VACUUM-CLEANS YOUR LAWN! The New Toro Whirlwind cuts grass as no other rotary does—with a new "Wind Tunnel" action that freezes each blade of grass upright for a crisp, clean cut... then blows clippings into the bagging attachment.

And not only does this revolutionary mower bag your grass clippings, but also leaves, twigs, lawn litter—all are sucked up by the Whirlwind's super-vacuum and deposited in the bag for easy disposal.

The secret is inside the Whirlwind's unique housing—an exclusive Toro design. It has none of the indentations and corners that cause ordinary rotaries to form clumps—clippings have a clear track to be blown into the bag or dispersed uniformly over your lawn!

3-season worksaver! Use your new Toro Whirlwind for spring clean-up, summer mowing, fall leaf disposal! Come in for a free demonstration!

Several enthusiastic amateur photographers are hoping to form a Camera Club in the Hill and would like to hear from anyone who is similarly interested. The forming of such an organization where all lovers of photography may exchange ideas and techniques, will be quite an asset to the community, and a call to TU. 4-5212 will furnish further details.

Mr. and Mrs. Robert Ross of Centre Street West, had an extra happy Easter Sunday. Their son Bob, who has been in hospital since his accident seven months ago, was sufficiently recovered to be home for a one day visit. Our readers will, we know, be as delighted as we are at this encouraging news.

Medhurst, read several messages of appreciation for cards and birthday cake sent to sick and shut-in members. Mrs. Wm. Medhurst spoke about the Day Centre which is becoming an increasingly busy place each week-day afternoon between two and five o'clock. There is a gentleman on duty each afternoon to welcome members who drop in for a game of cards, a friendly chat, and a cup of tea. On Mondays the ladies turn out in good numbers to do whatever type of handiwork they wish, and many are learning to weave under the expert guidance of Miss Janet Hall.

Mrs. P. Sparks is interested in rounding up all the ladies who like to play cards or other games, and is planning a special "get-acquainted" day for them on Wednesday, April 27th.

Following a short business meeting the group was delightfully entertained by Miss Lois Perkins who presented a most enjoyable and varied half-hour program of recitations and songs accompanied at the piano by Mrs. Charles Harding. The members also had time for several games of bingo; the winners being presented with chocolate bunnies and eggs from the colourful basket of the "Easter Bunny" in the person of Mrs. Gordon Langley. Davis, M.A., D.D., General Secretary of the M.S.C. will address the congregation of St. Mary's Richmond Hill. The regular monthly meeting of the Richmond Hill Women's Institute was held on Thursday, April 12, with 27 members present. There were quite a number of absentees owing to illness. The W.I. hope all will be well enough to take part in the interesting program arranged for the May 12 meeting.

A conducted tour through the Sterling Drug Manufacturing Co. of Aurora will be featured. A bus will leave the library building at 1:30 and the charge will be a reasonable one.

It is hoped all members will be on hand. Refreshments will be served at the library on their return.

The new slate of officers has been elected. Mrs. H. Sanderson will be president for another year. The installation ceremony was capably handled by Mrs. Grace Sayers, one of the life members. The entertainment part of the program was most enjoyable. Mrs. Bessie Gardner of Buttonville W.I. gave a clever imitation of Grace Field's and two other humorous readings. The roll call indicated the members had enjoyed the various activities throughout the year. The bank balance is not as large as last year but there have been more calls for charitable causes to which the Women's Institute has been happy to contribute.

Willy Blok Hanson Dance Concert

Above is the exotic Willy Blok Hanson whom Richmond Hill and district residents may at last see dancing in person this Friday night, April 22nd, at the Richmond Hill High School auditorium, when Willy Blok presents a "History of the Dance". A few tickets are still available, but it looks as if this benefit night (proceeds to Toronto and North York Humane Society) will be a sell-out.

On Friday, April 22, at 8:15 sharp, the curtains will open on the Richmond Hill High School stage, to show the public in Richmond Hill what can be accomplished in two ten-month seasons with pupils who take instruction in the art of movement at the Willy Blok Hanson Studio (Richmond Hill Branch), 6A Levedale Road.

With only one hour a week training, the children's bodies are made supple, are strengthened, false muscle-tensions are released and the result is a more harmoniously-moving child who displays confidence, imagination and determination.

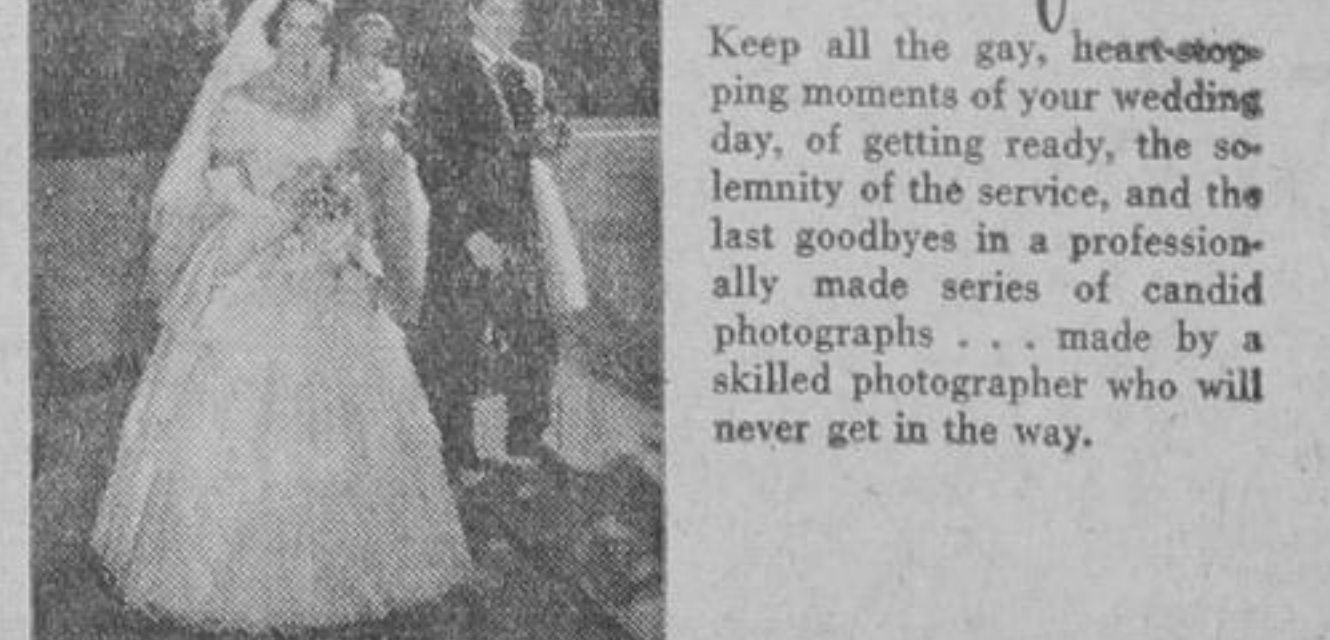

Beside beginners, who find it hard to co-ordinate, concentrate, move rhythmically, a few pupils will be shown who have had training during four to eight years.

The refined, cultured movements of such as these can hardly be imagined, it has to be SEEN. The girls' ages differ from 12 to 16. There will also be a few home-makers performing, who know that there is "no old age, only neglect". A special "mother-and-daughter" class will be shown, which makes for better friendship in parent-child relationships. The program opens, however, with a History of the Dance, treating dance forms from primitive and ancient times until contemporary and modern classical dancing. Among those also featured in the show are Susan Tilt, Rosemary Ross, Peggy Reid, Eve Harwood, Margaret Queen, Donna Armstrong, Susan Sally and Kathy Kaye, Marney Miller Marney Troyer, Jasey and Susan Griffin, Marilyn Barnes, Marilyn Schell, Lyn Temple, Gail Frise, Elizabeth Green (Keswick), Vicky Cleworth, Frances and Gilda Larusso, Eve Dodge, Janet McLennan, Janet and Helen Wilson, Dianne Wookley, Kiki Brennan, Nathalie McPharlane, Donna Bridge, Karen Lake, Louise Schwartz, Virginia Redelmeier.
