Attend Summer School

The Ontario Public School Men Teachers' Federation conducted its eighth consecutive Summer School in "School Supervision and Administration" at St. Andrew's College, Aurora, during August 15-26, 1960.

Fifty-six male teachers and principals came from all parts of Ontario to receive lectures by outstanding educators and to discuss such subjects as "Improving the Work Habits of Pupils", "What Every Principal Should Know About Reading", "New Courses of Study and New Textbooks", "Providing for Individual Differences", "Measurement and Evaluation", "Reporting to Parent", "School Law", "Relationship Between

School and Public".

Many of the "students" had already taken University Courses in the earlier part of the vacation period, but were unanimous in their opinion that the OPSMTF Summer School Programme has equipped them to serve their respective communities and the children of their schools to a greater degree than ever before.

Among those who attended were: Left to right: J. A. Breen (S.S. No. 16, East Gwillimbury, Newmarket); M. R. J. McRoberts (Powell Road P.S., Vaughan Twp.); C. D. McElhinney (Public School, Thornhill); R. J. Brooks (Regency Acres P.S., Aurora); J. Boysen (Public School, Milliken).

Re: Township of Markham Committee of Adjustment
Notice of Hearing—Our File CA/60/7
Notice is hereby given of a hearing to be held by the Township of Markham Committee of Adjustment at the Municipal Offices, Buttonville, Gormley R.R. No. 2, Ontario, on Tuesday, the 13th day of September, 1960, at 8 o'clock p.m.
NATURE OF APPLICATION
The application to be heard has been submitted by Thomas Statom, owner of Lot 15 and the Westerly 10' 2" of Lot 16 on the North side of Elgin Street, Registered Plan No. 8. The owner wishes to obtain permission to divide the said parcel into 2 lots with frontages of 90' and 93.54' respectively by a depth of 490' notwithstanding that the frontages are less than the 100' as required by By-law No. 1442.
Signed written submissions on this application will be received by me, at this office, prior to the hearing.
CHARLES HOOVER,
Secretary,
Committee of Adjustment.

King Trustees

Award \$4,950.00 Garbage Contract

From three tenders for a year's garbage collection, starting October 1, King City Village Trustees chose the middle bid of \$4,950.00 by a village man, Mr. George Brown, at the August 22 meeting in the Fire Hall. Mr. Allan Hilliard of Kettleby had tendered \$4,968.00, and Mr. J. E. Gibbons of Newmarket, \$4,860.00. From a surplus on the current service, trustees figured the net monthly charge of 90 cents a household could be continued. Beginning October 1, Mr. Brown will be making the Friday pick-up for 450 village calls. Besides the weekly collection he is to provide an extra pick-up after Christmas and next Spring.

While favoring the local bidder, trustees spoke highly of the excellent service given for 15 months by Mr. Hilliard and said they would strongly recommend him to any other municipality.

Road Report

Roads Commissioner Mrs. Mary Scott reported cleaning of the catch basin at Kingslynn and Patton revealed "everything but money"—dolls, plastic dishes and broken bottles.

She questioned if all catch basins in the village should be checked. Chairman Mr. Ronald Bolton considered this "should be automatic maintenance procedure". Purchase of a scoop for the purpose was arranged. Two loads of gravel were applied to William St. and more will be placed at the corner of William and Dew, Mrs. Scott said.

Trustee Warren McKendry moved that two "school area" signs be placed north and south of Kingslynn Ave. on Patton St., although the caution signs were not legally recognized.

Alter Traffic Signs
Secretary Mr. G. T. Thompson noted that likely within a month all King City traffic signs would be changed to the regulation black and white. Mr. Bolton read a letter from Mr. John C. Dew and Mr. William T. Heaslip pointing out there was no direct access to Doris M. Patton School from Kingslynn Subdivision.

"In order to avoid using the busy sidewalk, school children from this area have for the past four or five years been crossing our properties on the way to and from school.

"The number of children involved is steadily increasing and the amount of damage and inconvenience is keeping up with the increase of traffic," the letter continued.

"We feel we can no longer offer this privilege, but rather than close the door completely, we would suggest that the trustees consider providing access from across the bottom of Martin St. over the small stream that the children will have to cross.

"If this access were provided there would then be easy travel across open field which would be satisfactory until Martin St. links up with the proposed subdivision to the north."

Mr. Dew and Mr. Heaslip asked trustees' comments so they could advise school authorities. Trustees agreed a footbridge would be placed across the Hummer stream if the owner of the subdivision property were agreeable.

Mr. Thompson was asked to include a notice with water billing, informing parents of the alternative short cut to school. Cost of the footbridge was estimated around \$70.00.

Trustees discussed a letter from township council, which had received a letter from Valentine Enterprises requesting an inspection of Valentine Acres

prior to releasing of the subdivider's bond.

Protest Litter
The Chairman read a copy of the letter trustees sent August 11 to a daily paper's distribution agent in Richmond Hill advising that "effective immediately, delivery or distribution is forbidden on any of the streets or public areas of this village.

The letter pointed out, "In spite of repeated warnings, the amount of litter thrown on the street and in the ditch at the south-west corner of King St., King City, is becoming worse instead of better.

"We regret the necessity of this prohibition, but we cannot expect our ratepayers to clean up the litter occasioned by your operation any longer."

Trustees decided to lift the present water restriction, prohibiting daytime outdoor watering, on September 1. Water Commissioner Bolton reported the water supply "continuing good". Low pressure was experienced in some households, but no one was without water when an electrical adjustment was required at the pump, he said.

In preparation for the eventual widening of north Patton St. from 46 feet to the regulation 66 feet, Mr. Thompson was asked to contact property owners regarding their donation of ten-foot frontage, to facilitate ditch work.

A letter from Toronto and York Roads Commission signified about 125 feet of sidewalk on the south side of Springhill Road would be replaced at corrected level if trustees supplied a letter absolving the Commission of any claims.

Mr. Thompson was asked to contact property owners regarding their donation of ten-foot frontage, to facilitate ditch work.

Next trustees meeting in the Fire Hall is scheduled for September 12.

DEPARTMENT OF HEALTH TOWNSHIP OF NORTH YORK Files

Flies, besides being an annoyance, will contaminate food and drink and may cause illness. All windows and doors should be screened and food and garbage kept covered. Arrange to have your garbage "picked up" regularly. Use clean metal containers with tight fitting lids.

Flies which do get in a house can be eliminated by swatting or by special sprays. However, neither should be resorted to in the vicinity of exposed food. And, except during actual use, food should be kept tightly covered.
CARL E. HILL, M.D., M.O.H.

Jack Fraser —

(Continued from page 1)

clusively to raising Guernseys. Harold Clapp enjoyed the friendliest associations with him all during this time. "He was friendly, but a pusher," stated Mr. Clapp. "As long as you swung your own weight you stayed, but if you didn't you'd get out." In spite of the pressure of his chain of 25 retail stores, Mr. Fraser was always in the barn once or twice a day. If he couldn't sleep at night he came down to the barn and would pitch a little hay for the cattle. He had his favorites in the board and each morning he would go to work he would come into the barn to feed a handful of grain to his pets.

Mr. Fraser was a generous supporter of various charities and organizations and gave considerable support to Fisherville United Church. Although not a consistent churchgoer himself, he gave generously to the Presbyterian, Anglican and United Churches in Thornhill. He was a past president of the Canadian Guernsey Cattle Club, a Shriner, on the Board of Governors of the East General Hospital and a director of the C.N.E.

Interment was at Pine Hills Cemetery, with the service conducted by Rev. Wood McCleary, formerly of Woodgreen United Church in Toronto, and assisted by Rev. Wm. Askew of Holy Trinity Anglican Church in Thornhill. One of the pallbearers, Mr. George Surgenor, was associated with Mr. Fraser for over 30 years and was the first man on his payroll. He used to run messages around the store as a schoolboy and mind the store while Mr. Fraser went home to dinner. Other pallbearers were Vern Bean, Peter Walker, Lloyd Davidson and Jim Faulkner, managers of various stores at the Jack Fraser stores, and Harold Clapp, farm manager at Fraserdale Farms.

Surviving are Mrs. Fraser, the former Alice Whitney of Uxbridge, Ontario, a son Jack, of King, Ontario, and a daughter, Joan, Mrs. Charles G. Sissons of Toronto. To them we extend our deep and sincere sympathy. Their grief is shared by a wide and varied circle of the people in each of whom the name of Jack Fraser will always arouse warm and friendly feelings.

Downsview Boys Plead Guilty

Two of four Downsview youths charged by Vaughan Township Police with rifling the clothes in a parked car for what money they might contain on August 27 pleaded guilty and will be sentenced on September 6 in Newmarket Criminal Court.

Police said that the two youths, Gary Walters and N. Levesque both about 19, in company with two other youths, had lifted \$37.50 from the clothes of four bathers who had left their car parked near the swimming pool at Maryland Gardens just south of No. 7 Highway on Highway 400.

Police testified that Levesque offered to return \$15 of the stolen money to the owners when they were approached by the robbed, on conditions they would not inform the law. Walters and Levesque told the court they had nothing to say, and could give no reasonable explanation for their behaviour.

SCARBOROUGH — 150 children started a giant circus parade and carnival on August 22 to climax the Scarborough Recreation and Parks Department Summer Playground program.

NOTICE

TAKE NOTICE that an application has been made to the Ontario Municipal Board for an order re-dividing the Town of Richmond Hill into four wards to be numbered and described as follows:

WARD NO. 1:
COMPRISING ALL THAT PART OF THE TOWN OF RICHMOND HILL LYING EAST OF THE CENTRE LINE OF YONGE STREET AND NORTH OF THE CENTRE LINE OF CROSBY AVE.

WARD NO. 2:
COMPRISING ALL THAT PART OF THE TOWN OF RICHMOND HILL LYING EAST OF THE CENTRE LINE OF YONGE STREET AND SOUTH OF THE CENTRE LINE OF CROSBY AVENUE TO THE CENTRE LINE OF MARKHAM ROAD.

WARD NO. 3:
COMPRISING ALL THAT PART OF THE TOWN OF RICHMOND HILL LYING EAST OF THE CENTRE LINE OF YONGE STREET AND SOUTH OF THE CENTRE LINE OF MARKHAM ROAD.

WARD NO. 4:
COMPRISING ALL THAT PART OF THE TOWN OF RICHMOND HILL LYING WEST OF THE CENTRE LINE OF YONGE STREET.

FURTHER TAKE NOTICE that any person desiring to object to such application should file such objection in writing with the Ontario Municipal Board, 145 Queen Street West, in the City of Toronto, on or before the 8th day of September, 1960.

AND FURTHER TAKE NOTICE that a copy of the description and the boundaries of the proposed new wards and a plan showing the proposed new division of such wards are available for inspection during regular business hours at the Office of the Clerk of the Town of Richmond Hill.

DATED at Richmond Hill this 22nd day of August, 1960.

Russell Lynett,
Clerk.

Here it is...
The Amazing
5 YEAR PACKAGE HEATING PLAN

All Your Heating Needs in one convenient package

- 1 Brand New, modern Oil Heating furnace... installed complete.
- 2 Automatic, metered delivery of your complete fuel oil requirements.
- 3 Day or night, 24-hour maintenance service... includes parts and annual cleanouts.
- 4 Life Insurance protection for your family, at no cost to you.
- 5 Low, equal, monthly payments... easy-on-the-budget... up to 5 years to pay.

Take a look at our Package Plan, it's by far the simplest, most convenient way to handle your home heating. There's nothing for you to look after... we take over the responsibility of ensuring that your furnace is always in tip-top working order... we keep your fuel tanks filled to meet your every need. Let us make a FREE Heating Survey of your home. It will not obligate you in any way. We'll tell you what your home needs; you decide what you want.
