## To Take Legal Action

(Continued From Page 1)  
Mr. Appleby said if the town provided the site the Club will take care of building and financing.  
Mayor Tomlin and all members of the council welcomed the idea of an Art Centre and gave assurance of co-operation. The Parks Committee will confer next Tuesday night with representatives of the Curtain Club and the

local Recreation Committee.  
Councillor Bradstock, Parks Chairman, while expressing support for the project suggested the plan for such a building should be part of a new Community Centre. He said the park area west of the arena suggested at a former meeting is the only playground area in the centre part of town.  
On motion of Councillor Mrs. Southwell approval in principle was voted by council with details of location left to negotiation between the Parks Committee and Curtain Club representatives.  
On motion of Reeve Haggart Chairman of the Works Committee it was decided to pave Crosby Avenue. The provincial grant on this work will be \$27,000 and the town's share \$29,000, will be paid from the Number 3 account. Councillor Broadhurst opposed the motion stating he didn't think the money should be taken from the No. 3 account.

Examining a sheet from century-old Washington press donated to Metropolitan Toronto & Region Conservation Authority by Edwin W. Brown of Woodbridge is his daughter, Mrs. W. Myers, with Albert Colucci of MTRCA and Werden Leavens, secretary-manager, Ontario Weekly Newspapers Association and chairman of the authority's printing committee. Mr. Brown, for 60 years a prominent printer and notary in Woodbridge has given the still serviceable press to the authority for use in its printing shop to be established in the Pioneer Village in North Toronto, officially opening June 2.

### Canadian Tire Plan Delayed—

## Plan Board Wants Site Reserved Municipal Use

The proposed construction of a new Canadian Tire store on Yonge Street is still delayed awaiting Planning Board and Council approval. Canadian Tire representatives appeared at council meeting on May 19th and outlined plans for the new store to be located at Yonge and Wright Streets. Approval was withheld pending reference to the Planning Board. The estimated cost of the new building is \$200,000.  
Monday night Councillor Howard Whillans who represents council on Planning Board requested Planning Board is withholding approval on recommendation of the Planning Consultant. One reason given was that the site was considered favorable for some type of municipal building and that there should be investigation of the possibility of securing a registry office or court house.

Deputy-reeve Tinker he didn't go along with the thinking that this property should be reserved for buildings such as the registry office or court house. "We're interested in the development of Yonge St." said Mr. Tinker.  
Councillor Bradstock pointed out that if council reserved the land for such use the owners could demand that the town make immediate purchase.  
Councillor Whillans admitted that while such development might be very desirable it wasn't very practical at the present time.  
A motion by Reeve Haggart was carried that a permit be granted provided the proposed building conforms with existing by laws.  
Mayor Tomlin suggested the applicants confer with the Planning Board at the next meeting.

**HAVE YOU HEARD THIS ONE?**  
A downfallen showgirl had been 'saved' from her life of sin and was now beating a drum at 'revival' meetings. "I used to flit from party to party," she told her audience. "I drank liquor and smoked cigarettes and kept very late hours."  
"Now I don't drink, smoke or go to parties and I'm in bed every night by ten o'clock... in fact, I don't do a darn thing now... except stand around and beat this lousy drum!"  
Well, there's nothing like beating your own drum... so here goes. For finest dry cleaning care you can't 'beat' the work we do. Every garment receives individual attention from spotter to finisher. For the life of your clothes send your dry cleaning to us.

On motion of Councillor Mrs. Southwell approval in principle was voted by council with details of location left to negotiation between the Parks Committee and Curtain Club representatives.  
On motion of Reeve Haggart Chairman of the Works Committee it was decided to pave Crosby Avenue. The provincial grant on this work will be \$27,000 and the town's share \$29,000, will be paid from the Number 3 account. Councillor Broadhurst opposed the motion stating he didn't think the money should be taken from the No. 3 account.

It was agreed to construct sanitary sewer and pavement on Newkirk Road as a Local Improvement. "I hope the work will be done this year" said Reeve Haggart.  
Councillor Mrs. Southwell, Personnel Committee Chairman, reported to council that Building Inspector Hollowell didn't like the idea of acting as By-Law Enforcement Officer. She will bring in a complete report on the situation at a future council meeting. At a recent meeting council passed a motion appointing the Building Inspector as Enforcement Officer.  
Vaughan Council asked a joint meeting to consider the request of a local ambulance operator for municipal assistance. It was stated that although legal advice was that it is not legal to subsidize such a service council will meet with Vaughan to discuss the matter.

Council gave tentative approval to a \$150,000, debenture issue for an addition to MacKillop Public School.  
On motion of Reeve Haggart Council will present a resolution to the Mayors & Reeve's Assoc. asking that all municipal purchases be exempt from sales tax and custom duties.

The Town Hall will be flood-lighted at a cost of \$232.18. "I think it's good advertising for Richmond Hill" said Councillor Broadhurst.

Council passed a resolution expressing disfavor with a "penny arcade" attraction at the Richmond Hill Fair. Reeve Haggart said there is a fine line of division between art and pornography. "How did you know about it?" asked Councillor Broadhurst. "I had a complaint from a parent," said the Reeve.

Reeve Haggart wanted the Police Cruiser painted with the name "Richmond Hill Police Dept." He said he felt strongly all police vehicles should be plainly marked. It was said the Police Chief doesn't share this view. "I think the Chief's recommendation should be accepted" said Councillor Whillans. On motion of Councillor Broadhurst the matter was referred to Police Committee.

On the matter of pay for crossing guards Deputy-reeve Tinker said he thought the Reeve didn't understand the situation when it was previously discussed. "The adjustment in rate of pay was made so as to treat all the same" said Mr. Tinker. Councillor Broadhurst pointed out that the Deputy-reeve should not be singled out for criticism as the change was made on the unanimous recommendation of the Police Committee and adopted unanimously by council.

On motion of Councillor Broadhurst and Deputy-reeve Tinker the Bell Telephone Co. will be advised that in council's opinion the proposed rates for Toronto calling service are too high.

Council gave unanimous approval of an application of the Roman Catholic Separate School Board that the town annex four acres from Vaughan Township for a school. The proposed site is in the Griffin subdivision just North of MacKillop School.

### County Council Now In Session

The June session of York County Council opened Tuesday. Two minutes silence was observed for the late Lea Glover, deputy-reeve of North Gwillimbury, who recently lost his life in a tragic motor accident.  
Rev. Jos. Dales introduced the new Deputy-reeve Frank Kennington.

Today members are on an inspection tour of York Manor and County Reformation areas.

### Guide Notes

On 20th May the 11th and 5th Brownie Packs, joined together to hold a mother and daughter pot luck supper. Honoured guests were the Rev. Newton Smith and Mrs. MacGregor, District Commissioner. The Brownies of the 5th Pack honoured their brown Owl, Mrs. M. Shaw, on her retirement from Guides with a parting gift. Mrs. Shaw opened the first Brownie Pack in the East District and also opened the First Guide company. After 15 years of service in Guide work she will certainly be missed. Many thanks to Mr. Hunt for his wonderful magic show.

## Senior Citizens Enjoy Many Varied Activities

The senior citizens of Richmond Hill are enjoying many activities prior to recessing for July and August.

The regular May meeting was very well attended in spite of the weather, and those who braved the elements were well rewarded by a film programme. Mrs. Chas. Harding presented Mrs. A. A. Lander who delighted her audience with several lovely contralto solos. Mrs. Gordon Langley introduced Mrs. P. Addison who showed excellent coloured slides of all forms of nature and accompanied them with a very informative talk. They were thoroughly enjoyed by the members particularly in view of the fact that many were taken at our own Mill Pond and other local spots. The ladies were thanked and presented with red roses by Mr. A. W. A. Skilleter.

Mr. and Mrs. D Howard also received a bouquet of roses in honour of their wedding anniversary that day.  
Another presentation of note was that of a handsome gavel to the president, Mr. A. E. Plewman.

### Germany Bound

DENNIS WILDMAN

Heading for Germany in the fall for duty with Canada's NATO forces is Rifleman Dennis Wildman of 425 Centre St. E., Richmond Hill, Ontario. Rifleman Wildman recently graduated from the Regimental Depot of The Queen's Own Rifles of Canada in Currie Barracks, Calgary, Alta., and was assigned for duty with the 1st Battalion, The Queen's Own, which is scheduled to move to Germany in October. The Queen's Own Rifles this year are celebrating their 100th anniversary.

This gavel was made by the Vice-President, Mr. H. Calverley, and appropriately bedecked with a red rose and baby blue ribbon bow by Mr. Wm. Medhurst who did the honours.

Mrs. B. L. Anderson extended a personal invitation to the club to once again enjoy her lovely garden in June. These garden parties have become a highlight of the seniors' activities and Mrs. Anderson's invitation was eagerly accepted for Wednesday, June 8th.

The annual picnic has been planned for Wednesday, June 22. Mr. Calverley is heading up this committee which has organized a very interesting bus trip to Midland and Penetang with several stops along the way to visit the many historical sites and at convenient parks for lunch and supper. Plans for the outing were finalized at the executive meeting held on May 25th and will be available to the members at the Garden Party.

The Day Centre is becoming increasingly popular with members who drop in each week-day afternoon from 2 to 5 for cards, cribbage, cups of tea, and companionship. Miss Janet Hall has been most faithful to her weaving group on Monday afternoons, and the ladies are all urged to come along with their own particular specialty in handiwork. Mr. Medhurst, chairman of the Day Centre, is planning some special treats for the final day of the season which will be Wednesday, June 29th. The room will be closed during the months of July and August. For information about the centre seniors may call Mr. Medhurst at TU. 4-4078.

### All Quiet For Force

Chief Constable R. P. Robbins reported that last week was a relatively quiet period with citizens on their best behaviour. There were only three minor accidents, each one involving two cars, but damage was slight and no one was injured. Chief Robbins said that no unusual occurrences were reported from the fair last Saturday or the fireworks display put on by the Allencourt Ratepayers Association on Monday evening. "We've been plagued by heavy fogs which, as a rule, are cause for worry," said the Chief, "but on Saturday and again on Monday, local drivers used fine discretion. The 'all-quiet' situation is very gratifying to the police force."

WOODBRIDGE — Woodbridge Council came to no decision at their special May 16 meeting in the matter of replacing the engineering firm of Proctor and Redfern. Four firms sent representatives to Council to plead their cases: A Don Mills firm, the W. O. Chisholm firm of Agincourt, Pennont Consultants of Brampton and Philip H. Jones and Associates. It was expected that the following regular council meeting would finalize a decision.
