

\$857,000.00 Road Projects—

Richmond Hill - Toronto Arteries Nearly Ready To Ease Traffic Flow

Chief Engineer A. J. Rettie of the Toronto and York Roads Commission told "The Liberal" this week that the \$395,000.00 two and one-half mile Bayview Avenue project from No. 7 Highway to Markham Road, which started August 1, will be completed, with pavement, by November 15. Further, the \$200,000.00 Markham Road project from Bayview Avenue to the Don Mills Road, started about five weeks ago, should be wound up by November 1. Meanwhile, the \$262,000.00 Markham Road project from Yonge Street to Bayview Avenue is expected to be in full operation by October 30. Of this \$262,000.00, the Toronto and York Roads Commission is paying \$142,000.00 and Richmond Hill \$120,000.00.

The Bayview section from No. 7 Highway to Markham Road will have a paved width of 24 feet, with 12 feet of gravel shoulders on each side and full-length ditches which will greatly ease drainage problems in this area. The right-of-way is being widened to a 100-foot minimum and a new bridge is being constructed just north of No. 7. Mr. Rettie said much of the bad swampy areas have been excavated and back-filled with more suitable material. The paved surface will be comprised of four inches of hot-mix, hot-laid asphaltic concrete.

Relative to Markham Road from Bayview Avenue to the Don Mills Road, a 100-foot right-of-way minimum is also being affected and a new bridge is being constructed just east of Leslie Street. The ditching, grading and graveling will facilitate paving at some future time. Mr. Rettie said that the total outlay, just under \$900,000.00 will represent a wonderful investment. "We're almost into the new age of faster and safer area traffic lanes," he said.

Markham Twp. Police Apprehend 3 Juveniles Who Wrecked Cemetery

Due to the astuteness of Markham Township Police, three juveniles were apprehended following acts of vandalism in Thornhill Cemetery Deputy-reeve Wilfred Dean announced Monday.

The deputy-reeve of Markham Township is a member of the Thornhill Cemetery Board, headed by Charles Boynton, chairman, which recently raised \$6,000 to restore and renovate the Thornhill Cemetery. Last week, 13 stones were tipped over, four of which were damaged beyond repair and Deputy-chief H. N. Cox deputized two Markham Township police officers to go from house to house, in the vicinity of the desecrated cemetery, and talk to every boy in the locality. The three juveniles were apprehended through this investigation, and the cemetery committee is meeting this week to determine what form retribution will take.

During the past six months considerable damage has been done by undetermined vandals who broke into the Thornhill Presbyterian Church, the Thornhill Farmers' Market, and the Thornhill Park, as well as shooting out street light bulbs. Deputy-reeve Dean praised the Markham Township Police highly for their quick apprehension of the cemetery vandals.
