"The Liberal is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALpine 7-1150; in Concord, Mrs. Audrey Boron, AV. 5-2329; and in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934.

Maple Notes

That Special Day (Between us girls!) Through each day, week and month that goes into making another year, in the many little, and some big, ways — don't you somehow get the feeling that you are sort of "special" with the junior types around your home? and then comes "Mother's Day" — and all your suspicions are confirmed!

Let's just hope we were able to get the message through to our moms in just such a satisfying way on Her Day.

Hear Ye, Hear Ye

To all faithful and noble press secretaries and that scattered good group who now and then remember to phone those interesting news tid-bits, harken whilst I give out with the latest

deadline for news!! Yours truly has been informed that as of immediately all items for Maple Notes must be in by Thursday evening of each week.

Perhaps our column will be a little sparser until we get the hang of it — and you remember to remember the upper date, but c'est la vie.

However, if, over the week-end something startling or exciting should occur, don't hesitate to pick up the phone — we will still be open for hot line news, and try to get it in while it is still "news".

So Pleased To Hear

We know the friends and neighbors will be glad to know that Mrs. J. Pollock is home and about — feeling like her old self again after a nasty bout of the flu.

A Home Bake Sale

Those wonderful home brewers of cakes, tarts, cookies, pies, rolls, etc., etc., have been busy again preparing treats for your week-end and a reprieve from over the hot stove for the Mrs.

This Saturday, May 14, the ladies of Maple St. Andrew's Presbyterian W.A. are holding their bake sale at 11 a.m. at the church.

Proceeds assist in many W.A. projects for their church work.

Here's a Proud Roll Call

Adding to the blessings and joys of Mr. and Mrs. Frank Elliot on Keele Street, Maple, who are the proud grandparents of 10 grandchildren, was the recent birth of a great-granddaughter.

Parents are Mr. and Mrs. E. W. Beaty, Wood Lane, Richmond Hill. Warm congratulations to the Beatus et al.

Just Some Birthdays

Darral Sherman had a birthday and party a little while ago and Robert Stevenson had 14 small type guests at his party on Saturday, May 7. (Betcha his mom hadn't planned on it raining that day!)

Did we hear right that Richard Johnson, Bruce Prentice and Vicki Reeds added another year too?

A Helpful Reminder

Those cubs and scouts will be stalking your premises this Saturday morning, May 14, doing you the service of removing your bottles, all varieties except vinegar and jars — and thereby giving you the opportunity to assist these young lads as you help yourself. It's your turn to "Be Prepared" for the Cubs & Scouts Bottle Drive on May 14.

Lucky Number 20

If you are the holder of the lucky draw ticket number 20 for the draw prizes, compliments of the Hope Community and School Club, drawn at their bake sale on April 29 at Maple Masonic Hall — step right up, Mrs. Jean Calder is expecting your call at AL. 7-1100, so please contact her as soon as possible.

Change of Scenery

Mrs. Geo. Miller is making use of facilities at St. Michael's Hospital for the time being, but would take time out to enjoy any cards sent to her there. You many friends are wishing you all the best. Hilda.

Back Cub News

There are 12 registered Cubs

in B pack and 20 others attending and working their way up. There are seven Cubs with their First Star with Rod Shields recently receiving his.

Grant Rose, Ken Hatton, Martin Lord, Jim Timmins, Ron Lloyd and Joachim Matysek have been invested recently.

Former Trustees Meet

Ken Kerrigan and Earl Boeckner, former school trustees of the George Bailey School were entertained at a dinner for 1959 trustees by Vaughan Township Council and the new school board of T.S.A. Vaughan, on Thursday evening last week.

Christian Family Day

The Maple United Church Sunday School observed Christian Family Day, Sunday, May 8, by meeting in open session under the leadership of Mr. Morley Kinnee, General superintendent.

Bryan Thurston read the scripture. A trio formed by Pat, Nora and Mary Lou Lund sang "Bless This House", accompanied by Mrs. Wm. Woods. A selection on the violin "Barcarolle" played by Sharon Clegg and accompanied by her mother, Mrs. Roy Clegg at the piano, was enjoyed by all present.

The guest speaker, Mr. Graham Walter used the new commandment I give unto thee, that you love one another, as the theme for his timely message on Christian Family Day.

Bryan Thurston led the Litany. An S.O.S. For Players

It's that time of year again and the old cry "Play Ball" will soon be heard — that is, if more interested players can be rounded up for the Maple Sr. Ladies Softball League.

Any young ladies aspiring to trade the bowling ball for a softball or the like, come on up to the Community Centre Park on Mondays and Wednesdays at 7.15 p.m. Come one, come all!

Re Bowling Banquet

In order to give a complete and full report on this banquet, it is being held over until next issue.

Social Notes

With the setting and decorations done in a gold colour theme — the various ladies' groups of Eaton Memorial Church, celebrated their 50th anniversary with a luncheon on May 5. Muriel Weir of Maple enjoyed the delightfully tasty and artistically arranged luncheon as a guest of her mother, Mrs. Routley. Mrs. Irene Clark, President of Clark and Irving Publishing Co., was guest speaker and in keeping with the anniversary spoke of "50 Years In Toronto", picking out some well-known high-lights of that era but kept her audience's interest by telling of some most interesting facts that were perhaps little known and almost forgotten but proved — by comparison with Toronto today — most fascinating.

Mothers And Daughters Entertained At Banquet

The gaily decorated parish hall at St. Stephen's Anglican Church, was the setting Friday evening, May 6, when St. Stephen's W.A., under the leadership of Mrs. George Robson, provided a banquet for the girls of the Junior Auxiliary and Girls' Auxiliary and their mothers. Forty-eight were present and the girls each presented their special guest with a red rose corsage they had made.

During the program which followed, Barbara Baker, J. A. President and Joan Hodgson, G.A. President, presided.

A toast to the Mothers was proposed by Cynthia McCalland of the J.A. and replied to by Mrs. J. Hodgson.

A toast to St. Stephen's Church was proposed by Vicki Reeds of the G.A. and Dr. Ramsay Armitage, the rector, replied.

Mrs. Fred Jackson of Richmond Hill as guest speaker, truly held her audience of all age groups spellbound as she developed the theme of her topic, "Dedication" and "Walking With God Daily". Her practical suggestions for beginning each day with God, greatly impressed her listeners and will long be remembered by those present. On behalf of the auxiliaries, Gail James — the youngest member — presented a bouquet of roses to Mrs. Jackson.

Lynda Reeds of J.A. sang a solo and a short play called, "She Helped Them Decide", was well presented by Marilyn Brice, Lois Kirkland, Julie Welham and Diane Precious of G.A.

The evening concluded with the singing of "Taps".

Fact Finding Committee—Engineers Meet With Nor-Maple Subdividers

Seventy-five residents of Nor-Maple Subdivision met in the George Bailey School on Tuesday, May 3, to get a line on landscaping, roads, gardens, roads, amalgamation with Maple Township, taxes in Vaughan Township, the fact finding committee with regards to — roads, etc., the committee chairman, John Jarvis was in the chair.

A film on landscaping and planning a garden was most instructive and pertinent questions were ably answered by guest, Mr. Dick Sale.

Hear Road Engineer

It seemed everyone was holding his breath when the next guest was introduced but whether involuntary or not, by the time Mr. Bob Allison, consulting road engineer for the subdivider, had outlined workable plans to start to remedy the road conditions immediately — a good majority had found their questions already answered and could relax a smid-

gen of a degree.

Certainly Mr. Allison was well informed and with the help of Roads Commissioner and Deputy-Township Vic Ryder and Vaughan Township Road Engineer Mr. Crawford who were in attendance, there is every reason to believe and expect that Nor-Maple's roads will definitely be in good shape come summer, PROVIDING this rain should ever stop!

Amalgamation

Vice-chairman George Vigus and Bruce Gibson had obviously spent much time in investigating the pros and cons regarding Nor-Maple's amalgamation with Maple. Further discussion will be held at subsequent meetings.

There were 35 surprised landowners, when they were informed they were already in the Police Village of Maple boundaries.

The executive of this Fact Finding Committee is to be commended for its untiring service on behalf of the residents of Nor-Maple Subdivision.

CONCORD SOCIALS

Home and School:

Four members Mrs. Roy Witt, Mrs. R. M. McLean, Mrs. Earl Bell and Mrs. Jos. Boron of Concord Home and School Association attended the annual York-Simcoe Home and School Council dinner held this year at Wrixon Hall, Richmond Hill last Thursday.

Sports:

A group of energetic ladies in east Concord have gotten together to form a ladies softball team and are anxious for some competition particularly from Concord west. If some would like to take the challenge and get a team organized they should then contact Mrs. Gene Dollyer, AV. 5-4058 to arrange inter community games. Concord east have Mr. Gene Dollyer and Mr. L. Gilbert as coaches for their team.

The Concord east team has started to practice on Tuesday and Thursday evenings, so come on Concord west let's get going!

Also what happened to the mens baseball teams that put on some very good games in past years? I know of at least one former player who, shall we say, grew out of competitive sports, but surely there must be men anxious to join in the fun. After all I have to have something to write about during the summer months.

Bowling Results:

The Concord and Edgeley Bowlers held their playoffs on Friday, May 6. First place for the trophy were the Busy Bees with Jim Aston as captain. Second place was taken by the Sparrows with Don Mitchell as captain. Third place were the Buzzers with captain Flo Straehan. Fourth place the Aces with captain Bill Leck. Fifth place was taken by the Dimwits with Bert Cook captain, sixth place by the Turnips with captain Fred Rummy. All members of the Concord - Edgeley League are asked to remember the banquet to be held June 3rd. For any information regarding the banquet please call Mr. Al Whaley, AV. 5-2332.

Guides and Brownies:

The first Concord Guides and Brownies held their annual Mother and Daughter banquet on Thursday, May 5, at the Lutheran Church, Keele St.

Mr. Wagner pastor of the Zion Lutheran Church said the Grace before the meal. After the delicious supper a toast to the mothers was proposed by Guide Linda Watt and was responded to by Mrs. A. Russell.

Brown Owl Mrs. Fraser introduced the guests at the head table, President of the mothers Group Committee, Mrs. R. Smith and Brownie Dianne Smith; Tawny Owl Mrs. E. Simmons and Brownie Valerie Simmons; Pastor Wagner and a friend of the Wagner's who was visiting them at the time, Mr. E. Riegert; Commissioner of Provincial Public Relations, Mrs. Chas. Sissons; Brown Owl Mrs. Fraser; and Brownie Allison Fraser; District Commissioner Mrs. McTaggart-Cowan; Guide Captain Mrs. A. Whaley and Guide Wendy Simmons; Lieutenant Mrs. Baillie and Brownie Lynda Baillie; and former Lieutenant Mrs. Nancy Bisson.

Church News

The regular meeting of the HI C Fellowship Group was held Tuesday, May 3 in the Sunday School Room. Taking part in the worship service was Bob Baker who read the scriptures. Carol Sawyell led in prayer and Shirley Bowen read a poem. Mrs. Charles Robson was convener of the program which was entitled "School Daze". A panel of HI C members consisting of Sharon Robson, Linda McMahon, Donna Bowen, Bob Baker and Ralph Cooper gave several viewpoints of school life which was followed by discussion by the entire group.

The next meeting Tuesday, May 17 will be clean up night and members were asked to bring tools etc. and come prepared to give the church grounds a new look.

Sunday School Anniversary

Services will be held at Teston June 19, with the annual Strawberry Festival, Wednesday, June 22. Plans are already being made for these important days and we will have further details later.

Family Day

Christian Family Day was observed in Teston Sunday School, Sunday May 8. The theme of the service was "The Family As A Christian Community." Young members of the Sunday School took part in the service. The call to worship was given by Connie Murray. Mary Naylor read the scripture followed by prayer led by Bary Diceman. Mr. Charles Robson, Sunday School superintendent gave the address "God Seteth the Solitary in Families." This entertaining and thought provoking message likened the family to a hand. Each finger representing a member of the family which can work together or in playing a piano one member can cause a discord and spoil the harmony. Carl Diceman led the reading of the Litany.

Baptism

Proud parents and grandparents and many friends were in church Sunday morning when the Rev. Martin Jenkinson conducted the Sacrament of Baptism. The babies baptized were Patricia Jane Marwood, Brenda Lynn Harris, Stephen James Sawyell and twins Brian Robert and Richard Wayne Armitage. Two great-grandmothers attended this lovely service. Mrs. Jane Ireland whose great grandson is Stephen James Sawyell and Mrs. Peterman great grandmother of the little Armitage twins came from St. Catharines to be baptized. The choir sang two anthems appropriate to the day "My Fathers World" and "The House Where God Abides." The Rev. Jenkinson spoke of the responsibilities of parents to their children.

Annual Service

The annual church service of Vellore Junior Institute and Junior Farmers was held this year in Teston United Church Sunday evening May 8. Taking part in the service were Miss Evelyn MacTaggart and Mr. Hank Vanderpost. The choir, made up of members of the Junior Institute and Junior Farmers and led by Mrs. W. Williams sang two anthems. "Anywhere With Jesus" and "The Church By The Side Of The Road." Mr. Howard Herle of Waterloo County gave the address based on the text "Remember now Thy Creator in the days of thy youth." Following the service the young people served refreshments and everyone enjoyed a friendly fireside hour.

Socials

Many happy family gatherings were held in the Teston area in honour of Mother's Day.

Miss Catherine Wilson entertained a number of her teenage friends at a party in her home Friday evening. Young people enjoying the fun and dancing were Sharon Robson, Evelyn Ambrose, Carol Clarke, Mary Langley, David Gray, Dennis Cooper, Wayne Robson, Ralph Cooper and Ken Leathdale.

The Hope Community and School Club would like the holder of ticket number 20 on the lucky draw held at their recent Bake Sale to please phone AL. 7-1100.

Congratulations to Ralph Cooper of Teston who won the most valuable player award of the Richmond Hill Minor Hockey Association. Ralph is an ardent sportsman and this is the third trophy he has won for his sports activities.

Mr. and Mrs. James Growcock and family spent several days holidaying in Montreal. They enjoyed a conducted tour of the city and visited many interesting

Edgeley Socials

Guest Speaker

Among the ladies from Edgeley who attended a meeting in Vellore Township Hall when Miss Ethel Chapman was the guest speaker on Tuesday, May 3, were Mrs. Fred Bodker, Mrs. James Spencer, Mrs. Alf Bagg, Mrs. R. Stuart, Mrs. W. Butt, Mrs. C. H. Boake, Mrs. J. Darlington, Mrs. Bert Cook, Mrs. Paul Snider, Mrs. Frank Locke, Mrs. Chas. Summerfeldt and Mrs. Arthur Avery.

Miss Chapman, who is editor of the Home and Country magazine, told of her experience last summer when she attended the triennial conference of the Associated Countrywomen of the World which was held in Scotland.

School

It has been necessary to change the date for pre-school registration in Edgeley and this will take place on Thursday, May 19, instead of May 18 as previously announced. Mrs. Wilson, Edgeley Public School junior room teacher wishes the mothers who are planning to enroll their children in school in September, to register the children at the school on this new date. Mrs. Gordon, Public Health nurse, will be on hand to assist the mothers in filling out their child's health record form which will be available at the school for parents who have not previously received one.

Fishing

The 500 children in this area who will go a-fishing May 14 at the Albion Hills Conservation Area won't be disappointed about any lack of fish — thanks to the Canadian National Sportsmen's Show conservation fund.

W. S. MacDonnell, chairman of the information and education advisory board of the Metropolitan Toronto and Region Conservation Authority, has announced that the Fund is making a grant of \$500 for the purchase of legal-size trout for the authority's 1960 Junior Trout Fishing Day.

This fishing day is open to grade 7 and 8 pupils of public and separate schools in the area who qualify by virtue of their knowledge of conservation. They are selected by means of a conservation quiz held at the schools.

Socials

Miss Janice Boake and Miss Karen Bodker have been selected to attend the Provincial Girls' Conference at the Ontario Agricultural College in Guelph during the last week in June. Two hundred girls representing every county and district in Ontario are expected to attend the conference.

Cemetery

The annual meeting of plot owners and friends interested in the upkeep of Edgeley Cemetery was held recently in the Old Mennonite Church. Mr. Allan Smith acted as chairman and Mrs. Dave Howard was the secretary for the meeting. The business included references to the Perpetual Care Fund that was set up some time ago and the making of tentative plans regarding the opening of a new section of the cemetery if needed at a future date. Mr. Smith reported that during the past year, the cemetery fence was repainted and the windows in the church were glazed. Plans for new eavetroughs on the north side of the church were also discussed.

Her many friends are very sorry to hear that Miss Ella Whitmore has been confined to her bed with a sore leg for the past two weeks and must remain there for yet another week. It is said that our troubles sometimes come in threes, so this surely must be the last one, Ella.

Achievement Day

May 14 is Achievement Day for the 4-H Homemaking Clubs in York County. The Edgeley 4-H girls will be attending, of course, with their leaders, Mrs. R. J. Darlington and Mrs. Fred Bodker, who have been instructing the girls so well during the winter in their project, Cottons May Be Smart. This project assisted the girls with their daily clothes problems by increasing knowledge and developing skills in planning, selecting and making garments, and in caring for clothing and in being well groomed.

W.A.

The regular meeting of the Edgeley W.A. has been postponed until Thursday, May 26. Mrs. Arthur Avery will be the hostess for the meeting and Mrs. Chas. Summerfeldt and Mrs. R. J. Darlington will be the social committee. Mrs. Avery will convene the program. Mrs. Summerfeldt, missionary and maintenance treasurer requests that the mix boxes be handed in at this meeting.

Win Medals At York Festival

At the York Music Festival, sponsored by the Board of Trade, held at Woodbridge, Maple was justly proud of its representatives. In the Poetry Reading division, David Martin was awarded the Gold Medal — the poem was "The Night Wind" by Eugene Field.

Making his first plunge into competition playing, Ken Rumble won a silver medal in the accordion class.

David Reid's first effort in festival trials in the piano division produced a silver medal.

AERIFY YOUR LAWN WITH LIGHT RICH BLACK PEAT LOAM

MAY

Is when life-giving sun rays penetrate deep in the ground. You could help this process greatly if you loosen the surface of your lawn with a rake, and then cover the area with Peaty soil. If your lawn needs seeding, spread the seed over the raked area, and cover with 1/4 to 1/2 inch Peaty soil. If your ground becomes dry sprinkle often with water and keep the soil moistened until your lawn is green.

In letting nature do the work you will enjoy seeing your garden and lawns being built with your added ambition.
