

The site of an old pioneer trading centre became a place of business again last Saturday when W. L. Clark, Warden of York County, officially opened the new Weall and Cullen Garden Centre on Highway 27 one mile north of Highway No. 7. The land was once a half-way trading post and camping ground for

the old Humber Trail and the farm on which it stands sheltered the rebel-patriot William Lyon Mackenzie after his uprising failed in 1837. Shown with Mr. Clark as he cuts the ceremonial vine barrier are, left to right, John W. Perry, Reeve of Vaughan Township, John A. Weall and Len Cullen.

FACT FOR THE WEEK:

GET RID OF FEAR, SUPERSTITION AND IGNORANCE.

Child Safety Day, May 1 Protect Canada's Assets

500 children, in Ontario alone, die every year, and 2,000 sustain permanent disability, as the result of accidents.

And those accidents happen, not only on the highway, but in our homes and around our homes and playgrounds, in our parks and among our summer resorts. Safety should be recognized as a vital element of health — and to promote CHILD SAFETY — MONDAY, May 1st is to be observed as CHILD SAFETY DAY, across Canada.

The health and safety of our children is one of Canada's most priceless assets — but it is an asset that is depreciated by every accidental injury, and threatened by every unsafe act.

Child Safety means: "An ounce of child care is worth a pound of child cure"....for doctors know that while it is often possible to heal all the effects of a serious illness it is far more difficult to overcome all the effects of a serious "accident" — not only for the victim, but for the one responsible for the accident. Someone feels remorse at every ac-

cident, and remorse often mends slower and leaves more effects than illness.

Don't let human failure — negligence — carelessness — or stupidity cause avoidable accidents.

On May 1st, and every day during the year, don't just remember the slogan, "The life you save, may be your own." — but extend it, through education, by providing the teaching environment which will protect your child for, "The life you save may be your own child's."
