

Celebrate Minor Hockey Week In Richmond Hill

Key officials who have guided the destiny of Minor Hockey in Richmond Hill are shown above at the Richmond Hill Arena on Minor Hockey Night, last Friday.

Ex-Leaf star Syd. Smith receives a dozen lovely roses for presentation to his charming wife in honour of his participation in Minor Hockey Night at the local arena.

The presentation is made by members of the Richmond Hill Hornets (Pee-Wee Division) to Mr. Smith as members of the Aurora Legion Team look on.

Last Friday evening all the various teams in the local hockey organization swung into action to mark the opening of Minor Hockey Week in Canada.

Allencourt Major
Dynes Jewellers are 12 points ahead of their nearest rival as they have scored an 85 point total to date. Second spot in the league belongs to Richmond Hill Auto Wreckers with a 73 point count. We were told that Mary Ruthley hailed from Toronto. Not true at all.

For the past three years Mary has lived in Richmond Hill and merely bowls in Toronto. We're glad to have a bowler of her calibre living in our midst! Besides, it's nice to have top honours go to a home town girl rather than someone from the balliwick of Nate the Great.

In this Sunday match Denyse Armstrong rolled a 1591 for her seven game set and deposited May Ruthley with a 1530 count. Jeanne Richardson, three time champ, was a long way off the pace as she rolled a 1484. The 1591 rolled by Denyse is exactly the same score she bowled in the previous match against Jeanne Richardson and May Ruthley when it was only good enough for a third place finish.

Auley with 712 and Pat Patterson with 710 were the last of the 700 breakers.

Eastiders
Jeanne Richardson led all bowlers in the Tuesday night action with a 748 triple and a 341 single. William Gow was second high with a three of 710 while Gerald Wood scored a 709 with a 331 single. Neil McDonold had a three of 681 while Keith Albrighton rolled a 673. Alta Harvourt rolled a 534 triple while Joan Gow had a 265 triple. Both these girls are high handicap bowlers and the scores registered constitute a tremendous improvement in performance.

Thursday Afternoon League
About this time of year the ladies seem to feel a post season holiday letdown as scores seem to sag alarmingly. High singles went to Eleanor Mowatt with a 254 and Ellen Parrett with 234. The Cup and Saucer award was won by Myrtle Milley.

ABC Major
ABC No. 2 and Risl Stone are leading the second series with 14 points each. Davis and Day have 12 points while Dunes Jewellers and Hall's Fuel Oil have ten point totals. ABC No. 1, Turnbull Groceries, MacDougall Pontiac, Allencourt Lanes and ABC No. 3 have seven points apiece.

Jackson Bros. have 6 points to their credit with John's Boys owning 5 points. Liquiflame, Surf Marine and Paolone and Sons are tied with 2 points each while Wilson Niblett have a goose egg for the present series.

Ab. Townson was the big wheel in this weeks action with an 819 triple. Bill Costoff rolled a 763 and Hal Noseworthy a 758 count. E. Muehlstardt and Bob Hutehinson scored 739's and Jim Cairn accounted for 731 pins.

High average in the league belongs to Bimbo Paolone with 244 as Arne Skretteberg has a 240 average. Henry Knuckey is rolling along at a 239 clip. Art McGeachie a 233 standard with Bruce Murray and Tim Saul owning 232 averages.

All Star Bowling
A repeat performance between May Ruthley, Denyse Armstrong and Jeanne Richardson was the piece de resistance of the Ladies All Star Bowling at Allencourt Lanes. The initial match between these three top lady trundlers saw Mary Ruthley win the championship with a 1595 count followed by Jeanne Richardson 1594 and Denyse Armstrong with 1591. The close finish of this match made a return match an absolute must.

We were told that Mary Ruthley hailed from Toronto. Not true at all.

For the past three years Mary has lived in Richmond Hill and merely bowls in Toronto. We're glad to have a bowler of her calibre living in our midst! Besides, it's nice to have top honours go to a home town girl rather than someone from the balliwick of Nate the Great.

Alliston 6, Richmond Hill Rams 3
In three full periods of stop time hockey the Rams lost out in the score but out passed and out checked the Alliston Team. Erratic shooting by the Rams was the main reason for the loss as the Rams would carry the puck into the Alliston end on good passing plays but they missed the net on the greatest percentage of their plays. A highlight of the game was the Penalty killing duties performed by Lorrie Clark who at times ragged the puck for a solid minute.

Juvenile Hockey
Richmond Hill Rams vs Newmarket at Richmond Hill Arena. **Newmarket 3, Rams 0**

In a hard checking game Newmarket outshot Richmond Hill scoring three goals on Richmond Hill defensive errors. The Richmond Hill forward lines are starting to show a little better in their passing and there is no doubt that they will start hitting the peak which won them the championship last year.

Exhibition Hockey at Richmond Hill Arena.
Richmond Hill Rams vs Blueliners (Midgets) **Rams 6, Blueliners 2**

In a fast game with a lot of

shooting the Rams pumped home six goals. Bob King netting two, John Moorehead, Bert Valcourt, Jim Bryden and Brian Atkinson got singles. The checking from both teams was good and the speed of the forwards made it an exciting game to watch. It appears that the Rams are now settling down after a slow start.

Any weather is Corvair weather

This is a car designed and built to handle the extremes of Canada's climate and weather conditions. Designed to keep you snug as a bug in February — cool as a cucumber in July. Built to outstay a cold snap — to shrug off a heat-wave.

But driving's believing! Slide behind the wheel of a Corvair and you'll see how it handles Canadian weather conditions.

ALL-WEATHER PERFORMANCE: Corvair starts with lively cockiness. The engine is impervious to freezing rain or summer heat — can't freeze up — won't ice up — can't boil over!

ALL-WEATHER TRACTION: Corvair digs in and goes through winter's snow and slush, spring's mud and summer's sand. The rear-engine design gives it perfect balance for all road conditions.

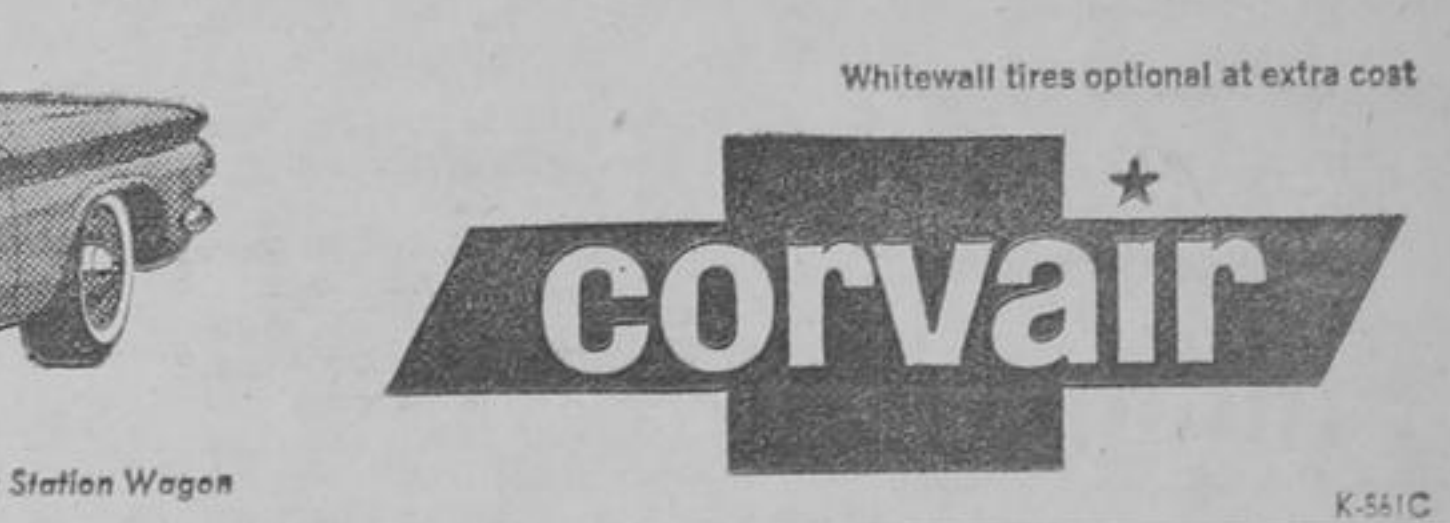

ALL-WEATHER ROOMINESS: Holds six — with overcoats. Sedans and coupes have lots of storage space behind the rear seat and in their 12% larger trunk.

ALL-WEATHER COMFORT: In summer you appreciate the splendid ventilation, plus the fact that engine heat is behind you. And in winter, a hot air heater blankets you in warmth.

ALL-WEATHER THRIFT: New engine air-flow control speeds warm-up — allows it to get to its gas-saving ways even faster than before. And, of course, Corvair needs no power brakes or steering, water pump, anti-freeze or even water! Try it for size! Try it for price! You'll see Corvair fits you and your budget in every way!
