

Electors of Richmond Hill
 Congratulations to Mayor-Elect Haggart and best wishes for 1961.
 Sincere thanks to all who supported and worked for me during the recent municipal elections.
 SEASON'S GREETINGS TO ALL.
George Hill

Assistant Curate of St. Mary's Anglican Church Ordained

Bishop's Procession leaving St. Mary's Anglican Church after Ordination of Rev. J. R. F. Moore, the Assistant Curate. Shown above are: Rev. David Crane, carrying the Bishop's Staff as his Chaplain, the Coadjutor Bishop, Dr. Snell, the Suffragan Bishop, Dr. Hunt, The Reverend John Speers, The Reverend J. F. O'Neil, Canon J. T. Rhodes, The Reverend F. C. Jackson.

A solemn and impressive Service of Ordination was held in St. Mary's Anglican Church on St. Andrew's Day, November 30th, when James Richard Finkle Moore became a Deacon in the Church of God. The Rt. Rev. G. B. Snell, M.A., D.D., Coadjutor Bishop of Toronto, officiated and the Suffragan Bishop, Dr. H. R. Hunt, M. A., was present in the Sanctuary. Many of the Clergy in York North Deanery and elsewhere were seated in the Nave together with the Candidate and the two Examining Chaplains, The Reverend Canon M. T. Newby, M. A., and the Reverend R. A. Ward, M. A., B.D., Ph.D.
 The sermon was preached by the Rector of St. Mary's the Reverend James F. O'Neil and the Litany was sung by the Reverend John Speers of Aurora. Bishop Snell was the Celebrant at the Service of Holy Communion, the Epistle being read by Bishop Hunt and the Holy Gospel by the new Deacon.
 The long procession into the Church was led by Crucifer Paul Brent, the Server was William Bigelow and the Rector was assisted by Layreaders H. D. L. Hill and D. L. Little. The Choir was under the direction of the Organist, Mrs. Evan Cover.
 A Buffet Luncheon was enjoyed by the Bishops, Clergy, the Ordained and his wife and personal friends after the Service in the Parish Hall, convened by the Afternoon W. A.

University Women's Club Gives York "U" Bursary

York County University Women's Club members decided to give to York University an annual bursary of not less than \$100 at their monthly meeting at Kingcraft House, King City, Monday night. The bursary will be for the use of a worthy woman student, selected by university officials.
 New members introduced at the meeting were Mrs. J. F. G. Morris, Miss Lillian Forgrave, Miss Lila Steer, Aurora, and Mrs. D. B. Finlay, Newmarket.
 Speaker for the evening was the Honorable Chief Justice J. C. McRuer, who divides his time between his home in Toronto and a country place on the seventh concession of Vaughan. Mr. Justice McRuer, a past president of the Canadian Bar Association, was named a judge in 1944, and became Chief Justice of the High Court of Ontario in 1945. He holds a LL.D. from Laval University.
 With the aid of his splendid color slides, he recreated for club members a trip he and Mrs. McRuer took through Egypt, Israel, Jordan, Syria, Turkey and Greece.
 "Exactly a year ago today we began our trip," Mr. Justice McRuer told the group. First stop was Cairo, where amid all the ancient mosques and ablution fountains, TV antennae and Coca-Cola signs were in evidence. In an eight day tour up the Nile, the McRuers saw the sphinx and toured the pyramids, which, Mr. Justice McRuer said, were 4,000 years old, 415 feet high and 15 acres across. Each stone in the pyramids weighs two and a half tons. He explained some of the hieroglyphics inscribed in the excavated temples of Luxor, on the east bank of the Nile, and stated that from the drawing of the key of life, which he described as "a tennis racket with a bow tie," the form of the cross developed. The temples, he said, were 3,500 years old. In the temples a three-month embalming process went on before the bodies of kings and nobles were placed in the tombs.
 Mr. Justice McRuer's pictures of the tomb of Tutankhamen showed priceless figurines, vases and chairs. Gold leaf covered many of the articles, and the coffin was covered in gold leaf and lapis lazuli. It is the only tomb that has been found reasonably intact, he said, and the treasures found there, which took ten years to catalogue, show clearly why the tombs have been ransacked.
 Pictures of the Swan Dam were followed by scenes from Damascus and Beirut, and the Roman ruins in Lebanon.
 Their tour took them to Jerusalem, Jordan, where they took pictures of the Garden of Gethsemane, the Mount of Olives and Pontius Pilate's palace. "It was a great emotional experience to walk to the Garden of Gethsemane on the same path taken by Jesus during the last walk of his life," said Mr. Justice McRuer.
 They arrived in Bethlehem on Christmas Eve, and from there showed scenes of pilgrims massing in the square, where an amplifier played Christmas carols, and English and Arab tongues joined together in the singing. "Jerusalem Jordan is old, but Jerusalem Israel is like a western city," said Mr. Justice McRuer. "Trees from Canada have helped in the reforestation program there," he added. Scenes from Nazareth and the Sea of Galilee followed, and the McRuers ended their tour at Athens. "We left Athens at 20 to 12 a.m. and slept in our own beds that night," concluded Mr. Justice McRuer.
 He was introduced by Mrs. Bruce Davis, and thanked by Mrs. George Fish.

Turkey Shoot At Keswick, Sat.
 The annual Christmas turkey shoot conducted by the Optimist Club of Keswick will be held in the Keswick Arena Saturday, December 17th commencing at 10:30 a.m. Ammunition will be supplied for both shot gun and rifle. Hunters will have a chance to take home a nice plump turkey. The Opti-Mrs. will serve refreshments. By popular demand, the shoot will again be held indoors, weather conditions will not interfere with the day's fun.

Last Meeting 1960 Nothing To Regret - Planning Head McCowan

The 21st and final regular Vaughan Township Planning Board meeting for 1960 took place at the municipal building in Maple Monday evening with a full complement of members present including Reeve John Perry. At the end of the meeting, during which 19 items of business were polished off, Chairman Dougald McCowan said: "I think that we as a board have fulfilled our duties in the last 12 months and I personally have nothing to regret." He thanked his fellow members for their co-operation during 1960 and on behalf of the reeve accepted congratulations for the board for a job well done. Mr. Perry said: "On behalf of the ratepayers I thank you for your diligence." Mr. McCowan said that it would not be practical to hold a meeting on December 26 and therefore, this would constitute the final one for the year, unless an emergency arose whereupon the board members would be convened.
 There had been some talk that member Dr. Allan Hogg, who has completed his first three-year term under appointment by council would decline serving another term. He is up for either re-appointment or replacement in January. Dr. Hogg said such talk was erroneous. "I'm willing to serve again if I am asked," he said. Mr. Darrell Goulding's term has yet to be completed.

Eight applications before the board were approved, two were turned down, one was returned to the applicant and two were deferred and a number of deeds, formerly approved by the board and council were signed.
 The board approved an application from J. Cappy to convey a building lot to his son. Mr. Cappy owns roughly nine acres at the south-west corner of the Gamble Sideroad and Yonge St. on which he has established a combined restaurant and service station and a residence. Mr. Cappy wanted to convey a building lot to his son and because of the restrictions on the plan could not convey less than three acres without board permission. A by-law permits a one-acre lot with 150 feet of frontage.
 The second application approved concerned Mr. Leo Dowdall who wished to give a deed to each of two sons. Mr. Dowdall owns a parcel of land having a 240-foot frontage on Keele Street in Maple. His own residence and that of one son, Ken, have been established on the property. Mr. Dowdall wished to give a deed to his son Ken for the house he has built and another deed to his son Jack. Each lot will have a frontage of approximately 80 feet with a depth of about 200 feet.
 Permission was given E. W. Brookfield to convey a strip of land 20 feet wide to P. A. Deacon. The land is on Lot 4, Concession 7.
 The board deferred a firm recommendation to the township's planning department in the matter of encroachment of a dwelling on to adjoining property. Some time prior to 1936 a Mr. McNab purchased lots 35, 36 and 37 on Garden Ave., Langstaff, and in 1936 erected a building. In subsequent years, prior to township subdivision control, lots 35 and 37 were sold, although lots 35 and 36 were built on. Lot 37 remained vacant. In October this year a survey of lot 37 was made and it was found that McNab's dwelling encroached some 6 1/2 feet on to lot 37. As the subject dwelling is frame, a 15-foot side-yard is required and this would involve an additional 21 feet from lot 36. As lot 36 has a 72-foot width it appears that a conveyance from lot 36 would not solve the problem unless some very uneven lot lines were established. The board decided this

needed more study to safeguard against setting what could be a negative precedent.
 An application by the Keffer Estate to convey an easement to provide access to the B & W Wood Products property on Highway 7 was approved. The existing right-of-way provides access to other properties in the area but through some oversight B & W were never given legal use of it when they bought the property.
 Deferred was an application from a Dr. Taube who owns some 80 acres in the west part of lot 30, Concession 8, and desires to convey seven acres to a Mr. M. Kaplany. As matters stand, this would be contrary to the provisions of the township by-laws.
 Kasser Investments were asked to re-submit to the 1961 board their overall plan for a development on the north side of No. 7 Highway between Concession 7 and Woodbridge, along with a request for revisions of terms and conditions as approved by the board last September. At the same time the board did approve a request that the depth requirement of a proposed motel be reduced at the east limit.

JOHN BRADSTOCK
 The newly elected deputy-reeve for 1961. Mr. Bradstock will now move up from councillor. He was first elected to Richmond Hill Town Council in 1957. In his new office he will also be a member of county council.

5,500 County Students To Be Tested For T.B. January

About 5,500 high school students and 200 teachers and other staff will be tested for tuberculosis infection in January in York County. Last year's screening program revealed 4.2 per cent of the students had been previously infected with tubercle bacilli. Among the staff members, 35.5 per cent showed positive tests indicating previous exposure to the bacilli, and one staff member was discovered to have active tuberculosis and admitted to hospital.
 The simple skin test causes

Future Holds Tremendous Challenge Says Bryson

JESSE BRYSON
 Vaughan Township Deputy-reeve elect Jesse Bryson, elected with the biggest block of votes ever accorded any township candidate since its incorporation 110 years ago, told 'The Liberal' on election night that he felt keenly the weight of responsibility thrust upon him by the electors. "It's a tremendous challenge," he said,

"and while the voters' trust fills me with humility I'm glad to accept that challenge and eager to get on with the job."
 Bryson of the new council along with Reeve Albert Rutherford are familiar with the immediate workings of the different municipal departments. Both have had considerable experience. His personal success reflects a hard-working, conservative, consistent character. Councillors-elect Wilfred Keffer, Mrs. Ruth McConkey and F. M. Windatt are entering the township ring green but eager, willing and able. "They are businesslike, socially conscious, courteous personalities," said Bryson. "I'm deeply impressed." That Bryson and Rutherford see eye to eye regardless of the harmonious relationship around the council table, according to observers. Mr. Bryson said he did not feel that the familiarizing interim will be difficult for the newcomers. He said: "Offhand I can't see why each new member can't be supplied with a condensed but clearly explained summary of council affairs covering the last two years' activities. They would then be in a position to bone up on information between council sessions. It is a suggestion I will put before council at the first opportunity."

Electors of Richmond Hill
 MY SINCERE APPRECIATION TO ALL THOSE WHO SUPPORTED ME IN THE RECENT MUNICIPAL ELECTION.
 TO ALL CITIZENS OF RICHMOND HILL I WISH "A MERRY CHRISTMAS AND A HAPPY NEW YEAR"
Stanley F. Tinker

I am grateful to the Ratepayers of Vaughan for their support and confidence. The responsibility I realize.
 To Everyone Season's Greetings.
 Sincerely,
JESSE BRYSON

THANK YOU
 RICHMOND HILL
 FOR YOUR SUPPORT
 May I wish you all A Merry Christmas and a Happy and Prosperous New Year.
JOHN BRADSTOCK
