WALTER SCOTT FALL FAIR

The 3rd Annual Fall Fair at Walter Scott School took place last Saturday, and it was bigger and better than ever. Thrilling grey skies were rolled aside as even the sun was caught up by the gay atmosphere and eventually smiled on the hundreds of children and adults that came to join in the fun and see the excellent exhibits.

There was something for everyone — races for all ages, Bean Bag and Dart Games and that old favourite of the children, the Fish Pond. Wonderful bargains were available at the White Elephant Table and there was a lucky draw each hour during the afternoon. The aroma of hot dogs wafted on the light fall breeze to tempt appetites in the great outdoors while inside dainty sandwiches and cookies were served in the tea room and the bake table presented a delightful assortment of baked goods and preserves to take home.

The students put a lot of time and effort into the preparation of their entries. Some were done last June, others were summer projects and many more were completed during this fall session. McConaghy Home & School

It is with pleasure we report that our first meeting for 1960-1961 was a successful evening. Many mothers and fathers expressed their enjoyment of the interesting programme. The meeting was opened by the President, Mrs. Deena Simpson, with a welcome for both old and new parents, also the introduction of the new executive, Mr. Garnet McDiarmid, Principal, introduced his staff, followed by Mr. D. Hutchinson who outlined the programme for the year.

We were very fortunate in having a return visit of Mr. Vernon Trott, psychologist with the Port Hill Board of Education as our guest speaker. Mr. Trott spoke of the problems facing parents in helping to develop their children into thinking adults. A film followed showing how a particular mother and father dealt with the situations Mr. Trott had discussed. After which parents talked over the film among themselves, with Mr. Trott answering any queries which arose.

The meeting came to a close promptly, with sufficient time for members to chat, and enjoy refreshments, if they so desired.

"Rose Of Richmond Hill" Winner Barbara Peirce Enjoys Modelling Career

Six-year-old Barbara Peirce who won the IGA "Rose of Richmond Hill" contest last year and was catapulted into an unexpected and highly successful modeling career, will crown a new "Rose" at Allencourt Plaza, Friday, October 7.

Little has been the same around the William Peirce household on Richmond Hill's Rockport Crescent since "Barby" a pert, curly haired blonde, won the title in a field of 250 bantam beauties, aged three to seven.

"I thought life would go back to normal — suburban hum drum — when the lights of the newsreel cameras and press photographers flash bulbs died down," her mother recalled. "But the excitement was only beginning."

Barbara was invited to model in a fashion show and then the offers began to pour in for work in TV commercials.

This winter Canadians from coast to coast will become acquainted with Barbara's sparkling smile while the televising of oil company commercials on the hockey telecast. They'll also see her in TV commercials for breakfast foods, toothpaste and other national consumer products.

In addition, Barbara has been auditioned for TV acting roles and, as she never fails to do, has made a fine impression. Barbara is a natural born trouper. Photographers covering the Rose of Richmond Hill finals last year where she was the unanimous choice of the judges, milled at the way she posed and held her camera smile for 20 minutes.

Tears of excitement ran down her cheeks as photographers and a newsreel cameraman posed her and reposed her but not once did she relax the smile — not until all the pictures had been taken.

"She's the same when working in TV commercials," her mother said. "She just loves every minute of it."

A successful acting or modeling career is almost a certainty for Barbara. Before she was six years old she was being compared with Shirley Temple. She's even got her own agent.

Her modeling success has also led to modeling jobs for her brother and sister and several cousins.

And on October 7, she returns to the scene of her first triumph to crown a new Rose of Richmond Hill at Allencourt Plaza.

Said her mother: "I hope the new winner is as lucky."

The second Annual Rose of Richmond Hill contest sponsored by the merchants of Allencourt Plaza will remain open for entries until Saturday evening October 1.

Free photos will be taken of all children up to and including 12 years of age in an Allencourt Plaza store if the child is accompanied by a parent. Free photo slips will be available in all Allencourt stores with any purchase.

Parents wishing to enter a little girl in the contest can fill out an entry form which will be provided in the store where the color photos are being taken.

Color photos, individually mounted in a folder, can be picked up at the Plaza one week later.

Vaughan Youth Fined \$50. - Costs

A Vaughan Township youth, Norman McMahon, who started out on September 24 a raging lion, was a meek lamb in Newmarket Court on Monday when he pleaded guilty to a charge of causing a public disturbance and was fined \$50.00 and costs. He had the alternative of sitting inside looking out for seven days.

Vaughan Township Police said that he was picked up at the Pinecrest Speedway on No. 7 Highway. "There was an argument between two spectators," police said, "and accused tried to straighten out matters between them by throwing himself about, yelling and cursing and attracting considerable attention." Police said accused had been drinking but was not drunk. McMahon, thoroughly sober looked crestfallen.

Gormley's Oldest Resident Passes

Mrs. Eliza Isobel Sproule passed away early Wednesday morning at the Gormley Nursing Home, in her 95th year. Mrs. Sproule was born near Sutton on November 25, 1865. Her parents were Mr. and Mrs. Ellis Sheppard. She had five brothers and two sisters and is survived by only one brother, Mr. Emerson Sheppard of Pine Orchard. She received her elementary education at S. S. No. 7, North Gwillimbury at Belhaven, her secondary education at Collingwood High School, and attended Normal School at Ottawa. She taught seventeen years in Canada at Madoc, Sharon, and in Western Canada. From here she went to Chicago, Illinois where she taught many years and was superannuated.

In 1901, she was married to Mr. Albert H. Sproule. They had one daughter, Eleanor, the late Mrs. Herbert Moorby, who predeceased her in November 1955. She is survived by two grandchildren (who both followed her profession) Albert of Gormley, and Lois (Mrs. Ross Baker) of Grimsby.

Mrs. Sproule travelled extensively, several trips to California and also a trip through Europe. She always had a very keen mind, and was always very interested in people and world activities. She returned to Gormley in 1936 to make her home with her son-in-law and daughter. She took an active part in the Women's Institute for many years. She spent nearly five years in the Gormley Nursing Home.

The funeral service was held on Saturday afternoon, September 24, at Roadhouse and Rose Funeral Home, Newmarket. Rev. C. E. Hunking conducted the service. The beautiful floral gifts paid a silent tribute to a long and useful life. The pall bearers were Messrs. Bernard Davidson, David Davidson, Whitford Sheppard, Roy Brillinger, Charles Milsted, and Walter Brillinger. Interment was in Aurora Cemetery.

Sympathy is extended to the bereaved family.
