## Thornhill Notes

**Vacation Bible School**  
Don't ever think children don't like going to school — they love it. They do get bored with it, of course. This is borne out by the fact that in June, when registration forms were given out for the Vacation Bible School, only 25 children registered, but when the Vacation Bible School opened last Monday, August 8th, 70 children turned up. On Tuesday 100 made their appearance and by Wednesday, the attendance totalled 100. The children range from five to twelve years of age and attend the Vacation school every afternoon from 1:30 to 4 p.m. at Thornhill United Church. The school is the joint project of all the Thornhill churches who have all provided teachers. The program is directed by four "Caravanners," young people sent out by the Board of Christian Education of the United Church. These are Mr. Keith Brown, Miss Barbara McDonald and Miss Kathryn Sarjeant, all high school students, and Miss Louise Andrew, a school teacher. These young people took a special course during the winter and are spending their summer travelling across Ontario and Quebec doing this work. They are billeted in private homes and receive no pay for their services. Under their guidance and that of the other teachers, the children enjoy a program of singing, followed by Bible study, a period of games followed by refreshments. Next comes a period devoted to handicrafts, and the school closes each day with a worship service.

tario weathermen had a slight mixup and drew the wrong weather, doesn't it?  
Rev. and Mrs. Wm. Askew also returned last week from their vacation. Leaving just before the end of June, they spent two weeks at Goose Rock, in Maine in a house right on the beach. They were home for a day before going off again, this time to the Senior Girls Diocesan Camp at Lake Couchiching. Rev. Askew served as Chaplain, while Mrs. Askew was a leader. There were 120 teen-agers along with 20 counsellors and another 20 permanent staff members, so the camp was quite a large one. Three girls from Holy Trinity were Counsellors for the Senior Girls Camp, Suzanne Ball, Jane Redman and Elaine Jones. At the Junior Girls Camp now being held at the campsite, there are also three Holy Trinity girls working — Ann Holden as a leader, Carolyn Miller as a Counsellor in Training, and Jane Redman who stayed on for the next camp. At the following camp, also for Junior Girls, Marilyn Devey and Beverley Byford, both from Holy Trinity, will be acting as Counsellors in Training. Another Holy Trinity girl spending the summer at the camp for the fifth consecutive summer is Barbara Howes, who is a very popular swimming instructor.  
Mr. and Mrs. Donald Gillies of Elgin Street are at present visiting at the home of Mrs. Gillies' parents, Mr. and Mrs. D. Lyons, at Barrington Passage, Nova Scotia. Peter, John and Margaret are with their parents and enjoying their holiday to the full, especially so since they are right on the ocean.

The school continues to August 19th and on the afternoon of Friday, August 19th, there will be a "Graduation" held. Parents are invited to attend and view an exhibition of the work done by the children.

**Thornhill Pool Annual Swim Meet**  
Thursday, August 18th at 7 p.m. the Annual Swim Meet will take place at the Thornhill pool. There will be classes for both boys and girls — Juniors, age nine and under, who swim one width of the pool, Intermediates, twelve and under, who must swim one length, and Seniors, 15 and under, who swim two lengths of the pool. There will be ribbons and trophies for both boys and girls, a diving competition, and an open event for anyone who can swim four lengths of the pool.  
Because of the large number of young non-swimmers who took part last year, somewhat holding up the proceedings, a separate meet was held for them on Wednesday, August 17th.  
On Friday, August 19th, at 3:30 p.m., some of the members of the staff at the pool will put on a demonstration of artificial respiration. This is something everyone should know about, and there should be a good turnout.

## Thornhill United Church News

No further news has been received about the arrival of the Palevic family, the refugee family the church is sponsoring. However, news was received last week from the congregation's other "project" the young student minister whose work this summer in the mission fields of Manitoba is being financed by Thornhill United Church. Mr. Derwin Docker is a student at Western University and in his letter to the congregation, he thanked them for their interest in his work and invited any interested people to write to him.  
On Sunday, August 7th the special speaker at the morning service was Rev. George Slater. Rev. Slater is a friend of Rev. McDonald's. Originally from Willowdale, he has been preaching in Bredenburg, Saskatchewan. His sermon was entitled "Release God's Power." The soloist was Mrs. H. Martin and she was accompanied by her daughter Miss Lona Martin at the organ. The entire service was taped and broadcast over station CJRH, Richmond Hill, on Sunday, August 14th.

Rev. and Mrs. Calvin Chambers returned last week from a month spent in Vancouver, where they visited Rev. Chamber's parents. The family flew out by jet plane in something under four hours — quite a difference from the seven days it takes to go by car. While in Vancouver, they had fine warm weather and it didn't rain all the time they were there, a real record for Vancouver. Sounds as if the B. C. and On-

## Vaughan Council Briefs

Vaughan Township Council, at its regular Monday meeting, said it would shortly meet with officials of Metro's planning office to review, again, the question of Woodbridge annexing part of Vaughan. At least four different plans have been presented, none of which has met with unanimous approval.  
A Pine Grove resident who complained that a neighbour was illegally using his next-door yard as a used-car lot and wrecking plot was promised copies of the township's and provincial by-laws relating to such problems, to see if the neighbour could be induced to stop using the yard as a wrecking plant.

Cousins Dairy of Aurora was granted permission to erect a \$7,000 ice cream outlet at Pinecrest Speedway on No. 7 Highway.  
A request from residents of the Freeborn Development in Concord that they be allowed to reduce their frontage to allow for a roadway, was turned over to the planning board for study and approval.  
Council legalized the existing right-of-way at the Robert McMichael property south of Kleinberg. The stately residence, valued at upwards of \$100,000, has been willed as a museum to the Conservation Authority.

CORRESPONDENT: MRS. H. ACREMAN  
R. R. 2 Gormley — Phone Turner 4-2236

**Baseball**  
On Tuesday night Headford and Gormley had both scored one run at the end of the first inning. Due to rain falling quite heavily the game had to be postponed until Friday night. Headford's team was then able to defeat Gormley by a victory of 17 to 11. Good work boys.  
The next games are as follows: August 16 - Headford at Buttonville.  
August 18 - Victoria Square at Headford.  
August 23 - Gormley at Headford.

Mrs. W. Wellman and friends from Toronto paid a visit to see Marian and Allan Wellman and their family at Ravenshoe.  
Mrs. Doug Calder drove to Stratford this past week to see "Midsummer Night's Dream" at the Stratford Festival. Her remarks were "Fabulous!" which very aptly describes the performance as well as the buildings.  
After the play, she visited her parents, Mr. and Mrs. Gull at Rockwood on her way home.  
Mr. and Mrs. L. F. Bagge of Uxbridge, spent Friday with the Lees. They have both improved greatly in health.  
From the cards that have arrived in the community from the Harold Acreman's they are having a superb time in Canada's West. They have already visited Banff, Lake Louise, and on to Victoria. Each day seems to be filled with interesting places to visit.

**Gladiolus Show**  
All of those from Headford who were able to attend the recent Gladiolus show, would undoubtedly be delighted with the beautiful specimens on exhibit. There were so many interesting new combinations of colours in the seeding group as well as in the baskets and table arrangements. The "School of Flower Design" demonstrated how to make a beautiful arrangement using gladioli. Each lady, watching the demonstration, was presented with one of the famous Richmond Hill Roses and one lucky lady was presented with a table arrangement of roses.  
Headford ladies, namely Mrs. Geo. Barker and Mrs. F. Barker worked very hard to make it a successful show. Mrs. F. Barker played a leading part in her role as director and Mrs. Geo. Barker was in a trio, with Mrs. Turner of King and Mrs. Cruickshank of Toronto, to demonstrate a poor us with a proper arrangement, for which Mrs. G. Barker took another "First Prize."  
We would like to congratulate Mrs. Geo. Barker on her wonderful achievement as she was one of those holding the highest number of points for the entire show.

**Annual 4-H Tour**  
Several of our local boys were able to take the annual trip for the 4-H boys of this district, namely — John and David Rumble, Billy Clarkson, Albert Leek, and Charlie Barker.  
The boys had a very exciting and interesting day. They enjoyed every minute spent at their various destinations.  
They were thrilled to be able to see the North Star planes at Malton Airport, then on to the Pioneer Village (Dalziel Park) at Edgely where the boys saw farming equipment and buildings of the early pioneer days.  
The boys had their lunch at

at her grandmother's in Verdun. This past week-end Mr. and Mrs. Carl Wallace entertained Mr. and Mrs. Ken Pryke and family of Sarnia.  
Recently Mr. and Mrs. Van Room of Grimsby who had formerly worked at Glenorchy Farms, made a visit to Headford to see Mr. and Mrs. Peter Floory and family. They also called upon Mr. and Mrs. John Simpson and family.  
On Wednesday Gloria Mullin returned home after spending a delightful holiday with Mr. and Mrs. M. Wellman, Paul and Brenda. Mrs. Wellman also had a nice visit with her mother, Mrs. Manwell, and Gloria's parents, Mr. and Mrs. Elgin Mullin, before returning home.  
Margaret Brodie will now be enjoying every minute of her trip on the Continent. The last word from her came from London and she was all excited about her trip to five European countries.

**Two Year Term**  
The new Vaughan Township nominations, and election date, November 28 and December 10 respectively, will apply to the Vaughan Township Public School Board as well as present municipal office holders. The school board, elected for the first time last year, will have completed a one-year term but henceforth will serve two-year terms.  
On November 16, 1959, 150 persons from everywhere in Vaughan showed up at the municipal building in Maple when seven persons were nominated for the board elections. In view of the importance of the occasion this was not considered a gratifying turnout but indications are that school board matters have in the past year given rise to a broader and deeper interest among voters.

**Poor Turnout**  
Public apathy was strikingly apparent on November 23 of last year when only 12 per cent of the voters went to the polls to choose five board members.

**Heading the polls** was Mr. Herb Constable of Maple, subsequently named as chairman, who garnered 638 votes. Members Mrs. Ruth Hogg of Kleinburg received 630 votes, Milton Savage, Patterson came third with 582 votes, Mr. Sam Kaiser, also of Kleinburg, was fourth with 573 and Mrs. Mona Robertson, present vice-chairman, got 473 votes. Warren Baillie of Concord and Edward Hayes of Maple were the defeated candidates.

**There were 8,891 taxpayers** eligible to vote and of these only 1,104 cast ballots. Some people complained they did not have enough time to decide issues and the relative worth of the candidates; others said not enough publicity was given to the ratepayers regarding the election or the polling stations. At all costs the 12 per cent represented a miserable turnout, ranking high with province-wide if not nationwide voting "lows."

## Two Year Term Vaughan School Elections Dec. 10

The new Vaughan Township nominations, and election date, November 28 and December 10 respectively, will apply to the Vaughan Township Public School Board as well as present municipal office holders. The school board, elected for the first time last year, will have completed a one-year term but henceforth will serve two-year terms.  
On November 16, 1959, 150 persons from everywhere in Vaughan showed up at the municipal building in Maple when seven persons were nominated for the board elections. In view of the importance of the occasion this was not considered a gratifying turnout but indications are that school board matters have in the past year given rise to a broader and deeper interest among voters.

**Heading the polls** was Mr. Herb Constable of Maple, subsequently named as chairman, who garnered 638 votes. Members Mrs. Ruth Hogg of Kleinburg received 630 votes, Milton Savage, Patterson came third with 582 votes, Mr. Sam Kaiser, also of Kleinburg, was fourth with 573 and Mrs. Mona Robertson, present vice-chairman, got 473 votes. Warren Baillie of Concord and Edward Hayes of Maple were the defeated candidates.  
**There were 8,891 taxpayers** eligible to vote and of these only 1,104 cast ballots. Some people complained they did not have enough time to decide issues and the relative worth of the candidates; others said not enough publicity was given to the ratepayers regarding the election or the polling stations. At all costs the 12 per cent represented a miserable turnout, ranking high with province-wide if not nationwide voting "lows."
