Hockey

The new hockey team sponsored by the Thornhill United Church seems to be well under way, the boys have been very enthusiastic and most co-operative in returning the forms for registration and insurance and are at present only a couple of games behind in the schedule. Last Saturday we were notified of a game to be played at Woodbridge only to find someone had erred so rather than disappoint the boys Mr. Harris called a practice at the pond in Thornhill. Oh boy was it cold! It must have been quite a warm-up for the boys because we had quite a time getting them off that ice. Wednesday evening at 7.45 they played their first game for points, and what a game! Sorry to admit they were really trounced 5 to 1. St. Lukes were the lucky winners. Thanks to the fathers who came along for transportation and who cheered so lustily. Next game Saturday at Woodbridge, let us know next week if we do better. This weekend the long awaited arrival of the Pajevic family is anticipated. I am sure it will be a memorable occasion for all the people who have worked and planned so hard for it as well as the family themselves, we all wish them well and trust it will not be long until they feel at home in our wonderful country. I hear many favourable reports of the every member visitation and many of our old friends are seen frequently attending these days. This Sunday is "White Gift Sunday" when we endeavour to remember those less fortunate than ourselves, and I wish at this time to thank all the many kind friends who have called me and offered much needed help and gifts. It has made me very humble and inspired us all on to even greater deeds. It is our sincere hope that no local family will be deprived of the little extras that add to the joyous Christmas season and it is our happiness in being a part of this service. Thornhill Horticultural Society The annual Christmas Party and prize giving night was last Tuesday at the Trinity Anglican Church Hall. Many friends and members of the society enjoyed the lovely turkey dinner with all the trimmings served so beautifully by the ladies of the church. The tables were appropriately decorated with Christmas plants & the streamers and trees added much to this joyous occasion. Immediately after dinner the prizes were awarded. Each exhibitor who had been awarded points at any show from March to October 1960 received a prize to commensurate total points won. Yours Truly was the very proud recipient of the coveted T. Eaton Trophy for the most points in the flower sections. As this prize can be won only once and I have been a member for several years my good husband remarked, "It is about time you won, by the process of elimination it had to happen sooner or later." His teasing remarks failed entirely to mar my pride. The wonderful weather and my beloved roses helped win the highest number of points in the exhibit of roses. Mr. Turnpenny persevered to win in the fruit and vegetable class. Mrs. Healey was awarded the prize in the decorative class. The Mannings received highest number of points in the specimen class (one of the hardest prizes to win). Mrs. K. Fala - The Presidents prize for the member who did not belong before 1958—who wins the highest number of points. Mr. Brian Jenkins won both the Percy Bone Rose Bowl Trophy for a luncheon table arrangement, and The Four Roses Trophy for the highest number of points in the specimen classes for Hybrid Tea Roses. All in all I think Highland Park Subdivision was well represented in this prize list. A glance up and down the neighbourhood streets these nights speaks well for the artistic ability of our residents and the pride they take in decorating their homes for Christmas.

Xmas Cake Sale Helps To Raise Welfare Funds

The culinary delight of Richmond Hill Civitans Christmas Cake, purchased by people who are of discriminating taste and too busy to bake their own, is only one of several interesting features. The profits realized from the sale of this rare cake (used by all Civitans in the United States), are channelled into such good works as safety patrol equipment, playgrounds, welfare aid and the Thornhill School for Retarded Children. The safety patrol project is a continuing one, of course, and the Civitans hope this year to do even more in town which will benefit everyone. This year, incidentally, the club realized \$990.00 on a car draw, but undertook a playground project at the Thornhill School which cost more than \$1000.

Anyone interested in securing an order of the Civitan Xmas Cake can contact members at TU. 4-1929, TU. 4-3888. It's a rare cake, you may be certain, an excellent blend of rare spices, exotic fruits and succulent sweetmeats. Its deep, golden colour, maddening aroma and rich, tangy flavour make for delicious eating. And, it is a product of skilled Canadian chefs.
