### Hockey Assoc. Needs Help

The annual meeting of the Richmond Hill Hockey Association takes place this Sunday at 2 p.m. at the Lions Hall, when officers for the coming year will be elec-

New blood is urgently needed to fill the many vacancies and new positions open. Too few people are carrying the load. Officials such as Tubby Barrow, John Gropp, Ted Dobbs, Eric Charity, Fred Waters and many more have been doing the work of two, and sometimes three people. It's just too much to expect a man to coach and mangage a teamplus being secretary, or vicepresident, or a league convenor....Many hands make light work! Hockey experience is not necessary. Publicity, secretary, league convenors are but a few of the jobs

If the parents of Richmond Hill want to see the hockey association continue to grow and prosper, they must help. So come on Dad - and Mother too - come .... but offer your services that next year the hockey league your boy plays in will be the best in the country.
