

Beverley Acres Students Enjoy Outdoor Trips

Principal Grant Nighswander of Beverley Acres Public Schools, and Mrs. Nighswander were hosts to two groups of youngsters to an outdoors adventure June 17 and June 24.

The June 19 affair saw 19 boys stay at Oak Lodge, Haliburton area and following breakfast were taken on a 40-mile lake tour during which they made canoe trips. The group was split in two for this part of the agenda, with one half the boys going on the canoe tour Friday and the second group on Saturday.

The girls were similarly treated on the weekend of June 24 but their agenda did not include canoe outings. They were moved through two lakes by fast motorboat. Each child with a life jacket on both weekends. The girls also had a go at portaging and camped on Clear Lake.

The hosts said that the weather was perfect for both events. Mr. and Mrs. Nighswander provided a roast beef dinner for 29 people on Saturday during which eight gallons of milk were consumed by the healthy youngsters. On Sunday the eating feature was a baked ham dinner with the trimmings.

The students paid their own costs except the food which was provided by the school board while the Beverley Acres Home and School Association paid for the gas. Both groups of students made the trip by car.

Magistrate Metes Out Justice To Offenders

Louis Fertack, 34, of 50 Upper Canada Drive, Willowdale who was apprehended by local police on May 15 while attempting to break into the Woolworth Building on Yonge Street for which he received a two-year jail sentence, had six months tacked on in Magistrate's Court, Toronto last Monday on a follow-up charge. The six-month consecutive sentence was meted out for breaking and entering at the Wm. J. Neal store at 61 Yonge South on April 8, where a number of vehicle permits were stolen. A third charge, that of stealing a car in Vancouver was withdrawn. Richmond Hill Police effected the recovery of the stolen car.

Breaks-In
Local police are investigating two other breaks-in which occurred June 18 and June 20. In the latter case entry was made to a local residence by forcing a milk box door. In the former instance a thief or thieves lifted a quantity of sparkplugs and windshield wipers from the Richmond Hill Auto Supply Store on Industrial Road. Chief R. P. Robbins cautions home owners to make certain that milk doors are securely fastened from the inside when they leave their homes for an overnight or weekend stay or for a lengthy holiday.

Six Months Extra
Seventeen-year-old John Shulin of Richmond Hill will spend the next year and 30 days in reform school. In Monday's Criminal Court in Newmarket he re-

ceived one year on a breaches of probation charge. Six months concurrent on a second similar charge, and 30 days for driving while under suspension. A careless driving charge brought a 30-day concurrent sentence. Shulin was arrested June 13 by Police Chief R. P. Robbins after a car chase from Richmond Hill to Don Mills.

Accident Scoreboard
On the traffic accident front since January 1, 1960, there have been 85 mishaps handled by Richmond Hill Police Officers. Twenty three persons were injured and there has been one fatality. The police department reminds the public that with the long weekend holiday commencing today that drivers in general will have to be on their guard every minute.

Police Seminar
Chief R. P. Robbins returned Friday from Hamilton where he attended the five-day chief constables' and deputy constables' seminar at McMaster University. The June 20-24 police course, with 96 law officers in attendance was given over to a variety of lectures in police methods and administration. Lectures covered police record work, criminal investigations, laboratory work, police dog training, human relations, problems relating to alcoholism, breaking and entering and police and mass media communication. The annual refreshment is sponsored by the Attorney General's Department.

HEADFORD NEWS

CORRESPONDENT: MRS. H. ACREMAN

When the W. A. of Headford met for their closing meeting of the season, the president, Mrs. Calder, was not sufficiently recovered from her disability to be present, but her place was admirably taken by Mrs. Harry Burton. Tentative plans for the July Bake Sale were made and thanks extended to Mrs. George Barker for the splendid work done by Charlie on the chairs, and a donation of \$15 was made to the Vacation School. The program was built around a Refugee theme, with the very interesting film strip "The Year that Flowered," dealing with Chinese refugees, forming the keynote. A reading on "This Refugee Year" by Mrs. Melvin Wellman was much appreciated as were two duets by Mrs. Heber McCague and Mrs. George Joyce. In place of the usual scripture comments, Mrs. W. M. Wellman read a meditation by the late Mrs. McKillop, written just prior to her death in the early Spring.

An Austerity lunch of dry bread, cheese and tea brought an interesting meeting to a close.

Personals
Mrs. Acreman poured tea at a pretty Trousseau Tea, given by her mother, for Betty Gay, last Saturday afternoon.

Also in Church on Sunday were Mrs. Ida Ashman and Mrs. Pelletier, and who returned with Mrs. W. H. Wellman to her home for dinner.

An unfortunate circumstance affected the Sunday School room with smoke, and forced most

of the classes to be held outside. With such a lovely day, this proved to be very pleasant.

We are happy to note Mrs. Calder is recovering nicely able to stay up a little longer now than formerly.

Visitors with the Acremans on Sunday were Mr. and Mrs. Charlie Porter of Iondale Heights and their cousin, Mrs. Ethel Bursop. Sorry to have missed Larry Burton's birthday last week when he celebrated his seventh birthday.

Anniversary congratulations to Mr. and Mrs. Melvin Wellman for June 28, when they will mark their eighth year; also to Dr. and Mrs. Binnington for their twenty sixth, on the same day. Mr. and Mrs. George Joyce will celebrate their thirty fourth anniversary on June 26th.

The very special thanks of all the Headford folk who went, goes to the society at Stouffville.

Open Modern Showroom & Facilities Love Lumber

One of the many outstanding features of the sparkling new John C. Love Lumber Co. Ltd., at 7079 Yonge Street just north of Steele's Avenue which officially opened last week, is its architectural design. Departing sharply from traditional plans for such types of lumber supply stores, its 80 foot wide glassed front beneath a column-supported full-length canopy is one of the most modern structures of its kind in the province. It is a worthy addition to the area's booming and modern development.

Indoors one section of the display area has been partitioned off to show the effect possible by using different wall finishes and tiles. The offices are on a mezzanine overlooking the main portion of the building. A huge warehouse is directly accessible from across the outstanding showroom. Huge overhead doors allow trucks to enter the building for loading and unloading.

Self-Service
Modern exhibits of packaged merchandise, paint and building material abound and a cheerful courteous staff is always ready to be of assistance, but Mr. Love stresses that self-service is being emphasized, something rather new in this business. The self-service feature speeds up buying and the excellent displays themselves make it easy for the average buyer to make his selection with accuracy and to his satisfaction.

The new store, which replaces the former 10-year-old business which was destroyed by fire only last January, will serve Willowdale, Thornhill, Richmond Hill

and Metropolitan Toronto. The showroom itself gives one an idea of the stock available which includes fine varieties of hardwood plywood and special woods, cherry, mahogany, walnut and oak as well as other lumber. Every piece of fine building material is guaranteed.

The 10,000 square feet of covered floor space and adequate open stockpile storage are other features, as is the spacious car lot in front where there is room on black asphalt for 50 vehicles.

Community Service
Mr. Love, noted for his community service, is particularly interested this year in a softball team which he is sponsoring.

He is a charter member of the Willowdale Rotary Club and president of the Willowdale Businessmen's Association. He is as well a 32nd degree Mason and Shriner and is a member of the Ancient and Accepted Order of the Scottish Rite. His recreational activities includes golfing and sailing and he is a member of the Toronto Yacht Club. Mr. Love and his family (he is the father of two children) live at Finch Avenue West.

Assistant manager at the new store is Pete Devries who has been associated with the firm for four years. The Holland-born Peter is experienced in every line of material the company offers.
