WINTER TIRES

**GUARANTEED TO GO
OR WE PAY THE TOW!**

Put new "Town & Country" tires on your car this fall. If you're stopped by traction problems in mud, ice or snow, we'll pay the tow. No argument — no red tape.

PLUS thousands of extra miles on dry pavement. Firestone engineers know that natural rubber wears too fast at high speeds, so they developed Firestone Rubber-X. This advanced rubber gives the traction of natural rubber, plus far longer mileage and a silent ride.
