

Richmond Hill's Jaycees Elected Year's Officers

RALPH MARKHAM
Elected Fifth President of Richmond Hill Junior Chamber of Commerce

(by Paul Delmer)

... Thursday, May 5, was annual election night for the Richmond Hill Junior Chamber of Commerce. Following the dinner, the elections were conducted by Harold Barnett. Ralph Markham was elected President; Bob McClellan elected Executive Vice-President; John Hogarth became 1st Vice-President with Jim Sinclair as 2nd Vice-President. Bob Scott becomes Secretary and Cecil Bolton is Treasurer.

Special honours were also conferred on three members with the designation "Toastmaster". They were Colin Burgess (retiring 2nd Vice President), John Hogarth and Keith Jen-Marie.

Fifth Year
Now in its fifth year in Richmond Hill the local unit claims four past presidents in its ranks. They are Eric Brewer, Carter President; John Turner; Cecil Williams, and currently retiring President Murray McLeod.

Toronto Man
The newly elected President, Mr. R. H. Markham who lives at 55 Elmwood was born in Toronto and received his education in the city. He graduated from the Bloor Collegiate Institute and received the degree of A.R.C.T. from the Royal Conservatory.

Currently he heads the unit looking after employee benefits for the company's employees across Canada and is known by the title of "Employee Benefits Approver and Secretary of the Retirement Plan Advisory Committee."

Moving to Richmond Hill
In 1956, immediately following his marriage, Ralph became one of the charter members of the Richmond Hill Junior Chamber. He

was the unit's first Internal Publications Chairman. In the second year, Ralph was elected secretary and in 1959 directed the Brochure Committee.

To Top of Ladder
He also also succeeded in previous elections to become first, second vice president, and last year as first vice president. With his election this year to the presidency Ralph has climbed all the way up the ladder of Jaycee success. He gained a background and experience in public speaking first as a graduate of the Jaycees own "Effective Speaking Course" and subsequently of the famous Dale Carnegie Course so that he was made a "Toastmaster" last fall.

A very active and much respected member of the Junior Chamber Mr. Markham has been instrumental in the work of many of its committees including Christmas Lighting, Youth Development, Brochure, Traffic Safety, etc.

Anglican Church Members
Mr. Markham together with his wife, Estelle, are members of St. Mary's Anglican Church. Ralph's charming wife Estelle, is also the assistant organist.

The Jaycees have already achieved a high position in the regard of the local community and all who know Ralph Markham will look forward to a further year of successful Jaycee community projects under his able leadership. Good luck, Ralph.

ANNOUNCING

the **BANK OF MONTREAL**

To commemorate the Centenary of Canada's Confederation and the 150th anniversary of Canada's First Bank ... in 1967

Canada Centennial Scholarships

A SEVEN-YEAR PLAN

124 SCHOLARSHIPS of \$750 to \$5,000 in VALUE

... Every Starter Eligible for Final Awards

If you are a high-school student — well up in your studies and confident of graduating next month — here is a great opportunity for you.

If you are a parent, with a son or daughter ready for university this year, here is important news.

We are searching for 50 top high-school students graduating this June ... young men and women ready for intensive

university training in the Arts or Sciences.

From these 50 students, we hope to find eight outstanding young scholars for Canada's Centennial in 1967. They will be young Canadians of exceptional scholastic attainment — well-equipped and anxious to blaze new trails for the benefit of Canada ... in scientific research, in the social sciences or in the humanities.

One of the winners could be you ... or your son or daughter.

50 SCHOLARSHIPS OF \$750 ...

In a nation-wide competition opening this week, 50 of the most promising young Canadian men and women, graduating from high-school this June, will be awarded Bank of Montreal Scholarships, valued at \$750 each, for entrance to first-year University next autumn.

These young Canadians will be drawn from all of the ten provinces according to population, with a minimum of two scholarship students from each province.

They will be judged by independent University Selection Committees on the basis of academic standing and character. They will enter a Canadian university of their choice as Bank of Montreal Scholarship Students to pursue studies in Arts or Science. Professional courses, such as law, medicine and engineering, are not included. B of M Scholarship Students may hold other monetary scholarships for the first year only.

48 SCHOLARSHIPS OF \$1,500 ...

In the Spring of 1961, the top 16 of these 50 students will each be awarded a B of M Scholarship of \$1,500 for second-year university training.

In 1962 and 1963, provided at least good second-class grades have been maintained, these same students will each be awarded a B of M Scholarship of \$1,500 per annum ... leading to graduation in 1964.

In developing the plan, the Bank of Montreal is in no way seeking personnel for its own staff, but men and women who — through scientific research and pursuits in the public service — will contribute in some notable way to the common good of the nation in the years ahead.

SEE YOUR BANK OF MONTREAL BRANCH AND MAKE YOUR APPLICATION WITHOUT DELAY ... DO NOT WAIT UNTIL YOU HAVE RECEIVED YOUR EXAMINATION RESULTS. ACT NOW.

24 FELLOWSHIPS OF \$3,000 ...

In the Spring of 1964, the top eight of these 16 students will each be awarded a B of M Scholarship of \$3,000 for one year's study anywhere in Canada or abroad.

In 1965 and 1966, provided a satisfactory standard of work has been maintained, these same students will each be awarded a B of M Scholarship of \$3,000 per annum for further study leading to their Doctorate.

2 BANK OF MONTREAL CANADA CENTENNIAL AWARDS OF \$5,000 ...

In 1967, to culminate this seven-year plan, the two top students — one in Arts and one in Science — will be chosen, from all 50 participants in the plan, to receive the Bank of Montreal Canada Centennial Awards of \$5,000 each for a further year of study anywhere in Canada or abroad.

Thus, to each of these two winners — if they have been participants throughout the plan — the Bank will have provided financial assistance amounting to \$19,250.

HOW SCHOLARSHIP STUDENTS ARE CHOSEN ...

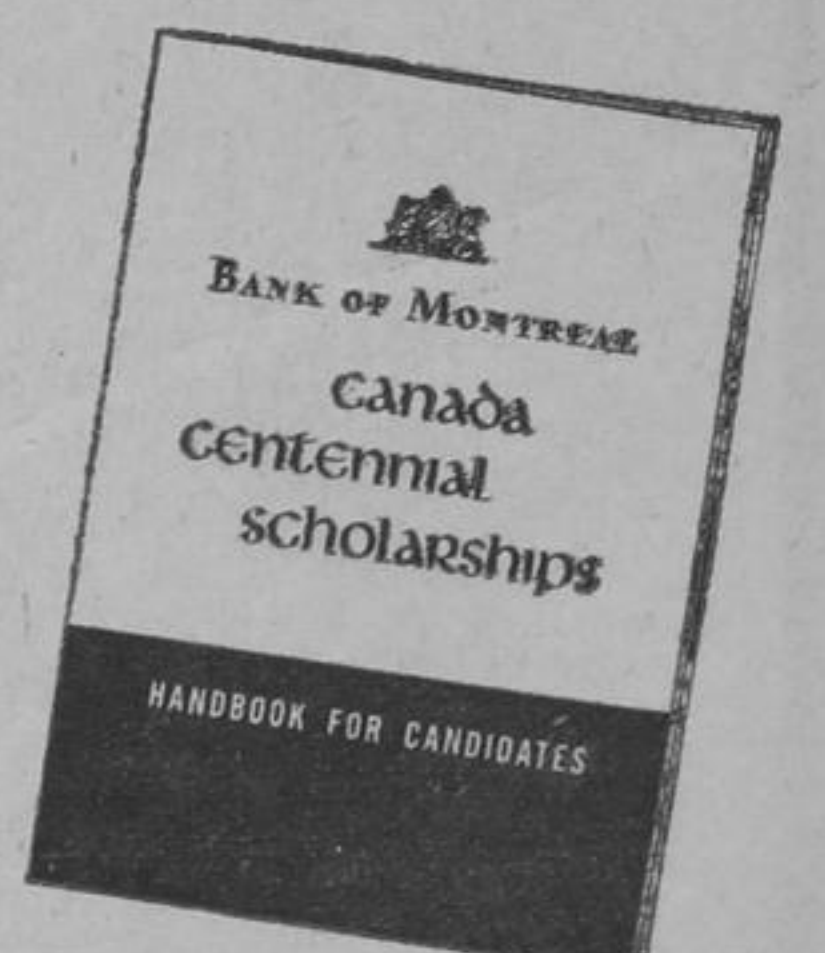

Scholarship students are chosen on merit alone — academic standing and character — by independent Selection Committees of faculty members of Canadian universities. The Bank will have no part whatever in the decisions taken by the Committees.

HOW STUDENTS IN

ONTARIO (and Baffin Island) SHOULD APPLY ...

Interested Ontario students, graduating from Grade XII this June with Secondary School Graduation Diploma, should visit their neighbourhood B of M branch and ask for the "Handbook for Candidates" for the Bank of Montreal Canada Centennial Scholarships. This booklet explains the Scholarship Plan in detail and outlines the simple steps required to register your application for consideration by the Selection Committee of Ontario for one of the 13 scholarships available in 1960 to students in this province.

If there is no branch of the Bank in your district, then — and only then — you should address your request to: The Assistant General Manager, Bank of Montreal, 50 King Street West, TORONTO, Ont.
