Jugoslav Refugee Addresses Lions

A guest of the Richmond Hill Lions Club last Thursday evening was Mr. John Paler, a refugee from Jugoslavia now living in Toronto. Mr. Paler spoke briefly to the Lions about the plight of those who are still in European refugee camps, giving a vivid description of the soul-destroying monotony and idleness and despair which is the present lot of these people who have fled their homeland rather than accept the slavery imposed by communism. By the very idealism which made them give up their homes and possessions and friends, they are the makings of fine citizens in any community which is prepared to accept them. "By helping them," he said, "we help ourselves."

Mr. Paler praised and thanked Richmond Hill for its sponsorship of a refugee family.

Craig Walling of Spruce St. and a friend met with an accident on Sunday last, when the steering column broke in his car, causing it to crash into a cement abutment. The accident happened near Bracebridge, and also the car was badly smashed the occupants escaped with a severe shaking up.

The "Cards Bowling League" wound up their season with their annual banquet at Woodbridge Veterans Hall, on Friday evening, May 6th. Following a wonderful turkey dinner, prizes were distributed, high average trophies going to F. Littleford and W. Smith. Before an evening of cards and dancing the new executive was installed which is as follows: Pres. A. Blackburn, Sec. W. Smith, Treas. H. Relf, Sub. Cap. F. Littleford.

Ross Doan News
Ross Doan Home and School held their last meeting of the season on Monday, May 2nd, with Mrs. E. Lambert in the chair. Following the business meeting, Mr. R. Brown introduced Mr. Constable, Mrs. Robertson and Mrs. Hogg of the School Board. Mr. Constable spoke on the School Area, problems and improvements and the three members kindly answered questions pertaining to same. Mr. Constable then installed the new Executive, Pres. Mrs. E. Lambert, 1st. Vice, Mrs. A. Blackburn, 2nd. Vice, Mrs. V. Melnick, Treas. Mr. F. Urban, Sec. Mrs. D. Cutler, Corres. Sec. Mrs. D. Gray, and the five executive members.

Mr. A. Blackburn of Yongehurst Rd. left by plane on Sunday for a twelve day business trip thru the southern states and to spend a week in our Western Provinces.

Who Says Reducing Is Difficult?

CALGARY, ALBERTA. "I want to tell you how pleased I am with the Naran Plan, I have never found it easier to take off those unwanted pounds, I feel so much better, have more energy and for the first time in years I don't have that heavy bloated feeling after eating. The Naran Plan is truly grand for anyone who has tried as I have to lose weight and given up because of starvation diets or tiring exercise." D. A. Hergert, 22nd Ave., Calgary, Alta.

Why suffer the discomforts and social handicaps of overweight when it is so easy to reduce with the Naran Plan. Try this simple method and enjoy the flattering looks you will receive from your friends as pounds and years seem to melt away from your appearance.

Get the Naran Plan from your druggist today, it is simple and sold on a money back guarantee.

Grant Citizen's Request—

Town Will Seek Re-Zone Harding

Richmond Hill Town Council Monday night confirmed its earlier decision to grant the request of citizens in the area and will ask permission of the Ontario Municipal Board to rezone lots on north side of Harding Blvd. as residential rather than commercial as at present.

Residents of the area protested to council plans for the erection of stores on the lots on the north side of Harding, at the rear of the Fina Service Station.

David McLean, owner of the lots, now zoned as commercial, offered alternative plans for erection of an eight unit apartment building, but the suggestion did not meet with council approval. Council did not go along with a Planning Board suggestion to rezone Yonge Street frontage to provide for apartment buildings rather than commercial stores. Planning Board's letter suggested that with the development of the shopping centre just south of the town limits there is no longer a need for any kind of commercial assessment in that immediate area.

If Palmer Avenue from Yonge Street to Church Street is closed Mr. McLean suggested town bear the expense of moving existing gas main so property can be utilized for building. The estimated cost of moving the main is \$2,700. Should the street be legally closed the property could be decided to neighbouring owners.

Council members couldn't see spending nearly \$3,000 to give an owner 33 foot additional building frontage. "That land is worth \$300. to \$400. a foot," said Councillor Bradstock. The Mayor said if the street is closed the land automatically reverts to the neighbouring owners.

Regarding the possible opening of Palmer to Yonge Street, Mr. McLean said the Department of Highways has no objections. The decision of whether or not the zoning of the area on Harding will be changed to residential rests with the Ontario Municipal Board. A public hearing will be held and all interested parties will be given an opportunity of presenting arguments.

Teen-Age Road-E-O

Richmond Heights Is Site For Safe Driving Contest

A Safe-Driving Road-e-o will be sponsored by the Richmond Hill Junior Chamber of Commerce on Saturday, May 14, in the Richmond Heights Shopping Plaza parking lot. The contest gets underway at 9 a.m.

The entry rules are simple. Any teenager with a valid driver's license can participate and test his or her skill at safe driving.

Road-e-o will enter the provincial safe driving contest later this year, and will then get a chance to participate in the national competition.

Several prizes are given yearly to promote safe driving among the younger citizens. The Richmond Hill Jaycees hope this year to carry the program one step further by providing driving instructions in the local high schools.

Remember, the teenager must show a valid driver's license. The contest starts at 9 a.m. and will run through until all contestants have completed the driving skills.

Markham School Area Board Meets Council

Markham's Township School Area No. 1 set dates for committee meetings with Markham Township Council and Planning Board at Tuesday evening's regular monthly session in Henderson Ave. Public School, Thursday evening the board, council, and planning board met in Buttonville Municipal Hall and this Tuesday a meeting of the board and township planning director, Ron Forrest, is scheduled.

No announcement of the agenda was made at the Tuesday evening meeting but it is to be presumed school officials are looking ahead in planning for elementary school accommodation for the children of the southwest subdivisions which have been approved by the township and Metro planning boards for development.

Organization of the Schools
Organization of the present schools is also under committee discussion with study being given to the pro and cons of a senior school set-up, and special classes for children needing an enriched or a decelerated program.

Supervising Principal E. J. Sand reported to be board that Public School Inspector Maynard Hallman had asked the provincial Department of Education to allow Department testing specialists to give standardized tests to the children. If special classes are considered desirable by the results of the tests parents of the children slated for them will be consulted and the program recommended explained. The principal of the school the child attends and the school nurse usually interview the parents, Mr. Sand said.

Supervising-Principal Sand also announced all teacher requirements have been filled in area 1 under the present organization. Arrangements have been made for landscaping at the Woodland School.

The sick leave plan for the teachers was presented to the board and received approval. Funeral leave of three days off for next of kin is granted, and the board has the power to extend benefits as it sees fit in extenuating circumstances. Certain Holy days are also recognized if a person of the Hebrew or Catholic faith is teaching in one of the schools.

York County Health Unit
The York County Health Unit school sanitation report for Thornlea School has been received by Mr. Sand and he stated the report was good. Such a report covers ventilation, school grounds, the water supply, state of cleanliness and repairs needed at each school. "We pay particular attention to this report," said Mr. Sand, "and are open for suggestions."

There is to be a meeting of the board and teachers on May 18th at 3 o'clock in the Henderson School.

Student Accident
A young student at Richvale School, Norman Neville, 13, was involved in an accident occurring at the stop light intersection on Yonge St. near the school. Mr. Sand said he had suffered a broken leg.

It was pointed out the Child Safety Committee of the former joint area one, Markham and Vaughan, had been instrumental in getting the light installed at this location on Yonge St. and pupils had been instructed to always cross with the light. Neville is a Markham township resident but attends school in Vaughan township on a non-resident basis.

Red Cross Blood Donors Clinic To Be Held May 30

The C.W.L. of St. Luke's and St. Paschal's are jointly sponsoring a Blood Donors Clinic on Monday May 30th at St. Paschal Baylon Church, 92 Steeles Avenue West. The hours are from 2 to 4 in the afternoon and from 6:30 to 9 in the evening, and it is hoped that all groups in the community will take the opportunity to take part in this most worthy undertaking. Did you know that the Red Cross supplies blood free to all hospitals in the Metropolitan Toronto area? The aim of the Blood Transfusion service is to provide blood to everyone in need of it, regardless of race, colour, creed or financial status. To carry out this service the Red Cross required 1,500 donations from the Toronto area each and every week, the year round.
