FACT FOR THE WEEK:

Do freckles ever turn into cancer?

Simple freckles do not. However, flat moles containing pigment and looking like dark freckles, should be reported, especially if they undergo change in colour or size.

Youth Evangelist Ken Campbell At Local Free Methodist Church

At the concluding service of Youth Week at the local Free Methodist Church next Sunday evening, the guest speaker will be the Staff Evangelist of Stouffville Youth for Christ, Ken Campbell.

The Free Methodist Church, is located at corner of Elmwood and Ruggles.

This young, dynamic preacher is being used of God in the work of evangelism among teens and adults in many areas. He will be going into Northern Ontario this month for campaigns as an evangelistic outreach from Stouffville Y. F. C. Last summer he participated in the 12th World Congress for Christian Youth in Bristol, England. Post congress crusades were held in more than 50 centres across the British Isles. He was in charge of a

successful crusade in Hartlepool, England, and has an invitation to return for extended evangelistic campaigns.

There will be special singing by young people including soloist Mrs. Marjorie Creighton of Agincourt.

The Fellowship Rally on Friday night at 8 p.m. will feature talented Ed. Lawson of S.Y.F.C. on the organ, piano and his vibraphone. Also singing talent from Newmarket. Free Methodist Church will add interest to the program. And there will be a skit entitled "The lease of Samuel Q. Fencesitter," as he seeks a remedy from Dr. I. Know All The Symptoms in his Spiritual Clinic.

These are the last two services of Youth Week at the Free Methodist Church.

Teen Town RICHMOND HILL

Once again Saturday, February 4th, Teen Town will come your way at the Lions Hall.

Doors open at 8.15 with dancing from 8.30 to 11.30 to the Music of "Garry Anthony."

Heading the evening once again is the biggest of Richmond Hill's own Convairs who come back by popular request to share another night with us.

Also a notice to remind all members that this Saturday night is election night, so come on out, and cast your vote. See you there.

CARRVILLE

Correspondent: Mrs. Bert Middleton Phone AL. 7-8920

**Annual Meeting**

The annual meeting of the Carrville United Church congregation was held January 23 at the church hall. A pot luck supper was enjoyed by 19 people, who heard encouraging reports from the various branches of the church work. Rev. Hugh MacDonald and Rev. Howard Veals were both present, the latter asking the blessing. Rev. MacDonald was chairman and Mrs. Jack Bushell, secretary for the meeting. Following prayer by Rev. MacDonald, Rev. Veals read a passage of scripture. Rev. MacDonald gave the report of the minister and session, stating that 1960 had been a year of quiet growth for Carrville United Church. The Sunday School and the Women's Association have continued their fine work. A decision to change the hour of service to 9.45 on Sunday mornings has increased attendance at both Sunday School and church. During the year, the Rev. Howard Veals, began his work as assistant minister on the charge. He is preaching on alternate Sundays at Carrville. The church suffered a severe loss during the year in the death of Mr. John Oliver, clerk of the session. He will be greatly missed. With continuing growth in the area, Carrville United Church looks to the future with great hope and confidence, so said Rev. MacDonald.

The number of members is 62. Jack Bushell, treasurer reported receipts of \$2,378.64, expenses \$1,987.13, balance \$391.51. The White Gift Fund has a balance of \$27.49.

Mr. Robert Kirk reported a balance of \$167.23 in the cemetery general fund, and a balance of \$223.21 in the endowment fund.

Mrs. John A. Baker gave the report for the Woman's Association. Receipts were \$872.46 and expenses \$639.83, leaving a balance of \$232.63.

Bert Middleton gave the Sunday School report. Receipts were \$118.60 and expenses were \$33.62 leaving a balance of \$84.98. There are 42 pupils on the roll with an average attendance of 32; six teachers and officers and three classes.

A fellowship meeting of the congregation is planned for March with R. Kirk, J. Barton, E. Bone and J. Williams as the committee in charge. A special committee was named to study the relationship between the two churches - Carrville and Thornhill. Members are R. Kirk, J. Barton of the Stewards; E. Anning and E. Bone of the Session.

The board of sessions is composed of six persons: Bert Middleton, Jack Bushell, Edgar Anning, Ernie Bone, Wm. George and Mrs. R. Kirk.

The board of Stewards is J. Barton, J. Bushell, J. Williams, G. Wood, K. Baker, Dr. Brock Walker, Mrs. E. Bone and Mrs. J. Baker, M. Wilson.

Board of Trustees is composed of Chairman of Stewards Jack Barton; Secretary of Stewards Robert Kirk; and Treasurer of Stewards, Jack Bushell.

Cemetery Board: R. Kirk, W. Reaman, E. Bone, R. Middleton and J. Bushell.

Bert Middleton will be superintendent for 1961. Jim Bushell is organist of the church and Mrs. J. Baker, assistant organist and they are to receive an honorarium.

George Williams was appointed head usher. Robert Kirk was named representative to Toronto Centre Presbytery. Jack Barton reported on the activities of the stewards during the year.

Ernie Bone moved a hearty vote of thanks to the Rev. H. R. MacDonald and Rev. Howard Veals for their fine work during the year with the Carrville congregation.

Another item concerned a recent discussion with L. O. Flender, District Municipal Engineer. The roads committee recommended that the present plans for the improvement of Bathurst Street be deferred pending study of costs of improving the road to county standards. There is a possibility of the county of York assuming the road. The former council had plans for the permanent paving of this thoroughfare but since then the county wants 100-foot roadway construction which, in terms of township finances would represent too big an outlay by Vaughan.

Council authorized payment of accounts of the roads department in the amount of \$10,166. Mr. Keffer explained that the staff has been busy cleaning and overhauling roads machinery and rebuilding some motors.

The board of Stewards is J. Barton, J. Bushell, J. Williams, G. Wood, K. Baker, Dr. Brock Walker, Mrs. E. Bone and Mrs. J. Baker, M. Wilson.

Board of Trustees is composed of Chairman of Stewards Jack Barton; Secretary of Stewards Robert Kirk; and Treasurer of Stewards, Jack Bushell.

Cemetery Board: R. Kirk, W. Reaman, E. Bone, R. Middleton and J. Bushell.

Bert Middleton will be superintendent for 1961. Jim Bushell is organist of the church and Mrs. J. Baker, assistant organist and they are to receive an honorarium.

George Williams was appointed head usher. Robert Kirk was named representative to Toronto Centre Presbytery. Jack Barton reported on the activities of the stewards during the year.

Ernie Bone moved a hearty vote of thanks to the Rev. H. R. MacDonald and Rev. Howard Veals for their fine work during the year with the Carrville congregation.

Rev. Howard Veals was in charge of the service at Carrville United Church on Sunday. His sermon theme was "Rejoice in the Lord Always". The choir sang "Praise God for the Bible."

The Stewards will meet following church service February 5.

February 12, 13 and 14, there is a Rural Church Workshop at Teston United Church, sponsored by York Presbytery. A good attendance from Carrville is asked for.

Mr. Robert Kirk was appointed to represent the church men on the men's committee of York Presbytery, with Ernie Bone as alternate.

Rev. Veals presented first year gold pins and certificates to Penny Houston and Margaret Williams, and second year awards to Nancy Middleton, Gretta Middleton and Mark Kirk.

L.O.L. 91, Thornhill, had a very successful euchre party Friday evening. Winners were Mrs. Sinclair, Mrs. Scott, Mrs. Bob Middleton and Ernie Bone.

**FARM SERVICE**

Electrical service is now available to 95 per cent of the farms in Ontario including thousands in remote northern areas. To serve its rural customers, Ontario Hydro operates close to 48,000 miles of distribution line.

If I Had A Boy

If I had a boy, I would say to him, son, Be fair and be square in the race you must run, Be brave if you lose and be meek if you win, Be better and nobler than I've ever been, Be honest and fearless in all that you do, And honor the name I have given you.

If I had a boy, I would want him to know, We read in this life just about what we sow, And we get what we earn be it little or great, Regardless of luck and regardless of fate, I would teach him and show him, the best that I could, That it pays to be honest and upright and good.

I would make him a pal and a partner of mine, And show him the things in this world that are fine, I would show him the things that are wicked and bad, For I figure this knowledge should come from his Dad, I would walk with him, talk with him, play with him, too, And to all of my promises strive to be true.

We would grow up together and I'd be a boy, And share his trouble and share his joy, We would lay out our plans when we both would be men, And Oh! what a wonderful joy it would be, No pleasure in life could be greater for me.

— FRANK CARLETON NELSON

your home & school association

**Walter Scott Home & School Assoc.**

Walter Scott Home and School had its first meeting of the New Year on January 19th, with the programme spotlighting "Safety."

Constable Young, of the Richmond Hill Police Department was the speaker and he gave a very interesting discussion on the safety training given in the schools by means of the safety patrol. Constable Young told us safety patrols were first started in 1927, and there has never been a fatal accident involving a safety patrol leader since its beginning.

He emphasized that good safety examples are first set by the parents and that youngsters remember far more if they are shown the proper way to cross the street, etc. rather than just be told about it. Constable Young also emphasized the rule of the road is the same for the cyclist as it is for the motorist. For the younger children, it should always be impressed upon them that the Policeman is their friend, someone to be looked up to rather than be afraid of.

Leaders for the safety patrol are chosen from the children who have volunteered their service and who have good grades as well as being of responsible character.

Safety patrol equipment, raincoats, hats, white belts, etc. is supplied by the Civitan Club in Richmond Hill and each student receives a crest at the end of four month term of Patrolling, if he has given regular service.

A bicycle training programme is to be set up at a later date this year to encourage the boys and girls to practise better cycling habits and to increase their interest in using properly equipped bicycles at all times.

Following the meeting refreshments were served by Social Convener, Mrs. M. Millie and her assistants for this month, who were the grade four class mothers.

which ranged from one of a small hybrid to one of a very large timber wolf. The surprisingly soft, thick pelts with their beautiful coloration range demonstrated, as well, the animals' size variation.

Dr. Pimlott mentioned the prejudice which has built up against wolves through the centuries. This prejudice is largely due to the fact that wolves prey on man's livestock, kill some of the wildlife which man wants for himself, and strikes fear into man's heart with his eerie howls.

"Attacks on humans by wolves are so rare that the chance of a man in the forest being harmed by a wolf is a thousand times less than the chance of a man crossing Yonge Street being injured by a car," said Dr. Pimlott.

In the course of his talk, Dr. Pimlott discussed the system of paying bounty on wolves, the objectives of the wolf research program, and the techniques which are used in the program. He captured the imagination of his audience by showing the "muscle-relaxant" gun which is sometimes used from a helicopter to render the wolves in captivity of movement while the research workers measure and mark them. He also demonstrated the method by which wolf packs are located through the playing of tape recordings of the howls of captive wolves.

He brought his talk to a close by showing a series of coloured slides whose subject was a litter of timber wolf pups which was raised by Dr. Pimlott's family. The pictures were taken on an island which the Pimlotts shared with the wolf pups - the usual procedure being reversed, as the Pimlott's small camp site was fenced "in" and the pups were lords over the remainder of the island. This gave rise to many fascinating situations, some of which were portrayed in the slides.

Coffee and cookies were enjoyed at the programme's end.

**MacKillop Home & School Assoc.**

On Wednesday, January 25, the MacKillop Home and School Association was privileged to have as its guest speaker Dr. Douglas Pimlott, of the Department of Lands and Forests, whose headquarters are at the Southern Research Station, Maple, Ontario. Speaking from his experience as Biologist-in-Charge of the Ontario government's Wolf Research Program, Dr. Pimlott presented an address entitled "Wolves and Men."

"What is a wolf?" was Dr. Pimlott's opening question. He answered this by discussing the occurrence of timber wolves, coyotes, and coyote-dog hybrids in the province and the marked size variation among the three groups. This was dramatically illustrated by a series of skulls

**Crosby Heights Home and School Assoc.**

Crosby Heights Home and School Association held a Father and Son Night on January 25th. The evening was a big success with a good many fathers attending. Art Frank was acting chairman, George Gray, secretary and Jim Woods, treasurer for the evening.

Mr. Jim Kerfoot introduced the guest speaker, Flight Lieutenant W. Wilson, who gave a demonstration lecture on "Problems of High Altitude Flying." Decompression suits and helmets were on display and were of great interest to the boys who had come with their fathers.

The evening came to a close with the fathers donning fancy aprons and serving coffee and doughnuts.

Thornhaven Drive Falls Short 2 Year Objective But Raised \$20,504.00

The Thornhaven School for Retarded Children raised \$20,504.00 as a result of its recent campaign for funds, reported Mr. Donald Hodgson of Oak Ridges, retiring president, at the association's last meeting. The objective of the drive was \$30,000.00, and support was received from every community in the south central part of York County served by the school.

The campaign was under the direction of Mr. Cec Williams of Richmond Hill. His committee was composed of Vice-Chairman John Partington, Richmond Hill; Canvass Chairman Don Brown of Markham; Mr. George Sweeney of Richmond Hill was in charge of Publicity, and Mr. Richard Hutchison, Special Names. There were over one thousand canvassers involved in the general fund drive.

Mr. Hodgson pointed out that after donations by service clubs, private donations, provincial and municipal grants, the Thornhaven School has an annual deficit of \$15,000.00.

It was hoped that if the drive in 1960 was successful for \$30,000.00, no appeal would be necessary in 1961. It would appear

that another canvass will take place in November, 1961, since the canvass fell short of its objective.

The Thornhaven School trains 37 children, and requires the services of five teachers and two bus drivers. During 1961 new playground equipment was donated and installed by the Civitan Club of Richmond Hill, while the school itself financed the cost of a new fence and projector.

The new president for 1961 is Mr. Went Dowdell of Willowdale, first vice-president Don Brown of Markham, and second vice-president Mr. A. Ketola of Thornhill. John Graham of Richmond Hill was named representative to the Ontario Association for Retarded Children.

**UNIONVILLE** — Eleven-year-old Donald Turner of the Unionville Cub Pack, although only 11 years old, has won all 13 badges connected with cub life and has now gone into the Scouts.

**STOUFFVILLE** — Nineteen-year-old James Ross Sheard of Vivian has been convicted of a charge of uttering and forgery in the Newmarket court and remanded for sentence.

RICHVALE NEWS

**CORRESPONDENT: MRS. E. E. SPEARS**  
25 Roosevelt Drive Phone AV. 5-3116

As the March of Dimes Day is Jan., 21, the day will have passed as you read this. Without advance notice this year it hasn't been publicized in our neighbourhood as well as usual. If you were out when the Marching Mother called please send in your donation, as it is such a worthwhile cause.

**Parents Night**

After the Christmas reports at the Thornhill High School many parents were eager to meet their child's teachers and discuss the fall term with them. Last Thursday and this Thursday, January 19, the parents were invited to go to the school and many of them took advantage of the opportunity. If the schools attendance grows it will be necessary to have it three nights as even with two it is a race to get around, especially if you have more than one student attending.

**Gang Show**

The 1st Langstaff Auxiliary of Scouts and Cubs ran the canteen at Thornhill United Church on Saturday, January 28. They provided doughnuts, lemonade and coffee for the members of the cast. Each auxiliary is taking their turn to provide for the 150 members who rehearse each Saturday.

**2nd Richvale Brownies**

A skating party is being given on Saturday, February 11. They are to meet at the Charles Howitt Public School at 1.30 p.m. and will be driven to Unionville.

Brown Owl, Mrs. A. Baird, informs me that all the Brownies have been asked to raise a little money with their own endeavours to aid in the building of Camp Adelaide in Haliburton. At Christmas, three Brownies, Susan Lanty, Brenda and Donna Woodhouse made decorations and sold them to earn \$6.00 which went towards the Camp. Brown Owl was very proud of them.

**Socials**

Mr. Bob Pool, Pearson Ave. gave a party recently for Mr. and Mrs. Bill Wood. Their friends and former schoolmates were invited and presented the Woods' with a household appliance.

Richard Sand had a party at his home on Maryvale Cres., on January 21 to celebrate his birthday.

Mrs. Len Miles, Maryvale Cres., returned home from Branson Hospital, on Sunday, January 22. No visitors allowed this week, but soon she will feel like seeing her friends.

"I tell you, Orville, it will never fly!"

But Orville was right — it flew — and today man is conquering space.

You, too, are conquering space . . . in a different way . . . when you use the advertising columns of this newspaper. For many years, a newspaper's circulation was what a publisher said it was. Advertisers like you had no way of knowing where or to whom their messages were going.

With the help of ABC\* facts . . . and your merchandising experience . . . it is a relatively easy job to place your advertising program into an effective sales orbit.

ABC helps to safeguard your advertising dollars by auditing — actually verifying — our circulation. In auditing and through a published report, ABC provides a great many facts on our circulation . . . facts to help you know and understand our circulation audience . . . facts to help you use our advertising space more effectively.

Not all printed publications that solicit advertising are able to supply ABC facts. Some can't meet the exacting membership standards. Others feel advertisers should be satisfied with unverified claims.

We are members of ABC and would be pleased to show you a copy of our latest circulation report. It will quickly demonstrate how you, too, can conquer space.

"THE LIBERAL"

\* This newspaper is a member of the Audit Bureau of Circulations, an association of nearly 4,000 publishers, advertisers, and advertising agencies. Our circulation is audited regularly by experienced ABC circulation auditors. Our ABC report shows how much circulation we have, where it goes, how obtained, and other facts that tell you what you get for your advertising money when you use this newspaper.
