

Let me show you how easy financial housekeeping can be with TD Twin Accounts

"Under the Twin Account Plan, you simply open a Personal Chequing Account in addition to your Savings Account. Then all you have to do is deposit the necessary funds, to meet your day-to-day expenses, in your Personal Chequing Account and pay all your bills by cheque. This way your cancelled cheques and a statement of your account are forwarded to you every sixty days.

This plan not only gives you an accurate record of your spending, but the cancelled cheques serve as receipts and reminders of expenditures that are deductible for tax purposes. The Personal Chequing Account's other advantages include lower charges per cheque issued and speedier counter service. But the big advantage is the combination of the two accounts. Your Personal Chequing Account for the payment of bills only and your Savings Account for regular, systematic interest-bearing savings.

Our convenient, Twin Account plan is just one of the many useful and efficient services the people at "The Bank" have to offer. Just one visit to your nearest branch will convince you that...

people make the difference at THE TORONTO-DOMINION BANK

P. DYSON — Manager Richmond Hill Branch

# Turn Sod Brown's Corners United Church Extension

There was a service of quiet reverence at Brown's Corners Church on Sunday morning of this week, when members and adherents of the 117 year old congregation gathered to dedicate themselves to the building of an extension to the present church, and a sod-turning ceremony.

The present dignified small red brick church, in its setting of evergreens and tall elms with the quiet graves beside was built just before the turn of the century to replace an earlier wooden structure.

At that time it was surrounded by fertile farmlands crossed by rutted roads little better than trails. Today, with two main highways at its doors and new homes rising all around, expansion is necessary and the congregation met to pledge themselves for the undertaking.

Rev. Norman Pick, B.A. of St. Andrew's United Church, Markham, represented York Presbytery at the ceremony, and Rev. Dr. A. F. Binnington preached a fitting sermon on the text "He that putteth his hand to the plough and looketh back is unworthy of me." The fine Scottish accent of Rev. Morrison Selinger of Owen Sound, a visitor in the community, who read the scripture brought to mind the sons of Scotland who founded the original Presbyterian congregation here. The black-gown choir, the ministers in their gowns and rabats, the rich red embossed carpeting and the soft tones of the electric organ must have been a far cry from former days. Likewise the swish of traffic beyond the open windows which invaded the Sabbath calm.

Among the choir members present on this memorable occasion were Mr. and Mrs. A. Ste-

phenson, Mrs. W. Rodick, Mrs. A. W. Miller, Mrs. Clayton Jones, Mr. and Mrs. Harold Steffler, Mrs. H. R. Paterson, Misses Sandra Burr, Joy Fuller, Janet Craig and Messrs. Jack Gough and Charles Turner. Mrs. Donald Reesor, a great granddaughter of the man who gave the land for the first church played the organ. Unfortunately, Mrs. S. J. English, choir director was unable to be present.

For the sod-turning ceremony the congregation moved outside to the land at the back of the building which has been designated for the new extension. Three symbols were presented — (1) a large white cross chalked on the green grass denoting the hallowing of the ground "Where- on our children and we who walk with them will witness worthily the faith within." (2) a plough and spade (the former used 80 years ago by Mr. Wm. Brown, father of Mr. John Brown, the present secretary of the church and the man who stood at the plough) marked the congregation's determination "by God's grace to accept without stint or flinching the challenge of our Lord and Master Jesus Christ: He that putteth his hand to the plough and looketh back is unworthy of me." (3) A hymn was sung — O God Our Help in Ages Past — to remind that "even as our forefathers walked in the light, so we walk confidently into the future knowing "save the Lord build the house they labour in vain that build it."

The first sod was turned by Mr. Hank Coleman, chairman of Sector, at the north arm of the cross. Mrs. A. W. Miller, Harmony Club president turned the second sod; Mrs. Wm. Rodick, pres. of W.M.S., the third, and

the fourth was turned by Mr. Tom Stephenson representing the Y.P.U. Ropes to pull the plough were held by Mr. Norman Reid, chief clerk of session and Mr. Charles Turner, Sunday School superintendent. At the close of the ceremony all members of the congregation, manned the ropes, with elders and board of steward members and building committee members leading the way.

Following remarks by Rev. Norman Pick and prayers the Doxology was sung and Dr. Binnington pronounced the benediction.

Among the family names (old and new in the community) represented at the ceremony were those of Brown, Hood, Burr, Reid, Stephenson, Paterson, Ford, Brumwell, Champion, Turner, Maw, Coleman, Alex. Sherman, Christiansen, Baldwin, Gough, McTavish, Walton, Craig, Craigie, Palmer, Carruthers, Putnam, Leper, Rodick, Steffler, Baker, Leaf, Stewart, Miller Fuller, Clarke, to name several, and many friends were also present.

Seven tenders have been received and work on the new project will commence shortly.

## New Conservation Area

The 50-acre Humber Trails Conservation area, two miles east of Nobleton, was officially opened July 20 by William Hodgson, Reeve of King Township, which deeded the land for one dollar to the Metropolitan Toronto and Region Conservation Authority, for the purpose of developing these flood plain lands for recreation purposes. Seen at unveiling of plaque are (left) George Lisk, Warden of Simcoe County, Reeve Hodgson, Major A. A. MacKenzie, M.C., M.P.P., Dr. G. Lord, Authority Chairman, T.A.C. Tyrrell, Deputy Minister of Planning and Development, and W. L. Clark, Warden of York County. The acquisition and development of flood plain lands plays an important part in the overall flood control program of the Authority.
