BY RON CRANE

The annual autumn madness finally ended last Thursday as the Pirates finally wrapped up the World Series with a 10-9 win over the Yankees. The game saw back and forth as runs came easy in the later stages of the game. Seven-all, then nine-all, and then the bottom of the ninth and the circuit clout by Bill Mazeroski that ended it all.

There must have been great celebration in the Steel City last week as they finally own a world championship. Mazeroski, the timely home run hitter, and Elroy Face, fireman extraordinary, were probably toasted by all the populace of Pittsburgh and deservedly so. Mr. Face undoubtedly saved at least two games and possibly three in the Pirate cause and Mr. Mazeroski's home run shot wrapped it all up and you can't do much better than that.

It was to be tough to be a Yankee. Come World Series time, no matter who the opponent, even if it were a team from Omsk in the U.S.S.R., they'll be the popular favourite. By favourite we mean sentimental favourite, because nobody, well, hardly anybody in their own ever-lovin' mind would bet against the power-packed Yanks. Nobody but a Pirate supporter that is.

Now that the sound and the fury is no more, for another year anyhow, the soap operas and old movies can get back on schedule and make all housewives happy. Hope you enjoyed the ending, dramatic ending at that! We did because like a heck of a lot of other people, for some fool reason, we like to see the mighty Yanks humbled. Could it possibly happen to Montreal Canadiens too, or is this just too much to ask?

SPORT SPOTS

Mom and Pop are finally being invited to show their progeny that they too are pretty fair skaters and cut no mean figure on the ice. The Adult Skating Club of Richmond Hill starts to operate at the Arena on Wednesday, October 26, from 8 to 10 p.m. and will meet every other Wednesday until some time in March.

You don't have to be a figure skater to enjoy the club. Any old kind of skates are sufficient as long as you have fun. For those who never learned to skate in their youth, lessons are available at a very nominal fee. Coffee and cakes are to be served as well so it should make a good evening of sport.

For those who aspire to the graceful art of figure skating a professional will be available to give expert lessons. If it worked out real well maybe we could talk the world figure skating authorities into a championship for those over the age of consent. Well over, that is.

The first Wednesday night, October 26, is an open night and absolutely FREE. All adults are urged to come with hockey skates, figure skates, speed skates, bob-skates or any other kind that you should happen to prefer. After the initial night the charge for a full year's membership will be \$10.00. If you'd like to try it without investing too much, you can attend as a guest for 75c and see how you like it. Fair enough deal, isn't it?

If you want more information about the club and its activities, please contact Mrs. Pedricaris at TU. 4-1932. Membership is wide open, so get in there now while the getting is good and enjoy a good skating season.

SPORT SPOTS

Toronto Argonauts have demonstrated that they can be beaten and the Toronto Maple Leafs are doing their damndest to show that they can't win. It's a screwy world for sure!

Sure the Leafs are going to get rolling eventually and win a game here and there, but this year it could be Chicago Black Hawks' biggest year in a decade. They may not end up with Lord Stanley's silverware but they could make things awfully interesting for all concerned. Only time and the Canadiens can tell.

SPORT SPOTS

Johnny Favery is a little fellow with a heart as big as all outdoors. John was badly mauled in a football game against Northwestern Ghosts just three weeks ago and now that the stitches have a good firm grip on his badly torn flesh he can't wait to get into action again.

Don't ever tell this fellow that football is strictly a big man's game. This 130-pound bantam makes the big ones compete on equal terms and whether he is tackling or bugging the ball he just seems to whittle them down to his size. He really loves to play football and in the three games he sat out was sorely missed by the rest of the Richmond Hill Indians.

Wimbridge Wins 2 Games In Row Battles Bradford For Championship

Wimbridge Cleaners moved within one game of winning the York-Simcoe League championship and the O'Keefe Trophy as they defeated Bradford in Richmond Hill on Thursday of last week and again at Bradford on Saturday. The final series is a 3 out of 5 affair and opened up in Richmond Hill on Tuesday, October 11.

Bradford won the first game of the series by a 6-5 margin and on the night's play deserved the win. The Cleaners outdid the Bradford team but stranded runners and fielding miscues were the downfall of the Richmond Hill team. Bradford scored six runs on six hits and had two errors charged against them. Wimbridge collected five runs on nine hits, but their four errors, all of which proved costly, directly affected the outcome of the game.

Wimbridge Wins 10 Inning Game
The second game of the final series was played in Richmond Hill last Thursday night and saw the series evened up as Wimbridge Cleaners won the ten-inning contest by a 5-4 margin.

At the end of 6½ innings, Bradford had a slender 1-0 lead. Bill Robson was safe on an error to open the bottom of the seventh and moved to second on a single by Glen Wright. Len McLean blasted a home run shot over the left field fence to score three runs and give Wimbridge Cleaners a 3-1 lead at the end of seven innings.

Bradford evened the game up in the eighth inning. Ted Vanderpol singled and was brought round to score as pitcher Jack Richards connected for a solid home run smash.

Ninth Inning Duel
Bradford scored in the ninth inning to move into front by a 4-3 margin as Gregory, on bases on a single was moved to third on a double by Frank Loney and scored as a ball was bobbled at second base. Stan Thornington

and the runner coming from third was forced at the plate. The next batter bounced to Roberts on the mound. Roberts fired to Glen Wright at the plate to force the runner from third and Wright relayed to Matt Kinnari at first base in time to catch the batter and retire the side.

Big Seventh Inning
As has happened so often in past games, the seventh inning was the crusher for Bradford as the Wimbridge power went to work and scored five runs. At the end of the sixth inning, the Wimbridge team had a 6-0 lead and by the time the seventh inning was over they owned a 11-0 advantage.

With Robson and Hunter already on base via a single and a fielder's choice, Glen Wright was walked to load the bases. Stan Thornington drew a walk and a run was forced in. Len McLean kept up his long ball habit (recently acquired) and poked out a triple to bring in three more runs. Ken Roberts was safe on an error as McLean came in to score the fifth and final run of the inning.

In the ninth inning, Norm Roberts singled and Grant Gibb walked. Both runners scored on a single by left fielder Bill Robson.

Bradford scored two runs in the bottom of the ninth but it was the old story of too little and too late. Stan Thornington, in addition to his fine work with the bat played a great game in right field for the Cleaners and made two good running catches to defeat the Bradford cause.

HIGH SCHOOL SPORTS NEWS

THORNHILL HIGH SCHOOL
Aurora has disbanded their junior football team and have somewhat disrupted the local high school schedule. However the Thornhill Junior Team is finding plenty of opposition to go against and sharpened their claws on St. Andrews College last Wednesday.

The S. A. C. team was sadly overmatched in this contest at Thornhill and by the end of the third quarter were behind a 46-0 deficit. Thornhill eased up somewhat in the final quarter and went scoreless winning the game by the 46-0 margin.

John Rumble went off tackle on his own six yard line and romped 104 yards for the score as Ray Smith blocked out the last defender in great style. The same Mr. Smith gathered in a pass from Roger Kedwell on a third down situation and went on to score handily. Paul Reeves hit for 2 T.D.'s while Kedwell notched 2 T.D.'s and four converts.

Thornhill Seniors had their win streak snapped as S. A. C. seniors defeated them in a rough and rugged game at St. Andrews. The S. A. C. crew clawed out a 19-15 victory over the Thornhill Team who almost won on a T.D. that was called back for clipping.

The junior soccer team under the tutelage of John Kajjoka played against the highly touted Richmond Hill Junior Soccer Team and took a 4-0 loss. That they were able to hold the score down as low as they did against the strong Richmond Hill Team is a credit to the team and the coaching.

RICHMOND HILL HIGH SCHOOL
The Richmond Hill Junior Soccer Team managed to keep their win streak unbroken as they shut-out the high scorers as he hit for two goals while Hans Goodmakers and Jeff Radley each scored once in a very well played game.

In a game with Newmarket Juniors the Richmond Hill Junior Team won by a 35-13 score and some members of the Hill team suffered agonies of frustration. A fumble on the opening kick-off by Richmond Hill paved the way for a T.D. in only two plays. Minutes later Ruggero Battaglia roughed a Newmarket player behind his own line for a safety touch and the two points seemed to spur the Hill Team into "horrid action."

Denny Cooper scored three T.D.'s but only one of them counted in the final tally. He tightrope-walked the line for a 75 yard gallop only to have his run nullified as it was ruled that he stepped out of bounds. He caught a pass and went for another only to have the pass ruled illegal and add to his frustration. Denny finally scored on an off tackle smash behind some good blocking to tally one legitimate touchdown.

The Hill Team were blocking and tackling well as a reshuffle of the lines seems to have done wonders for the club. Ed Addison, Denny Cooper, Bruce Walker and Bob Percival were very prominent in the Hill win.

On Friday, October 21st, Mr. Hal Brown, coach of Canada's Olympic Track & Field Team will visit R.H.S. and speak on the Olympics. His lecture will be illustrated by coloured slides of the games at Rome and should provide a real evening of first

Bowlers Annual Banquet

Richmond Hill Lawn Bowling Club had a most enjoyable and successful season reported President James Gainger who presided at the annual dinner at the Summit View Tuesday evening. The occasion was honored by the presence of Mr. Will LeBarr, President of the Ontario Lawn Bowling Association.

A pleasant feature of the evening was the presentation of the Stephens' Memorial Trophy for the first time. The first winners are F. Gilbert, Mrs. Mildred Mansbridge, James Grainger, skip. Winners of second prize were N. Hallman, Mrs. G. Robertson and Morley Hall, skip. The beautiful trophy is donated in honour of the memory of the late Mr. and Mrs. E. T. Stephens for many years enthusiastic members of the club. The presentation was made by Mr. Stuart Stephens. Other prizes for the season were presented and officers elected.

Need Bantam Age Hockey Players

All boys 14 years and under as of August 1, 1960, are invited to a bantam hockey try-out at Richmond Hill Arena. The practice has been called by the bantam coach, Jim Pollard, and goes at 9 p.m. Friday, October 21. All players desirous of a tryout with the bantam team should be at the arena at the above stated time.

NEWMARKET — York County is growing at such a rate that it is estimated that by 1966 there will be a population of 1,645,000, or 164,000 more than at present.

12-6 And 30-14

Indians Lose Thanksgiving Weekend Doubleheader Series

Richmond Hill Indians lost a 12-6 decision to East Enders on Saturday, October 8th in Richmond Hill. The Indians opened up the first quarter like a house afire but their attack fizzled out as the East End Team went on to win.

Billy "Red" Dunn was in the clear and away for a major score early in the first quarter but fumbled and the fumble was recovered by the East Enders. The Richmond Hill attack seemed to stall after this episode and the East Enders were able to go ahead and win on two unconverted touchdowns.

A somewhat mysterious play in the third quarter gave the East Enders the winning score. Richmond Hill were in possession and were forced to kick on third down. The kicker was roughed on the play by a charging East End front wall and the roughing was called by the game officials. During the altercation an East Ender grabbed the ball and went all the way for a major score which the officials somehow allowed. A mysterious play indeed!

Terry McCoskey quarterbacked the team in the absence of regular quarterback Ian McIntosh and performed a very creditable job. McCoskey accounted for the lone Indian score as he went over center on a keeper play for the T. D. which went unconverted. Bill Wilson and Jim Preston played well in the losing Indian cause.

The Indians had no cause to rejoice on Thanksgiving Day as the East York Team handed them a 30-14 pasting for the second loss of the weekend.

Charlie Dunn opened the scoring for the Indians by breaking in on the East York kicker, blocking the attempted punt and then diving on the ball behind the East York goal line. The touchdown was converted and Indians had a 7-0 lead going for them at the end of the first quarter.

Despite a marked territorial edge in play during the first half the Indians were unable to score and seem to suffer the Argo trouble of not being able to capitalize with any consistency when in close to the goal line.

East York opened up an aerial attack in the second half and on three separate occasions the Indians were called on pass interference. East York started to roll and they were just not to be denied.

Quarterback Ian McIntosh was available for the second half of the game and seemed to give the Indians a lift. He passed to Red Donn for a major score that was not converted. Terry McCoskey is a very good second quarterback and about the only thing he lacks is confidence. A few more games at the pivot spot and he should not have to take a back seat to any signal caller in the league.

Ontario Safety League Lists Proper Rules For Hunters

Timed for the opening of the duck season in Ontario, a summary of suggestions and rules for the "preservation and encouragement of duck hunters in the province" has been issued by the outdoor recreation division of the Ontario Safety League.

This year Safety League anticipates the usual quota of painful and fatal accidents. In an effort to reduce the toll the league offers a fairly reasonable catalogue of advice.

Observe Hunting Regulations
A summary of the Ontario Hunting Regulations can be obtained from any office which issues a gun or hunting license or by writing to the Department of Lands and Forests, Parliament Buildings, Toronto.

Safety Afloat
Safe boat handling frequently becomes a part of safe duck hunting. At this time of year hazards on the water are greatly increased because of lower water temperatures and greater possibilities of violent storms. If you use a boat for duck hunting take every precaution. Do not overload or overpower. Allow an extra margin of safety for emergencies. Be sure there is on government approved life jacket for each passenger and put them on if a storm threatens. Do not carry loaded guns in a boat unless anchored in a blind. And do not

stand up to shoot in your boat — it's a good way to lose an expensive shotgun and maybe your life.

Firearms And Ammunition
Carefully inspect your gun, making sure there is no looseness in action or stock and the barrel is clean and free of obstructions. Be sure your ammunition is in good condition and of the right size and load for the gun in which you are going to use it.

Choose A Captain
Duck hunters should decide who will be leader or captain of the shot when hunting in pairs or larger numbers. This should be done before entering the blind or hide. The most experienced hunter should be chosen. If they are hunters of equal skill the position should be alternated from day to day.

Sit Close
Hunters in a blind or hide should sit close enough together when shooting in pairs so as to prevent either hunter from getting in front of the other hunter's gun muzzle.

Restrict Field Of Fire
The field of fire for each hunter in a blind or hide should be agreed upon before shooting. The hunters' field of fire should not overlap his partners by more than a 45 degree angle measured from the centre line right angled to the front or rear of the blind.
