York County W.I. Souvenir Aprons Bring Pen Pals

(By Mrs. R. Stuart)
Mrs. L. Gardhouse, Public Relations Representative of West York Women's Institutes and Mrs. George Watts of Aurora, reported recently that over 400 souvenir aprons were sent last summer, as York County Women's Institutes contribution of souvenirs from Ontario which were distributed at the Triennial Conference of the Associated Countrywomen of the World held in Scotland.
The aprons were made by the various branch members and were displayed at their district annual meeting after which they were packed in individual plastic bags and sent parcel post to the conference. Mrs. Reddick, in due time, received a letter from Mrs. Penny informing her of their distribution.
Mrs. Gardhouse and Mrs. Watt reported that many notes of appreciation have been received by Women's Institute members, who

had pinned their names and addresses to the pockets of the aprons, and many pen pal friendships are now flourishing. All writers told of the very rewarding experience at the Conference, their letters coming from the United States, Great Britain, Holland, Australia, Finland, New Zealand, Switzerland, Norway, Sweden, Iceland, France, Germany, Orkney Islands, South Africa, Southern Rhodesia, Brisbane and the Gold Coast. It is felt that many more letters would have been received, especially from Asiatic countries, had there not been the language barrier.
It was a most thrilling experience for Ontario women to hear from other women in so many different countries.

TEMPERANCEVILLE

Correspondent: Mrs. Milton Wells, R.R. 3 King Phone PR. 3-5239
Several Temperanceville young people attend the Gospel Church Young People's in Aurora. This group is holding a gigantic teen-rama on April 25 at 8 p.m. in the Gospel Church, Aurora.

Home & School
The association had the pleasure of having as program a panel composed of Mr. Boyce, Mrs. Sherwood, Mrs. Flear, Mr. Sharp and Mr. Hutton. Questions asked were: "What Does Your Home & School Association Mean to You? Would You Make Your Suggestions Known and How? What Responsibility Do We As Parents Owe Our Community; How Does H. & S. Affect Your Child; Are You Satisfied With The Present Educational System?" The discussion was a lively one with varied views. Those who have attended H. & S. meetings have benefited by doing so. Those who have been inactive still have much to learn of the association, its purpose and need for existence. Community responsibility goes much farther than just among the children, it entails responsibility to all in the community. Phonetics also were under discussion and the problem of spelling. Miss Simms room took the pennant at this meeting.
There will be a complete change in the slate of officers for 1966-67.

The fun fair will be held on May 20, climaxed by a gigantic fireworks display. A teen age dance will be held prior to the end of the school year. Mr. Boyce, and Mr. Sharp will be in charge with Mrs. Flear as lunch convenor.
An invitation to the Sr. Vellore W.I. on May 3 at 2 p.m. has been received. Miss Ethel Chapman will be guest speaker. On Monday, May 2, a carload or more will attend open house at the Ontario Hospital. In June members will entertain other branches at their meeting. The county rally is held at Vanzdorf on July 14. The annual picnic will be held at Shearon on June 18. Mrs. Fred Hare and Mrs. N. Thompson will assist with serving lunch at the 4-H Home-making achievement day May 14 in Aurora District High School. Each member is requested to bring something to auction at the plant and bulb sale at the May meeting. Mrs. Fred Hare will act as auctioneer and be in charge of the sale.

Mrs. J. Macklin gave an interesting sketch on Alberta. In her report on accidents in Ontario, Mrs. S. Henshaw said there were 225 fatal accidents to those who make their living from the farm; 96 in or around the house and nine children in school and 45 in the playgrounds.
Missionary Sunday
On Sunday, May 1, Missionary Sunday will be held in the Jr. & Sr. groups of Temperanceville Sunday School.
Sunday, May 8, is Family Day or Mothers' Sunday in our churches. Any parents wishing to have their children christened, please contact Rev. Mr. Kennedy.
The 4-H Happy Gang will hold a meeting April 30, to which the leaders' request all members bring the "Cottons May Be Smart" project completed.
W.A. & W.M.S.
Temperanceville W.A. and W.M.S. met at the home of Rev. Kennedy on April 21. Mrs. Wm. Turner was in charge of the devotional. Three beautiful Easter hymns were sung. These were intercepted by Easter articles, and an Easter poem.
The treasurer reported a balance of \$1270 for the first quarter allocation this year is \$125. The missionary for prayer is Miss Florence Taylor.
Mrs. J. Macklin read a summary of the 5th chapter of the study book "Old Patterns and New". Mr. Kennedy closed the W.M.S. meeting with prayer — especially for the disturbed peoples of Africa.

The W.A. meeting was opened by an Easter theme read by Mrs. F. Hare. The proceeds from the oyster supper were set aside in a separate fund for kitchen facilities.
The Strawberry supper will be held June 15.

AERIFY YOUR LAWN WITH LIGHT RICH BLACK PEAT LOAM
APRIL and MAY
Is when life-giving sun rays penetrate deep in the ground. You could help this process greatly if you loosen the surface of your lawn with a rake, and then cover the area with Peaty soil. If your lawn needs seeding, spread the seed over the raked area, and cover with 1/4 to 1/2 inch Peaty soil. If your ground becomes dry sprinkle often with water and keep the soil moistened until your lawn is green.
In letting nature do the work you will enjoy seeing your garden and lawns being built with your added ambition.
