Bryson Being Opposed For Deputy - Reeveship

In the race for the deputy-reeveship of Vaughan Township, Councillor Jesse Bryson will be opposed by Ronald M. Fenn of Thornhill. Councillor Bruce M. Ralph, trying for another two-year term on council, was also nominated Monday evening during nominations at Maple Community Centre but declined the honour. "I'll be content to serve as a councillor another term," he said.

Wants To Go On
 Jesse Bryson, who received a hearty round of applause when he started toward the platform for his nomination speech, said he was going to say so I can have no quarrel with his statements to you." Mr. Fenn said he had been a township resident for 14 years and during that time had always been keenly interested in local political questions. "You can sum up my platform in three words," he went on. They are, taxes, planning and future development. While I don't hold the edge I would like to place my qualifications before you for two years. I won't reiterate the things we all know, our common concern for sanitation, educational needs, and the welfare generally." He said if elected deputy-reeve he would work hard, keep alive intellectually and cooperate with everyone concerned for the good of every township resident.

Following the meeting both men expressed the belief this would be one of the liveliest elections in years and expressed gratification on this point.

Some thirty friends and neighbours of Mr. and Mrs. W. Herrema when they lived in Temperanceville gathered at their new home in Concord Saturday evening to show appreciation of their good fellowship and neighbourliness while in our midst. Everyone had a delightful evening playing euchre, checkers or crokinole. The presentation of a lovely chair to Mr. and Mrs. Herrema and girls and a purse of money to Gerratt was gratefully accepted by them. After the Herremas had expressed their appreciation, lunch was served and another social period enjoyed.

Mrs. Fred Hare, missionary superintendent will be present with one of her interesting missionary stories for the junior Sunday School on December 4. Children please bring your M & M extra collection. The Sunday School staff is delighted with the good attendance and welcome any newcomers.

The official board meeting of the charge will be meeting in Temperanceville church on the evening of December 5th.

Please keep in mind that on December 2 at 8 p.m. in the Aurora United Church, Dr. Bob McClure, a dynamic speaker, medical missionary from India, will speak.

Mrs. Howard Clark is improving nicely but will be hospitalized for some time.

We are sorry to hear of David McClure's illness and sincerely hope he will be much better soon. Elaine Paxton had a pleasant week-end as the guest of Marlene Faulkner, Aurora.

"Christmas In November"
Prize Draws Next Monday

If a passer-by thought that York Office Equipment had gone out of the office machine, equipment and stationery business and had turned into a department store there would be some justification. The firm's display window at 16 Yonge Street North, filled as it is with articles of many different types, would lead to that conclusion. Articles there in range all the way from a triangle to a power drill to a basket of groceries.

The varied articles, however, are not for sale. They are the prizes which down-town Yonge Street merchants are contributing in connection with their "Christmas in November" project. Each of the participating businesses has contributed one article. Shoppers in that store are entitled to a coupon with every purchase they make. These coupons are placed in boxes in each store. Next Monday, December 5th, there will be a grand drawing, with one coupon being taken from each box. The name drawn from each box will be entitled to the prize given by the store whose box it is taken from.

Drawings from individual store boxes having been made, all coupons from all stores will be mixed up together and another drawing made. The winner will receive the grand prize.

Music Hath Charms???
 Whether "music hath charms to sooth the savage beast" or not will be open to question on Friday evening, when a clown band from Brampton will parade down-town Yonge Street from 6 p.m. to store closing time. Members of the Yonge Street Business and Professional Association, under whose sponsorship the "Christmas in November" project is being run, aren't guaranteeing that the band's performance will be of Carnegie Hall quality, says Don Thurston, chairman of the committee in charge of the event. But, he added, he and other merchants hope that it will add to the fun of shopping in downtown Richmond Hill.

As soon as possible after the completion of the drawings on Monday individual merchants will notify winners of their prizes. A list will also appear in next week's Liberal.

The "Christmas in November" project, which started on November 24th, will continue until the close of business on Saturday, December 3rd.
