### BUTTONVILLE NEWS

The middle of June—last week most farmers completed the latest seeding in many, many years, and some began to cut hay. Except for grade 13 students, most High School pupils will have completed examinations this week and a good many have found work to occupy them through the summer.

That Garden Party date the Buttonville W.I. reserved at Buttonville Hall has been changed to June 29—a Wednesday. The new date was decided upon last week. Never before can we recall such spectacular boats or so many being towed by family cars along the highway. Unless there is more care in handling them on small lakes than there has been in the past we're in for trouble.

Mrs. E. Walton is still leading a quiet life following a recent heart attack. Her friends wish her a quick recovery. Mr. and Mrs. E. Crisp spent a day's fishing near Flesserton last week-end. They were guests of Mr. and Mrs. Roy Scriber.

Joy Fuller celebrated her 17th birthday on Sunday. In Mrs. Donald Reesor's absence Joy was organist at Brown's Corners United Church with Mrs. S. J. English acting as pianist.

On Friday of this week, June 17, birthday congratulations will go to a quick neighbour, Mr. Wm. Spears, now of Markham, and to the Crisps' newest granddaughter, Barbara, who will be one year old.

On Saturday of this week Mr. Garry McEachern, the student minister for the Victoria Square charge, will be married to Miss Greta Black of Toronto in Yonge St. United Church. The bride and groom plan a honeymoon in the Maritime Provinces, so for the next three Sundays there will be a substitute student to help with the services here.

Friends in the neighbourhood were pleased to have a visit from Mrs. Alex Burns recently from Montreal where she and Sandra were guests of relatives and Sandra remained for an extra holiday.

### Banquet and Prizes For All-Star Bantam Team

On Monday evening of last week 15 members of the Bantam B Unionville Jets Hockey Team and their parents were feted at Buttonville Hall. After a roast beef dinner catered for by the Buttonville W.I. the members of the team which had won the runner-up trophy were presented with jackets bearing the crest "Bantam B Finalists Unionville Jets—59-60."

Mr. Bill Hood of Buttonville was the master of ceremonies, and the guest speaker was ex-Leaf player Harry Watson of Markham. The team which was sponsored by the Unionville-Markham Lions Club was managed by Messrs. Beck and Chivers. Laurence Gayman was their coach.

Among the team players were Jimmy and Robin Hood and Edward Stonehouse.

On Monday evening of last week members of the Victoria Square School committee (Victoria Sq. Charge) met at Headford to plan for the 1960 school. The date chosen was the week of July 11, and a second meeting to consolidate plans was set for June 27.

Present for planning last week were Rev. Dr. A. F. and Mrs. Binnington, Mrs. Stan Boynton, Mrs. H. McCague of Victoria Square Church; Mrs. Acreman, Mrs. S. Rumble, Mrs. Burton and Mr. and Mrs. P. Briggs of Headford and Mrs. S. R. Patterson and Mrs. F. H. Leaf of Brown's Corners.

Mrs. S. J. English and Mrs. Norman Reid had a pleasant visit with former neighbours last week. They called on Mrs. L. Scott and Mrs. M. and Mr. Wm. Wm. Spears and Nancy of Markham. They found the Scotts very well, and Mrs. Spears able to be up and about although she is still not travelling out.

Miss Audrey Scott of Oshawa is a visitor at the home of Mr. and Mrs. James McQuay this week.

Friends are happy to know that Mr. Douglas Hood is making good progress, following his recent illness.

LAYING FEEDS

There's a saying that goes,

"I'VE GOT TO SEE IT TO BELIEVE IT"

We invite you to do just that. SEE FOR YOURSELF what SHUR-GAIN Laying Feed can do for you. Of course to do this you must keep records and we suggest the use of our handy egg production charts.

Remember, the cost per 100 pounds of feed doesn't tell you much. It's the cost of that feed PER DOZEN EGGS PRODUCED which tells you the real worth of a ration. Your own records will tell you how economically SHUR-GAIN Super Laying Mash produces eggs.

Plan now to turn your new flock on the SHUR-GAIN program - - - for better results, for bigger returns. Make sure you ask us for a handy EGG PRODUCTION CHART for your flock.
