

Hold Emmanuel Vestry Meeting

Richvale Anglican Church held its combined Stewardship Campaign Dinner and Third Annual Vestry Meeting on Friday at Wrixon Hall. It was a great success with more than eighty people attending. A wonderful caserole supper was provided by ladies of the congregation. Members of St. Mary's W. A. helped in the kitchen so that all members of Emmanuel could enjoy dinner together. Ladies from St. Gabriels were baby sitting.

Mr. William Rhodes, Diocesan Stewardship Officer from Toronto to Synod Office, who has done so much to guide the parish in the campaign, talked on planning our churches future. To be successful he felt a good balance must be struck between our contributions of time, talents and treasures. This was followed by a film strip "Two sides to a coin."

Campaign Chairman Mr. Ron Neup spoke on the proposals con-

ing as a result of the stewardship drive. Plans are under way for a Mens Club, a married couples fellowship, baby sitting for services, an even more active young peoples group and an expanded programme for the Sunday School that is fast outgrowing its present facilities. Additional leadership has already been volunteered for many of these activities.

The Rector, Rev. Fred C. Jackson noted on Sunday that church attendance has shown a sharp increase as a direct result of the interest shown in Emmanuel church's great activity.

Province Cancels Proposed Subdivision

The Department of Municipal Affairs has informed Whitchurch Township that it has approved its request that the application for a subdivision development by Charles Ratcliff, R. R. 4, Stouffville, be turned down, and that the draft plan for the subdivision (part of Lots 6 and 7, Concession 6) has been withdrawn. Cancellation by the department ends a hassle between the township and Ratcliff that has been going on for several years.

Central factor in the dispute surrounded the question of a one-foot road reserve along one side of a road in the subdivision. The road was built by Ratcliff at a cost of \$5,000. Ratcliff said he was willing to go along with the reserve requirement but felt that when any of the lands adjoining the 1-foot reserve was subdivided that he be partially compensated in the amount of \$1,500.00. The Department of Planning and Development felt this request was not unreasonable. Council, with an effect in mind which said in effect it was easy enough for the department to spend the township's money, turned thumbs down on the whole suggestion. The township took the attitude the compensation asked was exorbitant to begin with and if accepted could establish a troublesome precedent.

The matter, officially settled at the township's regular meeting on Monday afternoon, is now closed once and for all so far as Whitchurch is concerned.

Lions Council will take another look at a request from Newmarket Lions Club that it consider a grant this year toward paying off the \$5,000 debt outstanding against the Lions' home for retarded children at Newmarket. In a letter to council the Lions said they have already raised \$2,200 for the project and will undertake to wipe out another \$1,400 of the debt this year. The Lions were hopeful that council would give a pro rata grant and requested permission to send along a delegation to the township. While council did not commit itself one way or the other on Monday it agreed with a suggestion from Councillor Ross Farquharson that Clerk John Crawford get in touch with the Lions, get all the information and bring up the matter again when the budget is being struck. Another month will be required before the new budget will have been worked out.

Mrs. Emily Jinks may not know it yet but as of Monday she was a 1961 member of the Whitchurch Recreation Committee. Her appointment was moved by Council and unanimously carried. Mrs. Jinks will replace Arthur Starr who said the pressure of serving another year. Reeve Cliff Wallwork, after several names had been considered said: "It won't do any harm to appoint Mrs. Jinks. You never know where this might lead for her. About 10 years ago Councillor Ivan McLaughlin had me drafted for a

wild life committee. I wasn't certain whether my duties meant I was to take part in night life or what will you, but I haven't stopped going in municipal affairs since." Mrs. Gibbs spoke highly of Mrs. Jinks, adding that she had shown considerable interest in recreation and plenty of intelligence to boot. Reeve Wallwork and Deputy Reeve Frank Williams will represent council and rounding out the committee will be Harry Lavelander, Kenneth Seager, Michael van Nostrand and Mrs. Russell Ellis, all of whom served last year.

Roads Superintendent E. Davis said the major works problem facing his department involved keeping pot holes filled and graded on the North Lake Road and Ninth Concession. "We'll keep them passable until spring," he suggested, "and then we can get permanent work done on those stretches." He also reported his department was looking into the matter of a culvert steamer and a steam gun, flame thrower and a transit, but that he would do more looking with a view to affecting the most in economy before asking council to authorize the spending of township funds.

Wants Action R. Preston Leggett of Don Mills (Concession 2) wrote to say that when he bought a farm from H. Bathom he was told that the area south of the land had on it a used car storage building and a sawmill, but there is a tannery also and the silt and sludge from it, of a foul odor, cost him the sale of a lot recently. The would-be buyers refused to go along with the stench. Mr. Leggett said it was up to council to do something about this situation, that the onus was on the township to obviate such a condition and that if it didn't look into the matter he would take it to court. Council agreed that this type of sludge could be pretty hard on one's nostrils and disposition, instructing the clerk to acknowledge the communique and agreed to do some investigating.

Council acknowledged a letter from the Ontario Educational Association in reference to its upcoming April convention in Toronto; authorized the signing of an agreement with Bell Telephone relative to burying a stretch of cable on Vivian Road; passed on some charge-backs, a rebate and minor bills in the total amount of some \$500 and agreed to meet with the planning board on Wednesday.

When the reeve said it was about time council got cracking on the budget and asked the different departments whether they had any extras in mind, they said no, with the exception of Councillor Gibbs. Said she: "I've nothing in mind now except Christmas decorations for the township hall next year." Reeve Wallwork grinned. "There's something for the property committee," he said, but indicating by his tone council would not object to a few dollars being budgeted for Yuletide frills.

Grocery Owner Chases 2 Young Robbers Away

Vaughan Township Police continue their investigation of the January 26 attempted holdup by two youths of George's Grocery, Richvale. Two months ago a successful holdup cost proprietor George Shalvoss, \$1,148.00.

According to police two well-dressed youths entered the store and coffee bar at Edgar Avenue and Yonge Street. One of the youths ordered coffee and while being served his companion walked around behind the counter.

The first one demanded more cream in a surly tone. When Mr. Shalvoss went to get the cream the second youth moved toward the cash register saying: "We came for money," and without warning struck the proprietor on the face. The first youth hurled a pop bottle at Mr. Shalvoss who ducked behind the counter, seized a butcher knife and launched himself against the youths who fled.

A late model Ford car was seen leaving the scene seconds later.
