King Hockey is coming into his own in Richmond Hill in a very large way. The Richmond Hill Hockey Association has had to call a complete halt to any further registration as some 580 boys have already signed to play under the jurisdiction of the association and there just isn't room for any more players.

The task faced by members of the association and by referees and team coaches is a truly monumental one and to allow any further registration would seriously tax the whole project. Scheduling, which is always a knotty problem, has proved to be a real headache but is now running smoothly and evenly and the maximum number of players are deriving the benefits of a very sound hockey program.

It is a hard thing to have to say no to any boy but plain hard fact makes it necessary and we only hope that no one is too seriously upset by the decision to close off registration. If your son is refused admission to the league it's not because he's being discriminated against but merely because there just isn't any room left.

The hockey picture is a fairly rosy one, all except the juvenile team situation. The juvenile All-Stars have a nucleus of good players plus a very fine coach in the person of Wally Stothers. Ice time for the juvenile team has been paid up until the end of the year but after the new year rolls around the juvenile fate is uncertain. They lack sponsorship and all that stands between them and a successful hockey season is a matter of three to four hundred dollars.

Three or four hundred dollars is a reasonably respectable hunk of coin of the realm but is a mere nothing compared to the amount needed to shoot a large rocket in the air, to orbit, or to fall to earth, who knows where? These hockey players would do any sponsor proud — either an individual sponsor or, as an alternative, a group of sponsors. The cause is urgent and worthy and the team would probably make someone a very fine tax deduction, and just in time too. If you are interested or know anyone who is, please contact Mr. Elgin Barrow at TU. 4-1595. You'd be proud of the team and they'd play their hearts out for you.

For those of you who like your hockey rugged and not watered down the Senior League is the one to go and watch. The four teams comprising the league operate every Tuesday night and provide two action-packed games.

The players in the league are experienced enough and big enough to put on a crowd-pleasing game that has action galore from the opening face-off to the final bell. These players are going all out all of the time and the only reason they play is because they love the game of hockey. No monetary rewards or fat contracts — in fact they dig into their own pockets on occasion to pay the shot. So if it's action you're craving, drop into the Arena some Tuesday night and you will be amply rewarded. First thing you know you'll be an addict and head up there every Tuesday night for the fun and games.

Admission to the games is a very nominal sum for this day and age and door prizes are a frequent feature. How these guys can take the pounding that they dish out beats us but it is certainly an entertaining brand of hockey. It's impossible to be impartial and you soon find yourself cheering for your own favourites and razzing your own choice of bad man. Where else so much fun — for so little.

By this time the Grey Cup is just a fond, or not so fond memory, all depending on just where your money was. Some time ago yours truly stuck his neck out and called for Edmonton and Argos to knock heads in the great Canadian classic. How wrong can you be.

Edmonton was in there for sure, but Argos? They folded their tents and quietly stole, or was it slunk away. In the third quarter of the Ottawa-Argo final, Argos looked like a shoo-in to go to Vancouver. Tobin Rote uncorked a beautiful pass to a receiver named Reynolds for a 72-yard touchdown jaunt. One small detail loused up the whole deal, Reynolds wore an Ottawa jersey. Then came the great sleeper — play by one R. Simpson, an aged citizen who toils for the Roughies. That was just about that for the day and the year as far as T. Rote and company were concerned.

So Ottawa got to go to Vancouver, the land of the rain and the fog, and what happened to them out there we wouldn't care to hazard a guess. To be honest about the whole nasty business we were talked into wagering a bob or two on Ottawa's chances, so it could be a lean Christmas chez-moi this year. We had fun watching the game and you probably did too so all's well that ends well and let's get on with hockey.

The way those crazy Leafs are performing this year would make a race track veterinarian give them a saliva test if they happened to be horses. They don't even back up from the big bad Canadiens any more and isn't that a refreshing change?

Last year no one could possibly see Canadiens not making a runaway of the league race as per usual. This year they're just another good hockey team that can be beaten just like everyone else. Is it possible they miss Richard the Elder that much? Must be some answer but it beats us!!!

Richmond Hill Winners Hockey Night Games

The first big hockey night of the young season saw Brampton send a squirt, peewee and bantam team to Richmond Hill last Friday night. The night was a big one from the Richmond Hill point of view as the squirt and peewee teams came up with wins over the opposition from Brampton, while the bantam game was won by the visiting Brampton team.

In the squirt game the Richmond Hill Putters, sponsored by Uplands Golf Club, eked out a 3-2 decision over the Brampton squad. Ron Gibb was the individual star for the Putters as he picked up one goal and two assists in a winning cause. Dave Lund and Ricky Doucette notched the other two Richmond Hill tallies while Coach Earl Methe had nothing but praise for

the work of Bruce Hutchison on defence and stellar net-minding by Doug Meyers. In the peewee game, the Richmond Hill Hornets downed Brampton 3-1 for a fairly decisive victory. Albert Windrum, in goal for the Hornets, played a standout game, and was robbed of a shutout as Brampton scored their lone goal in the final two minutes of the contest. Doug Acomb played a sensational game as he scored two goals and assisted on another. Acomb scored a beautiful goal as he picked up the puck at the Brampton blue line and deked out the Brampton net-minder with a check draped over him all the way in. Assists on this goal went to Gary Methe and Pat Maddeux. Acombs second goal was

scored as he stole the puck at the Brampton blue line and ranged in to score on a fine shot. Bob Stephens scored the third Putter goal with the assist going to the high flying Mr. Acomb. This win represents the first win ever achieved by a Richmond Hill peewee team against a very hockey conscious Brampton group. The bantam game was something of a rout as Brampton defeated the local team 7-2. Frank Pirri and Bob Booth scored the goals for the local team as Pirri scored on a breakaway while the local team were a man short via the penalty rule. Despite the score Ron Plummer played well in the Richmond Hill net as he did on Monday when the bantams defeated Unionville 3-2 on goals by Frank Pirri, Rich Chalklin and Paul Jackson.

HOCKEY RESULTS

RICHMOND HILL HOCKEY LEAGUE SQUADS

Micmacs Billmores 2
Consumers' Gas Marlboros 1
Steve Webb scored the opening goal for the winning Bills with the assist going to Derry Andrews. Allen Smuseck scored the Bills' second goal. Marlies' lone goal, to avert a shut-out, was scored by G. Lewin. **Wilson-Niblett Tiger Cubs 0**
V.O.L. Flyers 0
Ken Burditt in the Cub cage and Richard Montgomery in the cage for the Flyers put up such a stout net-minding job that neither club was able to get the puck over the goal line. The game was well played but the good goal keeping nullified all scoring attempts. **MacDougall Motors Tepees 1**
Rumble Transport Petes 1
Mike Petronsky scored for the Teeps with Mike Carter being credited with an assist on the play. Paul Ramieri scored for the Petes on a solo effort.

Allencourt 5 - Pops 1
The first period went scoreless as both teams were unable to mount any kind of scoring attack. In the second period Allencourt broke the deadlock as Ted Suzuki scored his first goal of the evening assisted by Wells and McGinness.

The third period saw Allencourt pull away as they banged in four goals to salt away the win. Ted Suzuki scored two more to pick up three goals and one assist for his first appearance of the season. Stan Foster and Jim Wells scored the other Allencourt goals while Jim Stunden scored for Pops on a solo effort.

Craigies 11 - Dobbies 2
Craigies just about chased Dobbies out of the arena as they cakewalked to their 11-2 win. Craigies seemed to have their scoring sticks in action as they proceeded to fill the Dobbie net with rubber.

Wally Stothers hit for three goals and Stan Thornington scored four goals and was named the individual star of the night's action by Fred Gainer. John Drummond picked up two goals, while Patterson and Sinclair scored singletons.

The two Dobbie goals were scored by O'Neill from Wise and by Tom Byberg with assists going to Fox and Guy.

AURORA — This town's first woman councillor, Mrs. Thelma Fielding, was buried in Aurora cemetery on November 22.

WILLOWDALE — North York Council has approved the purchase of two new school sites by the Board of Education. One school will be in the Glen Ash subdivision and the other north of Finch Avenue between Woodbine Avenue and Victoria Park. About \$70,000 is involved in the purchase prices for both sites.

Local Blueliners Continue Their Winning Ways—Defeat Wexford

Richmond Hill Blueliners continued their winning ways last Thursday night at the local sports palace by walloping Wexford Midget "A" Club 8-0 in a penalty studded game. The Wexford Club

were an aggressive group and what they lacked in hockey ability they more than made up for in roughness. No less than 20 penalties were called by the two officials, with 15 of them going to the out of towners. Mild mannered Ritchie Elliott got not less than three of the Richmond Hill penalties with Dean Wainwright and Robin Craig getting the others. It appeared to this writer, that the Blueliners began getting fed up with the tactics of the Wexford group, and began a mild retaliation resulting in their five penalties, most of which occurred during the last period of play. Bruce Walker and John Grieves were the big guns for the Blueliners with two each, Ritchie Elliott had one to make it 5 and following hard on the heels of this one, newcomer Earle Greenland whipped in a fast one to make it 6. Then shifty Dean Wainwright with a single and Peter Hiscott with a fast hard shot from the point made it 8 to nothing to end the scoring. Manager Ernie Brennan was pleased with the way the boys played, but is hoping for some stiffer opposition in the near future. Mr. Brennan claims that easy wins are not good for any young club.

Blueliners Drop Scarborough 5-3

Scarboro Lions, last year's T.H.L. Bantam Champions ran into a powerful Richmond Hill Club last Sunday afternoon at the local arena and suffered their first loss of the season. Their goalie previously unscored on in five pre-season games was by-passed five times by the stary Blueliners. In all fairness to the Scarborough boys they were handicapped by the small size of the ice surface, which in turn will no doubt affect the play of our Blueliners when they in turn play out of town games. The final score was 5-3 for our boys, who earned the win with a fine two way effort. Bruce Walker who turned in his best effort of the season with a fine two way game, scored two goals and he was ably assisted by Dean Wainwright and Rod Kelson. Kelson who is playing well this season came up with a fine goal in the second period. Other scores were by Doug Jameson and Tom Reynolds to make up the five goals. Big John Grieves was a powerhouse when the Blueliners were short handed and was strong on the power play, a great little hockey player according to coach Red Garner. Bob Ritchie played well in goal and seems to get a little better every time out.

HIGH SCHOOL SPORTS NEWS

RICHMOND HILL HIGH

The boys and girls athletic societies of the Richmond Hill High School have come up with a real switch. Instead of the school board giving them something the students are making a presentation to the school board. The gift is a very expensive tick-away timer to be installed in the main gym at Richmond Hill High School and the cost of the timer plus installation charges are to be paid by the student groups. Presentation will be made at the Athletic Night this Friday evening.

One extra big feature of the evening will be the Richmond Hill High School Senior Basketball Team playing against the Wonder Five. The Wonder Five cause is to be bolstered by two imports from the football world who are very well-known to the public at large. Introduction of these reports will come as a complete surprise to a lot of people. The junior basketball team played an exhibition with Aurora and the Aurora squad came up with a 39-23 win for an 11-point spread. The Aurora team are tall and rangy for a junior team and seem to play together in a

fine close-knit style. **THORNHILL HIGH SCHOOL**
The Thornhill Junior Football Team were treated to a hayride and party at the farm of Mr. and Mrs. Stewart Rumble. The Rumble farm, located at Headford, has become the scene of the party for the second year and is now an event that all team members look forward to with pleasure. The parents of John and David Rumble did the team and their fair partners proud on an evening that was a memorable one.

Thornhill played host to a grade nine volleyball tournament from high schools in the area. As hosts, or rather more correctly, hostesses, Thornhill left something to be desired as they proceeded to walk off with winners' honours in the volleyball tournament.

John Turchin has the gymnastic team practicing hard for the upcoming season and by all indications should have a contender for gymnastic honours this year. The badminton club has now started its busy schedule and action and competition has been fast and furious to date.
