The N. H. L. championship will be decided between Fire Fighters Canadiens and Town & Country Americans while Wimbridge Cleaners and Birrells Chevs play for the Minor League championship.
At the conclusion of each game trophies will be presented to the winning team and individual trophies to leading scorers etc. will

be presented. The show starts at 7:00 p.m. so even if you haven't been to the arena all year make this night a must.
Coach Earl Methe took his Putter team to Bradford on Saturday for the fourth game of the season with Bradford. Bradford won this one 2-1 to give each team 2 wins over the four game series. In all four games the final score has been 2-1 to give some indication of how evenly matched the teams are. Gary Methe scored the Putter goal with Jimmy Wilson assisting.
The Putters will play their last game of the season in Richmond Hill to-night against a team from Scarborough as they continue to prepare for the Brampton Squirt Hockey tournament. Richmond Hill goes against Simcoe at 10:00 a.m. on Tuesday, April 19th and again at 5:30 p.m. This is a goal to count series and the successful team plays two games the following day or until eliminated from the tournament. Lots of luck, Earl, and here's hoping your team is very successful but win, lose or draw it should be an entertaining and novel experience.

Hockey Results
**Fire Fighters Canadiens 7
Jones MacKay Red Wings 3**
Canadiens hit hard and fast in this game as their first line scored 4 goals in the first five minutes of play to demoralize the Red Wing team. Nick Chapman scored once, George Lusignan and Gerry Rice twice each and Dino Tsinonis and Ed. Dennis scored singles. Steve Saunders, Doug Bridges and Jack Madden scored for the wings as Canadiens took a four goal lead in the 2 game goals to count series.
The second game of this series saw the Wings score 4 and the Canadiens 3 goals as the Canadiens won the round by a 10-7 score and eliminate the Wings from playoff competition. Clayton Chapman scored once for the Wings while Steve Saunders scored 3 to come up with a hat-trick. George Lusignan scored all three Canadian goals.

Al's Cycle & Sport Bears and Youngs Service Station St. Mikes battled to a one all tie in the opening game of their two game total goals to count series. The two teams now go into the final game all even with one goal each. Paul Sullivan was the Bear goal getter while Rich Ringer produced the St. Mike tally.
Mills & Hadwin Biltmores opened their final series against Victoria Orange Home Flyers and steamrollered Flyers by winning 8-1. They now carry a seven goal lead into the final game of the series to decide the Jr. "A" championship.

Scout News

1st Richmond Hill Cubs are looking forward to a camping weekend May 13, 14 and 15th. The outing will be held at Ox-trail Camp near Orangeville and all Cubs over 9 years of age are eligible to attend.
The group committee headed by Ernie Madden met on Sunday, April 10th at Scout Hall with most of the discussion pertaining to the camp. "Akela," Danny Crampton and assistant M. Graham attended and announced the programme planned for the boys. The weekend should be jam-packed with fun and excitement for our junior scouts.
"B" Pack loaded themselves into several cars at Scout Hall, Friday evening and were wisked off to Thornhill Collegiate. Here they attended the "Leaping Wolf Recognition Ceremony" for York Summit District, Lakeshore Region. This is the ceremony in which the cubs are presented their 2nd stars. None of our cubs were eligible at this particular date. After the show was over the boys were all driven to their homes by Akela and his assistants.

STOUFFVILLE — Mrs. Bert Galloway, former resident of Clarendon now living in Whitby, is recovering in St. Michael's Hospital, Toronto, after undergoing a skillful operation in which a new valve was inserted in the heart.

**AERIFY YOUR LAWN WITH
LIGHT RICH BLACK PEAT**
LOAM
APRIL and MAY
is when life-giving sun rays penetrate deep in the ground. You could help this process greatly if you loosen the surface of your lawn with a rake, and then cover the area with Peaty soil. If your lawn needs seeding, spread the seed over the raked area, and cover with 1/4 to 1/2 inch Peaty soil. If your ground becomes dry sprinkle often with water and keep the soil moistened until your lawn is green.
In letting nature do the work you will enjoy seeing your garden and lawns being built with your added ambition.
ELGIN MILLS LOAM & SOD CO. LTD.
AV. 5-1514
Rich, Black Peat Loam - Sandy Loam - Well Rotted Manure Peat Moss In bags and bales.
Lawn Seeds, straight or blended.
SUPPLIED AND DELIVERED IN SMALL AND LARGE QUANTITIES
SOD
We have freshly cut home-grown sod daily. If you wish to lay sod yourself we deliver, and we will lay it for you at a slight nominal charge. Guarantee life to newly laid sod. Place from 1/2" to 3/4" peaty soil under the sod before laying. After laying the sod, water daily, and only when the air is cool. You will then have a beautiful lawn.
