Markham Township—

**Residential Down, Industry Up
Reports Assessment Commissioner
Nearly 17 Million Dollars
13,427 Residents, 1960**

Assessment Commissioner Archie Fleming presented the 1960 assessment roll to Markham Township Council at the regular Monday session, stating, "I believe these figures prove that our position is increasing assessmentwise. Our residential rate is a little less and our industrial is more; our farm assessment is a little less too. In other words we are not losing our gains."
Total assessment for 1960 is \$16,507,826.44, with a population total of 13,427 persons.

Under population 1,073 children age 3 and under are listed. Other age groups are as follows: Age 4, 333; age 5, 343; age 6-7, 662; age 8-9, 621; age 10-13, 1,160; age 14, 230; age 15, 223; age 16-19, 733; age 20-59, 6,523;

age 60-64, 506; aged 65-69, 331; age 70 and over 687.
Assessment figures for the three wards in the township were broken down as follows, showing the total increase over 1959 total figures in brackets: Ward 1 \$5,556,589.15 (\$5,582,468.70); Ward 2 \$6,370,788.31 (\$375,154.46); Ward 3 \$4,580,449.00.

Of these figures it is interesting to note Commercial and Industrial assessment in Ward 1 increased from 21% in 1959 to 24% in 1960; in Ward 2, from 13.5% last year to 15.3%, and stayed firm in Ward 3 for 1960. Listed categorically assessment charges were: Residential \$7,882,-

675.00 (1960 47.7% - 1959 49%); Commercial & Industrial, \$2,741,-856.44 (1960 16.6% - 1959 15%); Farm, \$4,773,550.00 (1960 28.9% - 1959 31%); Vocation \$233,680.00 (1960 1.4% - 1959 .84%) and Vacant \$875,965.00 (1960 5.4% - 1950 4.16%).

Assessment for railways, telephone and pipe lines (included in above total) increased by \$48,162.70 over 1959 figures for a 1960 total of \$457,466.00; exemptions, for churches, schools, parks, etc., land and buildings stood at \$1,509,380.00; grants in lieu of taxes \$29,920.00. Supplementary assessment added since 1959 is \$596,263.00.

Reeve William Clark complimented Mr. Fleming for his well-presented report, which also included a breakdown of population in the three wards. Mr. Fleming read the 1960 population benefit noted the increase for each over 1959 Ward 1 had 222 more residents this year, total 5,146; Police Village of Thornhill, an increase of 22, making the total in the village 486 persons. Ward 2 had an increase of 65 in its 1960 population which totalled 4,637; Police Village of Unionville 625 in 1960, an increase of 98 persons. And in Ward 3 there were seven fewer residents in 1960, or a total of 3,644 residents.

Doug. Boyd Talks On Mums—

**Many Beautiful Blooms
At Fall Flower Showing**

The Richmond Hill annual fall flower show took on a special form as the President Mr. G. Longworth opened with the presentation of awards to two lovely young school girls, Miss Patsy McFadzean, 1st prize winner of this area and Miss Ann Thomas 2nd prize winner in a competition essay to promote conservation and sponsored by the Daily Star Newspaper. Mr. Longworth presented the girls with a cheque. These budding young authors were finalists of sixteen entrants from Richmond Hill and are to be commended for their grasp and approach to the subject of conservation.

Announcements were made by the recording secretary, Miss G. McLatchy and one coming event is significant for all club members. On October 26 at 8 p.m. the Cloverleaf Society is sponsoring a wonderful show and invites one flower arrangement to be submitted for competition and done by a member of this society.

Mr. Longworth then introduced Mr. Douglas Boyd. Since Mr. Boyd is a well-known member of this community, an eminent and expert participant of this society, it was a pleasure and a privilege to have him as guest speaker of the evening. Mr. Boyd's subject was "Chrysanthemums."

The "Mum" has always been more or less taken for granted in the flower kingdom and in memory was the traditional corsage at rugby games and proms. A recollection of Mr. Boyd's, was the fabulous gardens of Sir Henry Pellat of Casa Loma like a collection of huge coloured balloons that really were show types.

Today these large blooms have little commercial value and cannot compete with the varieties on the wanted list for florists and also outdoor plantings. The Chrysanthemum is a composite flower - that is - each petal is a flower and in itself produces a seed of its own.
Chrysanthemums give any garden a glorious variety of colour over a long season starting in late summer and until heavy frost. It is important to vary from one year to next as they are dependent on location in your garden in relation to shade.

The flower buds mature when nights get long and since the darkness is necessary to maturity of the blooms some florists now stop light by means of black cloth draped over the plants.

The culture of mums is relatively easy and they can be propagated by seed or by the division of the clumps and in a third manner of rooting slips. To obtain large single type blooms, disbudding is carried out by pinching away the lateral buds; however this pinching back should not be continued after the first week of July. Mums are rather bug resistant and the one real pest called the tarnish plant bug can easily be controlled by malathion spray and if mildew on the leaves occurs, a dusting of sulphur should return the plant to a healthy state.

After a question and answer session Mr. Boyd was thanked by Mr. Longworth and the meeting was turned over to Mrs. J. Grainger convener of the flower show. Mrs. Grainger was assisted by Mr. J. Spanner and Mrs. A. Kirchen. The many entries for this time of year had the interior as colorful as the changing scene outdoors.

The show was beautifully displayed in the lovely new decor of the Lion's Hall and the arduous task of judging so many entries of merit was fulfilled by Mrs. Dolan and accredited flower show judge.

(1) Court of Honour - Mrs. G. Caldwell.
(2) Specimen Class - Mrs. G. Caldwell.
(3) Arrangements - Mrs. B.

Kerslake.

(4) New Members - Mrs. Rumney.
(5) Junior - A tie between Janice Grainger and Susan Kerslake.

The next meeting will be the annual dinner for members and friends so please watch for announcements.

Vase of mixed flowers not over 18" high, Mrs. F. Titshall, Mrs. J. Rumney.
Mixed mums, 3 sprays: Mrs. J. Rumney.
A collection of seed pods or cones arranged for effect, Janice Grainger, Susan Kerslake.
Some pumpkin, decorated under adult supervision: Susan Kerslake, Janice Grainger.

**Wimbridge Cleaners
York-Simcoe
Champs**

Wimbridge Cleaners won the York Simcoe Softball Championship and the O'Keefe trophy in Richmond Hill on Tuesday night, defeating Bradford 4 to 3.

The game was a thriller all the way, and marked the third win for the Cleaners in the three-out-of-five series, with Bradford winning one game.

Pitcher Norm Roberts held the Bradford team to seven hits; while Bradford's good left-hander, Bob Armstrong, was knocked for 10 hits. Despite the cold weather, which was more conducive to hockey than softball, both teams played extremely well.

Secretary-treasurer of the League, Bud Eige, presented the O'Keefe trophy to Mr. Charles Wimbs, of Wimbridge Cleaners.

**Elect D. Plaxton
R. Hill Unit Pres.**

Donald Plaxton, Q.C., and a former member of Richmond Hill Council, was elected to a two-year term as President of the Richmond Hill Unit, Canadian Cancer Society at its annual meeting held in the Gordon MacLaren Auditorium of the Richmond Hill Library on Tuesday night. He succeeds retiring president, Floyd Perkins who held office for two years.

Returned to office were: Mrs. Gordon Purves, Unionville, Vice-president and Campaign Chairman; Mrs. Norman Ritchie, Secretary; J. Ken Clarke, Treasurer; Mrs. W. McDougall, Women's Services; Mrs. S. Ingmundson, Education; Mrs. W. Lennox, Transportation; Mrs. R. Flemming, Convener, and Mrs. H. G. Robertson, Publicity.

Clinic Here

C. A. Cathers, M. P. for North York, announced this week word has been received from the Honourable J. Waldo Monteith, Minister of National Health and Welfare, that the Federal Department of Health will make an \$18,311 grant towards establishing and maintaining a mental health clinic in the area served by the York County Health Unit. The clinic will be located in the Lawrie Building, 15 Yonge Street North, Richmond Hill.
