Council Gives Planning Bd.—

(Continued from Page 1)
 to require an owner to make an agreement. He said this view was confirmed by the town solicitor. "I'm satisfied the board acted in the best interests of the town," he said.
 Mayor Haggart contended it was the duty of the Planning Board to advise council, not to make policy. "I'm opposed to the 70-foot set-back recommended by the Planning Board in the revised by-law," he said.
 Councillor Whillans said the board was aware council had given one reading to the revised by-law and they assumed council was agreeable.
 Mayor Haggart - The fact council gave one reading to the by-law in no way implies we approve. Reeve Perkins - I am certain the members of the Planning Board acted in good faith. That doesn't mean I am in favor of a 70-foot set-back on Yonge Street in general. I am sorry we started the year with this criticism of Planning Board. It was undiplomatic and I'm sorry it happened. We have the year ahead of us and we'll get nowhere if we don't co-operate.
 Councillor Mrs. Margaret Southwell - I am satisfied the Planning Board members acted in good faith, but I'm not in favor of the 70-foot set-back for all Yonge Street.
 Councillor Al White - The 70-foot setback is out of the question. A business catering to the passing public must be where it can be seen.
 The motion of confidence passed with the support of Councillor Whillans, Deputy-reeve Bradstock, Councillors Broadhurst and Mrs. Southwell.
Planning Board Members
 Council was advised that the terms of office of Ross Scrimger and Norman A. Todd, Planning

Board members had expired and nominations to fill the vacancies resulted in the re-appointment of Mr. Scrimger, and the appointment of John MacDiarmid to take the place of Mr. Todd.
 There were four nominations for the two positions, Ross Scrimger was nominated by Councillor Whillans, John MacDiarmid was nominated by Councillor Broadhurst, J. Lemmon by Mayor Haggart, Norman A. Todd by Reeve F. R. Perkins.
 Council did not concur in Mayor Haggart's suggestion that the election be decided by a secret ballot.
 Mayor Haggart voted for Mr. Lemmon and Mr. MacDiarmid; Councillor Mrs. Southwell voted for Mr. Scrimger and Mr. MacDiarmid as did Deputy-reeve Bradstock, Councillor White and Councillor Whillans. Reeve Perkins voted for Mr. Scrimger and Mr. Todd.
Appointments
 Mrs. Peter Townsend, nominated by Councillor Mrs. Southwell, was appointed a member of the Library Board for three years. For a two year term council voted 5 to 1 for Don Watson, nominated by Councillor Whillans. Mayor Haggart nominated Delbert McCague.
 Other appointments included: Fred Bovard as Weed Inspector; E. Flynn, R. Giles and Frank Rumble as Fenceviewers; Metro Conservation Authority representatives Mayor Haggart and Gordon Lemon; committee of adjustment, 3 year term, Howard Jackman; Industrial Commission, Gordon Phillips, John Graham, Joseph Paterson, for term of two years, and Councillor Whillans and Broadhurst and Reeve Perkins.
Police Camera
 Council on motion of Deputy-reeve Bradstock, police committee chairman, approved the purchase by the Police Chief of a camera for the police department. "It was a good buy," said the deputy-reeve, "worth about \$1,000, and we got it for \$300."
 Chief Robbins said the camera and equipment are valued at \$975, and when he had the opportunity to purchase it for \$300, he did so. This action was taken before the 1961 police committee was formed. The chief said the equipment would save the force time and money. Last year a member of the force had taken a course in training for photography.
 Council members expressed no opposition to the purchase of the camera but there was criticism of the way it was done. Councillors Broadhurst and White, members of the police committee, said they knew nothing about it.
 Chairman Bradstock apologized to fellow members of the committee for not consulting them. He said the committee had not yet met and the time was limited. "I have a phone," said Councillor Broadhurst.
 Chief Robbins said he took pains to make sure he got good value for the money. He said the camera is nine months old and is valued at \$975, with the equipment.
Approve Parade
 The Mayor's vote was needed to give approval for a week-end commercial parade. The application for permission for a parade Thursday and Saturday was rejected on the recommendation of Police Chief Robbins. Permission was granted for a Saturday parade however on motion of Deputy-reeve Bradstock. Councillors Broadhurst, Whillans and Southwell voted against the motion, but Mayor Haggart declared the motion carried when Reeve Perkins, Deputy-reeve Bradstock and Councillor White voted for it. A provision of the motion was that the promoters pay for police supervision estimated to cost \$140.00.
 It was stated a parking ban would be necessary on Yonge Street for at least a two hour period and those opposing the proposal argued this was an unfair interference with business in addition to the inconvenience to traffic on a busy street. Councillor White said he was definitely against any parade on Thursday night.
 Councillor Whillans - I'm against parades of this kind. I can't see tying up traffic, and interfering with business.
 Councillor Broadhurst - I'm afraid we're making a precedent. We may be just opening the door.
Texaco Station
 Mayor Haggart told council that whereas the application last year of the Texaco Company for a gas station at the corner of Yonge St. and Harding Avenue had been turned down, the company is pursuing the matter and has made application for a building permit.

It was decided to change the meeting date from the second Thursday in the month to the first. Everyone please note the February meeting will be on the 2nd instead of the 9th. The executive for the coming year remains the same as last year with the exception of the treasurer, Mrs. S. Leno replacing Mrs. L. Boyle in that office.

 Something new was tried last week - a Family Night - and it proved a great success. The very young ones danced from 7 to 8 p.m., displaying great enthusiasm and performing very well. The older children and some of their parents danced with equal enthusiasm and the evening was voted by all lots of fun. Many thanks are due to Mr. and Mrs. Carson Whalen for their very competent leadership.

Study Joint Use Disposal Plant
 Richmond Hill Town Council Monday night gave approval to Vaughan Township's official plan. Planning Board had reported they found nothing objectionable. It was pointed out that the area abutting Richmond Hill is zoned as residential.
 Mayor Haggart remarked that last year preliminary joint talks with Vaughan discussed the possibility of a sewage disposal plant at Carrville serving the two municipalities. He urged that study of this proposal be continued and that council aim at action as quickly as possible. "Our present disposal plant is sometimes over-loaded and it is possible new industry and the proposed new hospital would need these facilities," said the Mayor urging the Works Committee continue study of the project and seek co-operation of Central Mortgage and Housing Corporation.
 Deputy-reeve Bradstock agreed the study should be continued but cautioned that council make haste slowly. "We must be careful about any further residential development," he said, adding, "We should consider any plans from the viewpoint of assessment, not just growth for growth's sake."
