## King City Notes

### Firemen Hosts

"Open House" at the Fire Hall, King, proved to be a family affair, with junior visitors happy they had permission to climb all over the new pump.

Both red fire trucks shone, free of any specks of dust, and the firemen explained they usually serviced the vehicles once a week. Fire Chief David Glass and most of the Fire Brigade were on hand to greet residents. Township Council and Village Trustees were represented.

Numerous accessories to the pump were shown to visitors, such as the rubber-head hammer used so equipment won't be damaged, and the powerful fan which could clear a house of smoke. The rescuator is no longer stored in the Fire Hall, but kept at the doctors' offices for use in emergencies.

In the back room used as meeting place for the firemen and as village office, hot coffee and cookies were served by Women's Association members, Mrs. David Glass, Mrs. Len Robb and Mrs. Allan O'Brien.

Coins were collected in containers, in support of the Muscular Dystrophy Association.

## Triumphant Juniors Bring Home Cup

First the King Senior Girls, and now the King City Junior Girls Softball Team in the King-Vaughan-Whitchurch League won the cup for being the best of six entering teams.

Running the full five games of the best three-out-of-five in the finals, King girls mopped Maple Juniors 17-4 in the last game that counted, in King Park.

The League cup captured by the King cuties is the same trophy they earned two years ago. Coached by Larry Monkman—himself a catcher on the King Men's team—and by Peter Rawlings, the girls took the lead over Maple, Oak Ridges, Lake Wilcox, Vellore and Richvale Juniors.

Sandra Forester, as captain, is considered "extra good" by her team mates and played short stop position. Others on the successful team are Lee Cooper, catcher; Susan Davies and Denise Heaps, pitchers; Nancy Funke, first base; Sharon Simpson, third base; Diane McLean, second base. Competent fielders were Beverly Hunter, Roberta Wilson, Jane Darrach, Nancy Forester and Beth Cairns.

This is the first time both King girls' teams brought home the cup!

## Lake Wilcox Ratepayers Seek New Election Date

The monthly meeting of the Lake Wilcox Ratepayers was held at the school Monday, October 3 at which time a letter was instructed to be sent to council suggesting the possibility of holding December elections this year on a Saturday instead of the usual Monday. It was felt by the majority of those present, more people would be inclined to come out and vote on a relatively quiet day as Saturday rather than a working day such as Monday. A suggestion was also put forth that Whitechurch should be divided into wards and a councillor to represent each be elected.

It was also pointed out that farm assessments were much lower than in single homes. The fact was discussed that a councillor, who is also a contractor, has submitted bids on school projects within the township. The general feelings were that as a councillor of the township he should not bid for contracts within Whitechurch, which only creates a situation that does not impress ratepayers favourably.

It was noted that those sitting on the "Court of Revision" were owners of large tracts of land, not single home owners, and therefore could not understand the problems of a single home, resulting possibly in decisions not favourable to the working class.

The "Court of Revision" was also slated for discussion. This is set up by the township in order to settle assessment complaints. Comprised of Herb Simpson, R. C. Baycroft, C. E. Toole

## Graduates, Teachers And Parents Attend Graduation Party L. Wilcox

Only 17 of the 24 students who passed through the hallowed portals of good old Lake Wilcox Public School were able to attend a final tribute in their honour recently and attendance for the party numbered 53 including parents and teachers.

Mr. Bud Marchalle and Mr. Don Hodgson, representatives of the Oak Ridges Lions Club were on hand and presented the school with a delightful new trophy which will be put up for annual competition in the 1961 season. While the local school board have yet to decide on what merits the trophy will be awarded, it is the intention of all concerned that a small replica will be given the winning pupil each year and his or her name will be engraved on the larger one which will remain at the school. In his welcome address to the parents, Mr. Murray Brown, chairman of the board, extended to the graduates heartfelt congratulations on behalf of the board.

Guest speakers for the evening were Mr. D. D. Adams, school inspector, who spoke on the importance of education in character development, and Mr. Walter Barnes, who last year was a very popular member of the staff and now is taking extension courses at the University of Toronto. He stressed to the graduates the importance of really "buckling down" early in the school year or as he put it "once the consequences are cited himself as an example of what lack of early interest can do when he told them

his Grade 13 marks were too low to allow him to enter the university, thus proving that parents always knew but what students sometimes doubt, teachers are human after all. Lake Wilcox School is endowed to the fullest with an excellent teaching staff and possesses a most friendly school atmosphere among pupils, teachers, principal and parents.

Further speakers were Mr. W. D. C. Hall, principal and Mr. John Shearer, Grade 8 teacher. Towards the close of the evening Mr. Fred Lynn, Bayview Ave. and extended on behalf of the parents a vote of thanks for his capable manner in instructing the graduating class.

Amid due applause Volker Stein son of Mr. and Mrs. G. Stein, Bayview Ave., was presented the school trophy for highest academic standing, all round sportsmanship and leadership in his class.

A very delectable lunch was served by the secretary of the school board, Mrs. S. Cole and Mrs. Frieda Munro. Dancing drew to a close a never to be forgotten evening, a well rounded out finale to public school days for the grads.

## Married In King Mr. & Mrs. Hall To Live In Sharon After Honeymoon

In a setting of candle-light and red and white carnations, the evening wedding took place in All Saints' Anglican Church of Miss Audrey Jean Stephens, daughter of Mr. and Mrs. William G. Stephens, King City, and Christie Frederick Hall, son of Mr. and Mrs. Frederick Hall of Sharon.

Rev. E. H. Costigan conducted the ceremony, during which Mr. Stephens gave his daughter in marriage to the church organist. Mrs. Dan Rawlings, playing the soloist, Mrs. J. L. Forster, who sang, "The Lord's Prayer."

The bride wore a lovely long white satin brocade gown, with flaring skirt forming a cathedral train. The fitted bodice had a scooped neckline and the long pointed sleeves were fastened with tiny buttons. Her waist-length veil of fine embroidered net was held by a monk's cap trimmed with beads and pearls. She carried a bouquet of red carnations.

In the bridal party were Mrs. Jake Rawson of Long Branch, as matron of honor; Miss June Kucharski of Mimico, the groom's sister, Miss Patricia Hall of Sharon, and Mrs. Tom Hodgins of Scarborough as bridesmaids.

The senior attendants were dressed alike in street-length red romanza dresses, styled with fitted tops and full skirts. They wore little red matching hats of petals and veils and carried bouquets of white carnations to contrast.

The flower girl, Miss Patricia Louise Braden of Toronto wore a pretty white full-skirted frock with headband of red and white carnations to match her bouquet. Brothers of the bride and groom participated - Mr. Lyman Hall as best man and Mr. Art Hall, Mr. Joseph Hall and Mr. William Stephens as ushers.

A reception for nearly 200 guests followed at Graystones, attended by relatives and friends from Niagara Falls, Oakville, Applewood Acres, Bancroft, Newmarket, Lefroy, Bolton and Sharon. The groom's grandfather and great uncle and aunt, Mr. and Mrs. John B. Hopkins of

## Entertains For September Bride

Last Thursday evening at the home of her parents, Mr. and Mrs. Joe Gibbs, Willowbank Ave., Lake Wilcox, Miss Brenda Gibbs was hostess to several close friends who gathered to "shower" newly-wed, Mrs. Pearl Foster of Aurora with their best wishes. Those present were Marian Brown, Jade Seager, Karen Davidson, Virginia Huska, Sharon Copeland, and Catherine Moffatt. Mrs. Foster was married September 10th.

## Oak Ridges, Lake Wilcox Socials

In a telephone conversation with Mr. Archie Ross, scoutmaster, I learned that this year the Scouts were one of the few organizations holding meetings during the summer months. However, they did last week-end 12 of their number banded together to form two patrols, the Cobras and the Bats and attended the Camporee at Oxtail Scout Camp near Orangeville. Unfortunately Mr. Ross was unable to travel there with them, due to previous commitments, but got there on the second day in time to get them home. Both patrols obtained a C pennant but Mr. Ross felt if they had applied themselves more they could have walked away with higher laurels.

There will be a group committee meeting October 19 at which the District Commissioner Tom Harrington will be present. New recruits are urgently required and anyone wishing to join could contact Mr. Ross.

On October 22 the Boy Scout Association joined by their little brothers, the Wolf Cubs, will make their yearly all-out appeal for the well-known Apple Day. Let's all give these organizations our whole-hearted support.

### Brownie News

We take great pride in announcing the first Oak Ridges Brownie Pack have surmounted their problems and will hold their first meeting Saturday, October 15, at 10 a.m. at St. Mark's Church, 300 Yonge St., Oak Ridges.

Mrs. Gladys Taylor will be the Acting Brown Owl and Miss Karlen Davidson and Mrs. Terry Whitehorn will be acting Tawny Owls. However, please keep in mind, former Brownies only, please. New members will be accepted at a later date.

Meanwhile on the other side of the highway, the first Lake Wilcox Brownies considered themselves very fortunate in securing the services of Mrs. Jean Osborne who has joined the pack as an acting Tawny Owl, thus assuring the pack of their leaders when Mrs. Hilde Peschel moves to the States very soon now. It is a strange coincidence to note Mrs. Osborne, an American, is filling a vacancy caused by Mrs. Peschel who is leaving to become one Sunday, October 16, residents will hold a Church Parade to St. John's Anglican Church. If any fathers could help out by transporting Brownies to the church and back after the service, we would greatly appreciate it. Please call me for more details PR. 3-5954. On October 17, a Fly-UP to Guides will take place at 7.50 p.m. at St. Paul's Church, South Road.

Those graduating to Guides with highest honours are Madeline Cole, Linda Nichols and Connie Cole.

And now to explain something several mothers have questioned me about. Once a year each Brownie, Guide and leader is requested to bring a registration fee of \$1.00. Part of this \$1.00 is used as an insurance fee which covers girls and leaders at any Brownie or Guide function. Following so closely upon the heels of a new insurance plan being adopted this year at Lake Wilcox School, many mothers questioned the need of this further insurance protection. This ruling has been in effect for some time and is an annual fee in both the Girl Guide Association and the Boy Scout Association, and must in the case of the Brownies be in the hands of our commissioners before the end of the month.

This also includes the "teen-agers" who have just started and is effective until next September.

### Boys Club

Leader Jack Flicker and his assistants Jack Turfitt, Bill Campbell and J. Bingham, had a big surprise under their sleeves last Thursday for members of their Boys Club and would divulge their secret to no one. However, in a fast last minute phone call before my deadline, I was able to learn that the corn roast was the big surprise which was thoroughly enjoyed by all. The boys also worked on their handicrafts, making name signs and held their usual devotional service.

Several Oak Ridges and Lake Wilcox teen agers, students of Stouffville High School, attended a corn roast at the home of Gertrude Baker under the sponsorship of the Inter-School Christian Fellowship. A special assembly was held last Tuesday for students when special guests were the "Singing Davies of Canada."

Oak Ridges volleyball team in their first attempt in inter-school competition thoroughly subdued the Newmarket team with scores of 21-8, 21-4 and 21-2.

### Lions Club

The Oak Ridges Lions Club wishes to remind you of their Turkey Shoot this Saturday, October 15, south of Bond Lake on the farm of Walt Paxton. I have noticed signs on the roadside on the left side as you drive south. By the way the cards are going fast and if the weatherman cooperates a real turnout is expected. There are two classes open to local gun enthusiasts, shotgun and 22 cal. rifles.

The Lions are also on the look out for donations of unwanted but useful articles for their forthcoming auction sale. To have your donation picked up please call Stan Rule PR. 3-5825 or Tim Woolley PR. 3-5580. Proceeds of these activities will be used to further Lions welfare work in this community.

### Legion News

The President of the Oak Ridges Branch 570 Canadian Legion, has advised me of their 1960 elections and also that all Legionnaires note date and place and attend if at all possible, this is a very important meeting. Being unable to secure clubroom facilities for their regular evening, the October meeting will be postponed for one week and will be held the third Wednesday of the month, October 19, at 8 p.m. at the Ridge Inn. As a member it is your duty as well as privilege to attend this meeting to elect the 1961 executive.

I also learned that three members of Oak Ridges Branch represented at the District D.C. meeting at Port Carling on Sunday, October 2, in the persons of George Windsor, Charlie Swan and Roy Weaving.

### Junior Humane Society

Mr. Fred Mason, caretaker at Lake Wilcox Public School and recently appointed district inspector for the Society for the Prevention of Cruelty to Animals was most delighted to inform me that the Junior Humane Society program was discussed favorably at a recent school board meeting and now awaits the pleasure of the staff. It is the sincere hope of the SPCA to enroll every pupil. Each member will receive a pin and membership card, as well as instruction on the care of pets.

Mr. Mason said he would be happy to speak to any group on this subject.

### Cancer Society

An appeal for new membership, especially those who drive and own a car, and could help supply transportation to the city for patients requiring treatment one day a month was heard at the executive meeting of Oak Ridges-Lake Wilcox Branch of the Canadian Cancer Society held last week at the Oak Ridges home of Mrs. Marion Plumber. Anyone who could be available is asked to call Mrs. Elsie Deller, president at PR. 3-5067. The need is great and you would be welcomed with open arms. If you do not fit in the above category your services are needed just as desperately to make dressings and again phone to Mrs. Deller who will fill you in with all the details. Many residents of the North side of Lake Wilcox are particularly anxious as being among the missing. If you can help in other way do get in contact with Mrs. Deller as soon as possible.

### St. Mark's Womens Auxiliary

At the first meeting conducted by their new officers plans were discussed for a Christmas bazaar to be held November 12th. Mrs. D. Nash has assembled the chair and Mrs. R. Sayers handles the treasury. Much of the evening was spent in preparation of articles to be sold.

### Peoples Church Wildwood

Mrs. Martin Reif wife of Pastor Reif, Peoples Church, Wildwood Ave., Lake Wilcox recently was guest speaker at Park Road Church of St. John's Anglican and Mrs. R. Sayers handles the treasury. Much of the evening was spent in preparation of articles to be sold.

At a recent meeting of St. Paul's Ladies' Auxiliary at the home of Mrs. Ken Farquharson of Oak Ridges plans were made for a bazaar to be held in November. Of recent years the theme of the bazaar has always been "Down Christmas Lane" but an entirely new format has been arranged for this year. Among the usual home baking, aprons and mittens usually found at bazaars the "County Store" will feature such items of interest as a display of antiques. Many ladies will model fashions by gone days dating back to 1900. A series of pictures will be on display depicting this area as it was many years ago in the days before pavement.

The decorations are being made to carry out their theme right down to the old pot bellied stove. First Teen Age Dance for Lake Wilcox Teen-agers is to be held at the School on October 22nd. A committee meeting was held last week at the home of Mr. Ken Seager, Recreational Director.

### Social

Harvest Thanksgiving Services were held at St. John's Anglican Church, Jefferson on Sunday next, October 9 at 11 a.m. and 7.30 p.m.

The preacher at the morning service will be Rev. V. Y. Morley formerly Rector of St. Paul's Runnymede.

In the evening there will be short evening prayer, followed by a "Fireside" gathering in the Parish Hall to be addressed by a missionary lately returned from the Congo.

Mrs. Nicholls escaped during the fighting with her young daughter and hopes to return shortly to join her husband who has remained in the Congo.
