

### Uplands Putters Finish Squirt League Schedule

The Uplands Golf Club Putters made sponsor Reg. Acomb a happy man by downing Newmarket twice as the squirt league schedule came to a close. The Putters ended the schedule six points ahead of their closest rival and will be going into league playoffs the week of February 20th. Coach Earl Methe hopes to get exhibition games for his young charges in an attempt to keep them at their peak for the Brampton Squirt Hockey Tournament. Assistant Coach Jack Shropshire comes in for some nice praise from Earl Methe who says that Mr. Shropshire has been an invaluable adjunct to the club. Something has done wonders for the club as they are really clicking as a smooth hockey unit. The Thursday night game in Newmarket saw the Putters win by a 4-1 count. Goals for the Richmond Hill team were scored

by John Shropshire with two goals and Dave Lund and Gerry Methe with one goal each. Assists on the scoring plays went to Mark Dobbs, Ricky Doucette and Wilson Ross. Ross is up with the Putters on a trial basis from the Marlboros in the home league. Present indications point up the fact that young Mr. Ross can hold his own in Squirt competition. In Friday night's game in Richmond Hill, Coaches Methe and Shropshire started juggling lines with a vengeance. The strategy proved most sound as it resulted in the Putters downing Newmarket by a 6-2 score. Putters goal scorers were Dave Lund who bagged three goals, Gerry Methe with two goals and Roy Sullivan who bagged one goal and Ricky Doucette picked up an assist each.

### Rams Keep Playoff Hopes Alive By Tying Allison

Richmond Hill Rams kept their hopes alive in the O.M.H.A. Playoff race in a hard fought game with the Allison Hornets. At the end of regulation time both teams were tied 2-2 and now the Rams must win their next two games. Being a best 2 out of three series the winning team must get four points. The series now stands with Allison having three points and the Rams one. Brian Atkinson opened the scoring for the Rams in the first period on a pass from Bert Valcourt. The checking was hard by both teams and the lone goal for the Rams stood for the period. The Allison Team came back in the second period with several good scoring chances only to be foiled by Harry Goodmaker the Rams goalie, but they finally broke through on a goal by Rose with Evans getting the assist. The third period opened up with the newly formed line of Lorrie Clark Dave Blair and Jim Bryden having several good scor-

ing chances but they couldn't capitalize on them. Atkinson scored the second Ram goal from John Watson on some good passing around the Hornets net. The Hornets bounced right back with their second goal which proved to be the final counter of the game with Storey passing from behind the Ram net to Robertson who tied the game. The final minutes of the game found the Rams defence of Ed Garner and Brian Atkinson who dropped back from forward, holding on as the Hornets applied the pressure with Rams defenceman Bob Brennan finishing out the game in the penalty box. The Rams now move to Allison on Friday night for the third game of the series, with the Rams winning in Allison the deciding game of the series, with the Rams in Richmond Hill next Monday night at 9.15. Turn out and support your local boys!

#### Eastiders

The third series was captured by the Phillies captained by Al. McLeod. The league executive has announced that during the two weeks of the playoffs, commencing on April 4, there will be no substitution or bowling ahead allowed. It would behoove all league members to make plans to attend and not have their team suffer a handicap due to their absence. Frank Forrest was high man last Tuesday night with a high three of 720. Evelyn Jones rolled a 680 and Vic Ribbons a 661. Frank Forrest also captured high singles honours as he came up with a very fine 375 game.

#### Ladies' Thursday Afternoon

Next week will see the wind up of the present series with three teams vying for the winners' mantle. Tat Enders captained by Ida Madill, Alley Cats with Denyse McDonald at the helm and captain Pat Mercer's Speedballs. High three games of Thursday last were Sonia Graeden's 713. Denise McDonald 683 and Muriel Steven 641. There were several very fine single games. Hazel Ritchie bowled a 274 and Muriel Steven a 272. Marion Sturgeon rolled 248 and Denise McDonald 246 as Vickie Boynton tossed a 238 and Gerry Stewart 232.

#### All Star Bowling

The All Star bowling feature at Allencourt Lanes has featured some very fantastic finishes but has to come up with something really great to top last week's match. As a result of the action, Al Richardson retains his title for the second time and challenger Bill Jones lost a heart-breaking match by a 1-0 lead. Bernie Jenkins and Barry Aldred were the sharpshooters who scored the goals that gave the Hawks the win. Doug Dennis and Bob Safruk scored for the Habs. Griffin Construction Maroons 2 Holiday Fuels Leafs 0 Larry Black came up with a well deserved shutout as team mate Bob Anderson scored one goal and the second goal scorer is unknown as his effort was not noted on the game summary form. Someone goofed. Town & Country Americans 5 Butler & Baird Bruins 2 Doug Nichols paced the American attack with two goals as Mike Wilson, Jim Zubek and Don Gibson scored singles. Paul Sullivan and Jim Dent scored for the Bruins. P. W. L. T. P. Hawks 15 11 1 3 25 Leafs 15 9 4 2 20 Bruins 15 8 5 2 18 Rangers 15 6 5 4 16

#### Tie Second Game Of Bantam Series

The second game of the Richmond Hill-Newmarket Bantam O.M.H.A. Hockey Series ended in a 4-4 tie. The Richmond Hill Team won the opening game of the three-game series and the tie gave the local team a three-point total. A win or a tie in the next game would send the Richmond Hill Bantams into the second round of the O.M.H.A. playdowns. If Newmarket wins the third game it will be necessary for the two teams to play a two-game, goals to count series to declare a winner. In the second game the Richmond Hill Bantams led 4-0 going into the last period on goals by Mike Howard, Jackie Dubkowski, Paul Jackson and Frank Pirri. A desperate attack by the Newmarket team in the third period saw them score four goals and salvage a tie from what looked like a lost game.

### Friday, Special Events Night, Local Arena

Tomorrow night (Friday) will be another special events hockey night at Richmond Hill Arena. A night such as this is planned for the younger set, both to give them a real audience and a chance to show parents just how good their hockey wares are. Price of admission will be 25c and will include chances on some valuable door prizes. It is hoped that a Maple Leaf hockey personality will be in attendance and present information points to reward Bob Purford.

Come on along and bring all the family. This night is set aside especially for you parents so take in the show and see how well your offspring are doing in the hockey world. You'll enjoy it.

### HOCKEY RESULTS

#### Richmond Hill Hockey Assoc. Mite Division

The mites seem to be playing shutout games these days as both games on Saturday resulted in shutout victories for the winning team. Judging by the number of goals scored the youngsters are gaining skating and shooting skills and play a much better game of hockey than they did a few weeks ago.

#### Alouettes 3 - Argos 0

Goalie Tom Dunn got his first shutout of his career as this was the first time he ever played goal. At the moment he has a perfect average and he got to play goal because the regular goalkeeper just doesn't want to play goal anymore. The kids surely do keep a coach guessing. Alouette goal went to Henry Gibson assisted by Allen Brooks, John Barnett assisted by Kevin Gardiner and Dennis Acomb assisted by ex-goal tender Stacey Richards.

#### Tiger Cats 8 - Rough Riders 0

The Tiger Cats seem to have learned fast what hockey is all about but the poor Roughies must think that the game is nothing but a big rain of rubber into their goal. C. Randall scored three goals for the Tabbies, while Dave Robbins and Bill Gurney sniped two each. The eighth Tiger Cat goal was scored by Adam Winterton.

#### Squirt Division Rumble Transport Petes 2 Wilson-Niblett Tiger Cubs 1

Phil Harmon and Frank Petronski scored the goals to give the Petes the win while Jeff Crane scored the only goal for the Cubs.

#### Mac Mac Biltmores 3 W.O.L. Flyers 1

Macdougall-Pontiac Tepees 2 Consumers' Gas Marlboros 2 Brian Oliver and Jimmy Miller scored the goals for the Teeps while Wilson Ross scored both goals for the Marlie squad.

### Figure Skating -

(Continued from Page 9) Test medals may be said to be metal certificates awarded for progressive excellence. In order of Gloria's achievements there was, first, the preliminary pin in 1954, followed by the first-test bronze medal the same year. In 1955 she was awarded the bronze bars for second and third tests and the fourth and fifth test achievements in 1956 brought her a silver medal and silver bar respectively. The sixth test year (1957) and the seventh test year (1958) resulted in two more silver bars while in 1960, the eighth test year, she won a gold medal. Gloria now is working on her senior silver. In competition the winner receives a cup or trophy which is returned at the end of the year and may be won back again if someone else may defeat the previous year's winner. The one who takes second place receives a small medal which is his or her's to keep.

#### Pitfalls

Five-foot-four Gloria pointed out that pitfalls are many in the world of amateur figure skaters. "One can't be associated in any way with anything of a commercial nature," she said. Mr. Tatton said that during the course of the competitions in Lachine this year one amateur contestant was almost photographed holding a well known soft drink in his hand. "Had that picture appeared in any newspaper she would have lost her amateur standing," he said, "and there would have been no court of appeal." Mrs. Tatton pointed out that once a very fine skater lost her amateur standing because in an interview on the air she innocently stated that the blades she used were the best in the world. The manufacturer's name was inadvertently used. "Home for Gloria is a 100-acre farm just north of Victoria Square on the Don Mills Road. Her mother, the former Betty Agnew, born in Ireland but raised from childhood in Canada is one of her most ardent boosters. The Tattons settled at Gormley 14 years ago. Prior to that they lived in Toronto. Whatever happens the family is committed to sports and Pats Domino records, Ed's favourites. For better or for worst it is figure skating, gymnastics and Pats Domino, though not necessarily in that order. The Tattons are a close-knit and cheery family and despite busy days find time for their hobbies and admit that it isn't all a bad life.

#### Response

We were gratified to note the response of all the Langstaff residents when they were called upon for their share of the Heatinco family this past week. They are now adequately supplied with clothing. A door to door canvass for money for this family made by Mrs. H. Lindsay and Mrs. D. Wake netted the wonderful amount of close to \$200. from residents east of Yonge St. A separate collection was made West of Yonge and also some other private donations came in, all in all I believe a sum close to \$300 was given to Mrs. Heathcote. They are now living in a house owned by Mr. R. Smith on No. 7 Highway and Mr. Heathcote is scheduled to be released from Bethesda Hospital today (Friday) where he was taken on Saturday, February 11, as a result of congestion due to inhaling the smoke. We all wish him a continued recovery and hope he will soon be able to return to work. Langstaff Young Women's Institute The Langstaff Young Women's Institute was held on February 8 at the home of Mrs. Kay Morris, 10 members and one guest answered the roll call.
