The World Famous Bagg Jersey Herd Makes Way C.N.R. - Moves To Teston

Bagg Farm At Edgeley Established Since 1912

Jr. Bowling League Banquet

By Toby Shore
Saturday, March 25 was the big day for all Junior Bowling League players. Not only was there a banquet given in their honor but they were presented with the trophies for the winning teams and individual top scorers with each league member being presented with a crest.

Perhaps one of the biggest highlights of the afternoon came when the boys and girls presented Mr. Jim Hodgson with a lovely set of drinking glasses. To these youngsters Jim has been their coach, their leader, their mainstay and all around grand guy. It would be impossible to phrase the right words to say just how much these young bowlers - and their parents - appreciate the many, many Saturday mornings Jim Hodgson has given over to them to supervise and guide their league. Each year this has been a one man task Jim has taken on and over 80 boys and girls wanted to say "Thanks."

The Maple Lions Club sponsor the Maple Junior Bowling League and here are the list of top teams and top bowlers -

Trophy Junior Team Winners
Bill Mathewson, Clair Murray, Nancy Kerrigan, Elizabeth Walker, Kathy Crook.

Trophy Winners
Bill Mathewson - Boys Hi Average, Hanne Fynbo - Girls Hi Average, Barry Ingram - Hi Double without handicap, Carol Saigeon - Hi Double with handicap, Maureen Johnson - Hi Single without handicap, Darrel Kruger - Hi Single with handicap.

Besides these trophy winners Jim had a few players in the Bantams he thought deserving of special mention; Ron Harrison, only Bantam to bowl over 200 without handicap - he made it 203; the "smallest bowler" was Nancy Fraser but she sure made the "greatest effort"; the most games played by Joan Earnshaw and Ken Rumble got "A" for effort. In the Juniors Nadine Watson was a one girl team and carried her team all year.

Lion President Jim James was a guest of honor and assisted Jim Hodgson in handing out the honors.

The ladies of the George Bailey Home & School catered with help from the many mothers of the bowlers.

Congratulations to each and every participant.

By Mrs. Raymond Stuart
One of the biggest and finest Jersey herds in Canada left Edgeley on Tuesday of this week for a new location in Teston. Their removal to the farm formerly owned by Lorne Gooderham was brought about in order to make way for the new marshalling yard and the re-routing of a piece of No. 7 Highway west from Keele Street in order to eliminate the curve in the highway at this point.

The farm, which is now C.N.R. property, has been occupied by the Bagg Family since 1912 and during the years some important developments have taken place in the Jersey breed, many of them notably made by the late Alfred Bagg, whose herd has grown from 10 cows in 1912 to 150 head now owned by his sons Norman and Don, who are extremely proud of the fact that theirs is the oldest accredited herd in Canada.

During the past 19 years, William Hawkesworth has been a loyal member of the Bagg Farm Staff and this week Mr. Hawkesworth and his family are also moving to the new Bagg headquarters in Teston where they will continue to work with this fine herd.

Better Feeding
Over the years, Norman has seen many changes, one of the greatest being that a lot more stress is now placed on production than 40 years ago with improved feeding techniques and technical farm management playing so much more important part now than formerly.

The Bagg Herd has always been noted for its outstanding performance, one of the greatest being in 1936 when Norm and Don's father sold a cow to a Kansas breeder for the sum of \$2,000, which was big money in those days. This cow, which was named "Edgelea Dreaming Countess," was never defeated in all the American shows. She was Grand Champion at the Canadian National Exhibition and the Royal Agricultural Winter Fair in 1935 and won the Grand Champion award at seven major American shows and was the first Canadian bred cow to become Grand Champion at the All American Show.

Bulls from the Bagg Herd have found their way into herds in all of Canada's provinces and many American States as well as Cuba and Australia.

The late Alfred Bagg once visited the Isle of Jersey and on several occasions purchased bulls and a few female cattle that came from the island.

Father Charter Member
The Bagg Brothers are members of the local and the 60 year old Canadian Jersey Cattle Club of which their father was a charter member. Their herd classification is one of the highest in Canada - with butter fat production averages of 500 lbs. fat for which they received the Canadian Jersey Cattle Club's Constructive Breeder's Award in recognition of that production.

Long Time Exhibitors
Cattle from the Bagg Herd have formed a large part of the entries in the Jersey Shows at the Canadian National Exhibition since 1912 and have been entered in shows at the Royal Agricultural Winter Fair since its beginning in 1923. The Bagg Family are now the only Jersey breeders who are members of the "Old Guard". They have been consistent winners of the Premier Breeder and Premier Exhibitor Banners, having acquired over 30 of these awards since it was established in the 1940's. In 1960, the Bagg brothers won both banners.

Last year at the International Dairy Show in Chicago, a bull from the Bagg herd was declared the Reserve Junior Champion.

Each year Norm and Don participate in the Sale of Stars with their cattle at the Royal Agricultural Winter Fair. At the present time they have consigned some cattle to American sales which will be held in Ohio and Texas in May and June.

1960 All-Canadian Winners
Another recent triumph for the Bagg Herd was their winning the 1960 All-Canadian Pictorial Contest which was sponsored by the Canadian Jersey Cattle Club. A Canada-wide contest, their achievement is believed to constitute a record for a single breeder to be voted so many points. Beside the All-Canadian cow "Edgelea

Ode From A Maple Leaf Fan

By the time the following verse appears in "The Liberal," history will have recorded whether Debbie McConkey's faith in the Toronto Maple Leafs was misplaced or misfounded or both. Debbie, daughter of Mr. and Mrs. H. McConkey of Maple (her mother is better known as Ruth the first lady of Vaughan as the first woman councillor in that township) is a Grade 13 student at Loretto Abbey, Toronto, and said this represents her first attempt at versifying and felt, even after the March 28 4-1 loss by the Leafs to the Detroit Red Wings, that the Leafs would make a come back.

AN N.H.L. TEAM
(by Debby McConkey)
Now there's an N.H.L. team
That's heading for the top,
And when they get going
Things really start to pop.

The goaltending's done
By one Johnny Bower,
And in most games he's considered,
The man of the hour.

The right-winger and centre
Often Nevin and Shack,
Are launching into
A frontal attack.

Then the big M, Mahovich
Sneaks up at the rear,
To put the puck past the goalie
And do the crowds cheer!

The def' men are checking
As close as they can,
While the other team's hopping
Like grease in a pan.

The other team players
Are really prof,
That this team's determined
To raise the roof.

Johnny Bower picked up
The Vezina Award,
Though he didn't do it all
On his own accord.

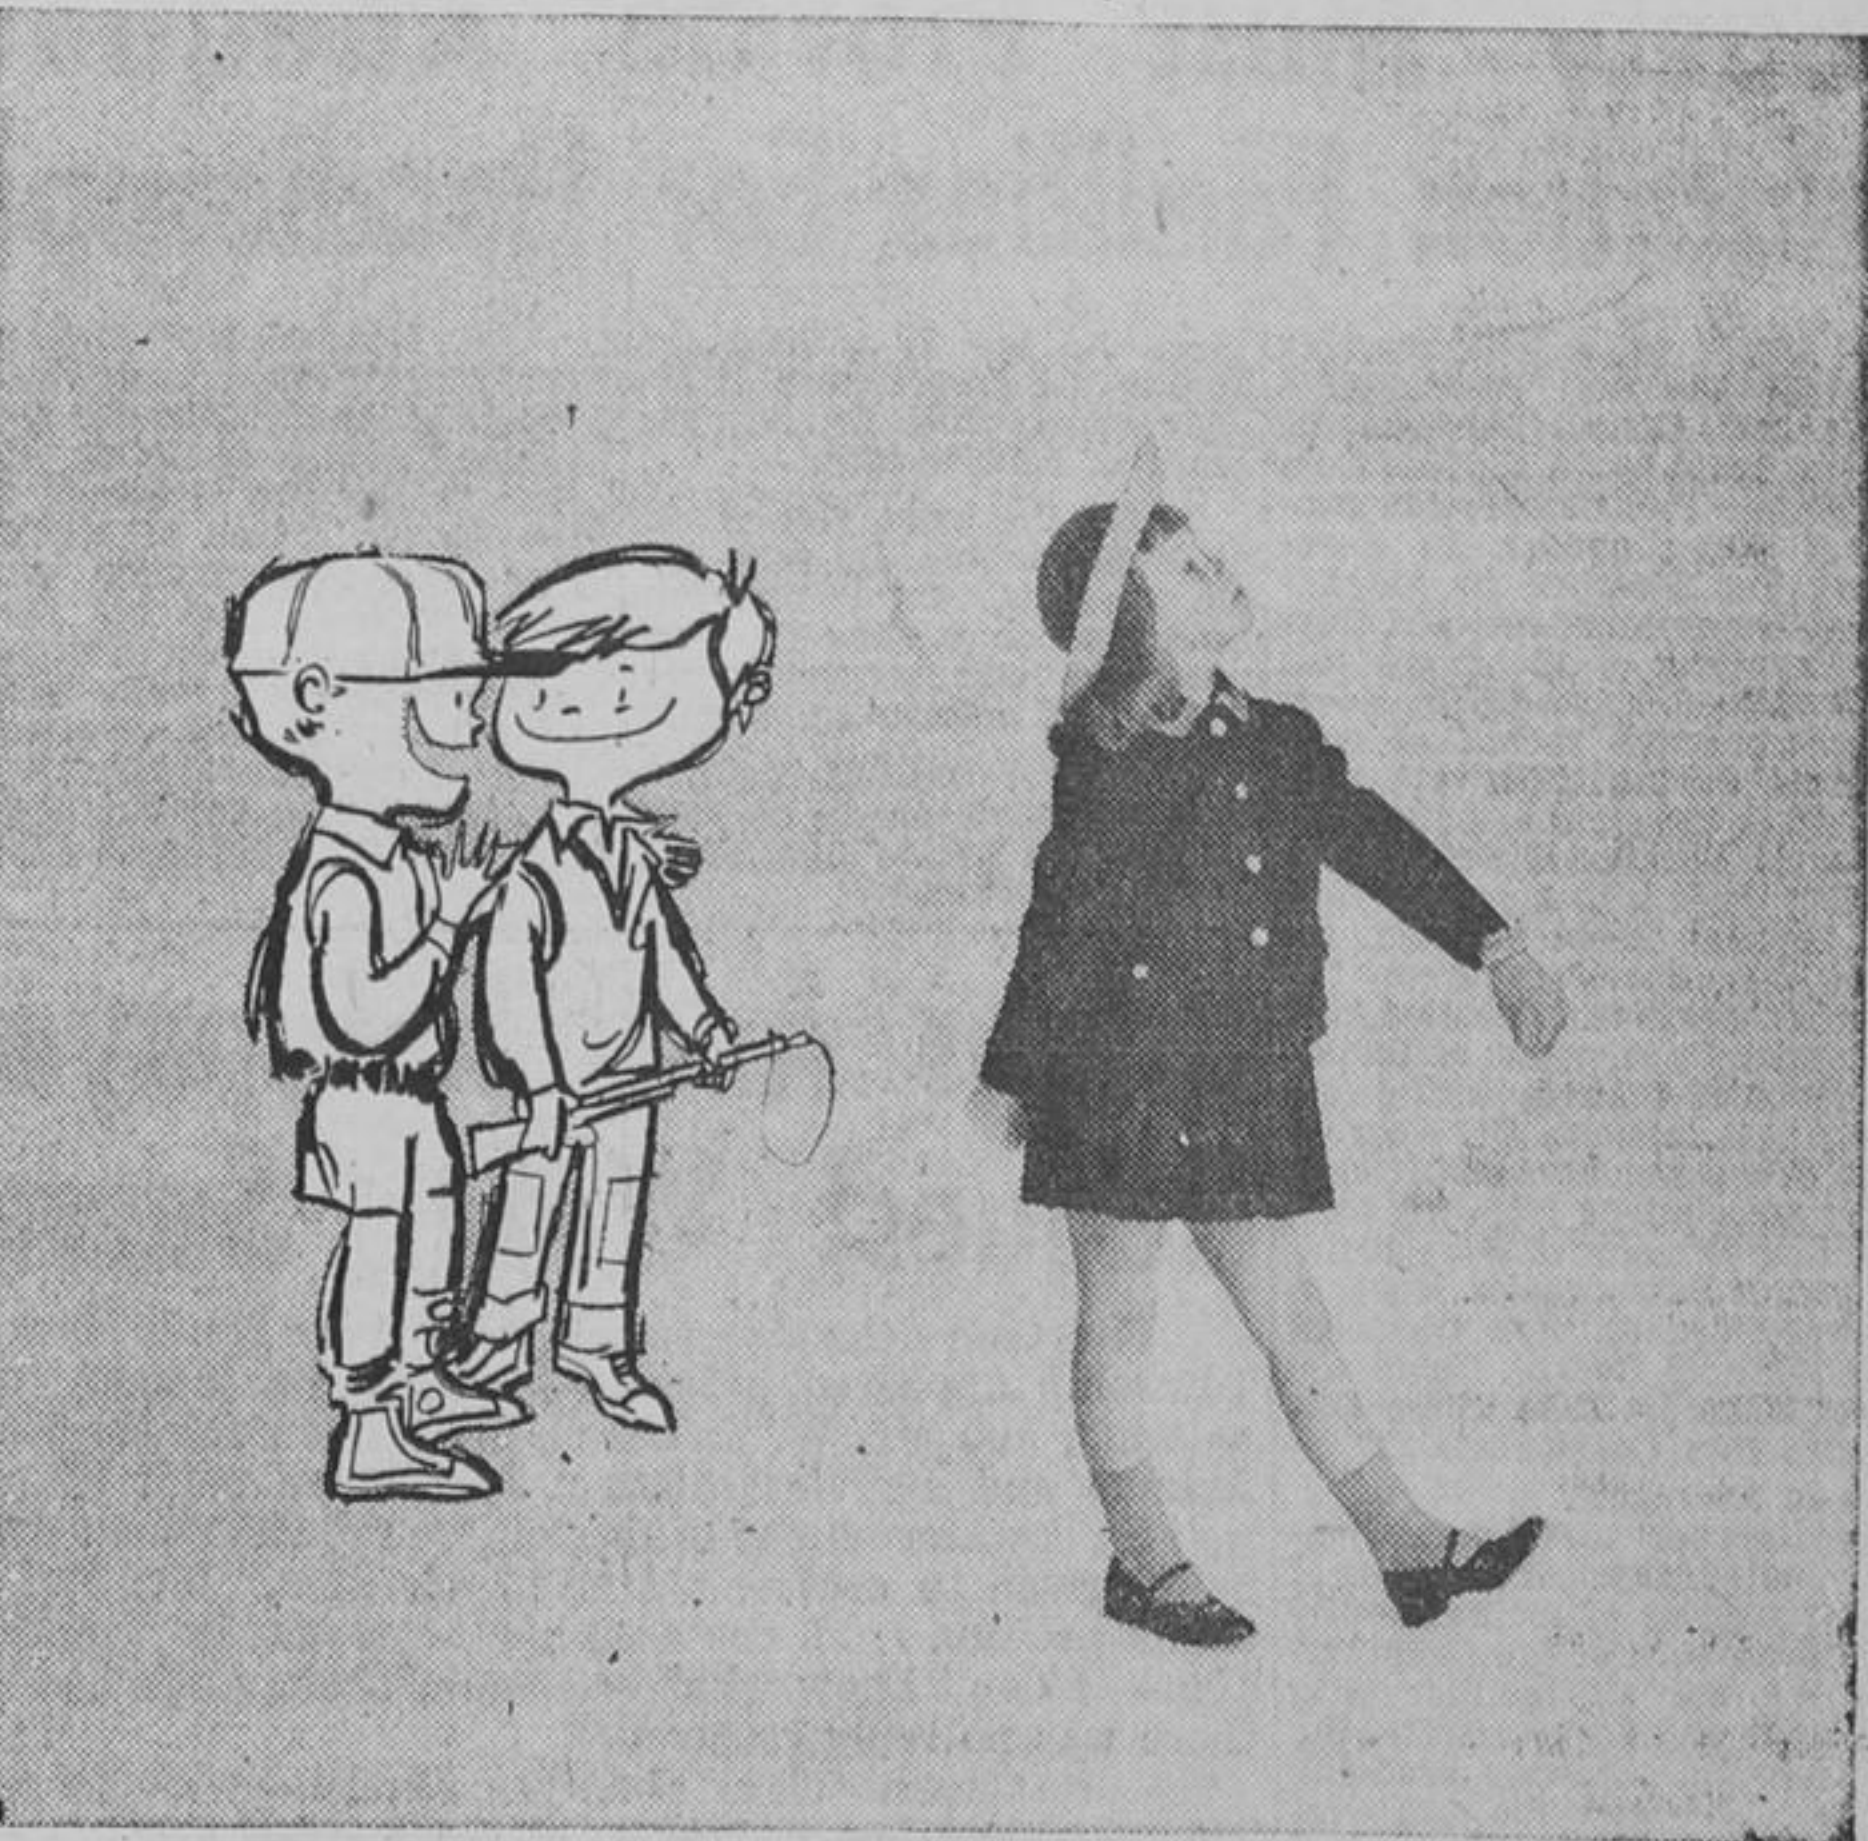

In the Stanley Cup play-offs
The team met Detroit soon
And in four games straight
Detroit meets it's doom.

In spite of the injuries
In Bower and Shack,
Baun, Armstrong and Kelly
Hope they'll soon be back.

Our team pushes onward
Against Montreal,
To win the Stanley Cup
In front of us all.

Now you've probably all guessed
With the greatest relief,
That the team that I'm speaking
Of is the Toronto Maple Leafs..

Live Better Electrically

"She thinks she's so great just 'cause she lives in a Medallion Electric Home"

Not really! It's just that pride of ownership is part of the pleasure of living in a Medallion Home. So many things are "great" about it! The Medallion Standard gives you a great deal of home comfort, convenience and safety, and protects your home investment through power, light and appliance conditioning.

These features include a full capacity service and housepower panel—plenty of appliance circuits, outlets and switches to take care of your present and future electrical needs. And completely installed in every Medallion Home is a new fast-recovery, two-element electric water heater, ready to supply an abundance of hot water at all times... the low-cost, flameless way. And as you would expect in a truly modern home, the lighting in Medallion Homes is planned for extra beauty and safety both indoors and out. Before you buy or build a new home—find out how you can enjoy the wonderful advantages of Medallion electric living... call your electrical contractor or your local Hydro Office.

BE SURE TO SEE THE MEDALLION HOME EXHIBIT AT THE NATIONAL HOME SHOW MAR. 31 - APR. 8

Guess Proof Is In The Playing

By Toby Shore
Recently the council of the Township of Vaughan received an official communique that read in part -

"Whereas the municipal council of the corporation of the Town of Richmond Hill fully realizes that there may be some truth to the rumor now prevailing that through the years the council of the Township of Vaughan has let its physical condition become such that they are no more a match for the council of the Town of Richmond Hill.

"Be it therefore known by all those present (and others who are not) that the council of the Town of Richmond Hill challenges the council of the Township of Vaughan to a broomball game". etc.

As this was signed with the official stamp, Councillor Ruth McConkey thought that the least she could do would be to appear as formal as the occasion seemed to demand. In fact her cohorts appeared in "formal" wear too. Councillor McConkey wore a long black velvet "opera" coat with fur trimmed hood. Upon entering the ringed ice surface, she commenced to shed said cloak, fancy frilled gown and finally got down to the business at hand in leotards and turtle-neck sweater. Councillor Maurice Windatt was fittingly attired in a habit or lumberjack outfit; Clerk Jim McDonald was the belle of the ball (broom ball that is), while deputy-clerk Ted Jackman was "real 'gone' in wide striped pyjamas and tassel night cap. Councillor Wilfred Keffer staunchly braved fire in the goalie's position while accountant Bob Saunders fought to uphold the promoting of good sportsmanship, while whacking a basket ball across slippery ice by means of a sawed off broom.

By now, regardless of the 4 to 1 score in their favor, the council of the Town of Richmond Hill must surely know how the aforementioned "rumor" got started. In self defence it must be stated the Vaughan representatives were left holding their sportsmanship without the promised extra players, so had to play throughout each period and boy that's rough when it comes to broomball.

Proceeds from this game went into the Retarded Children's Fund.

Maple Notes

Guess the Easter Bunny had to mush through his chores on snow shoes this year while Spring took a holiday. Speaking of holidays - how about treating the family to a night of fun at the Boy Scout Gang Show? This has to be seen - it's almost beyond description as the Scouts play all the parts, both male and female - and have been in rehearsal for about 14 weeks. The costumes and the singing are show stoppers. The Gang Show is on at the Thornhill High School at 8 p.m. tonight, April 6 and Friday and Saturday. Contact Lowell House or yours truly, Toby Shore, for tickets, you'll be glad you did.

Maple United Church
The March meeting of Maple United Church W.A. was held March 28 in the Religious Education Room. Mrs. N. Payne presided. Plans were made to hold a Rummage Sale and Bake Sale on Saturday, April 29.

The meeting was in charge of Mrs. Tilley's group with Mrs. R. Clegg as pianist. For the worship period, Mrs. N. Woods used the theme "Making Friends With Life."

Some most interesting coloured slides were shown by Mrs. J. Snider of Vellore. Recently Mrs. Snider's daughter Lois, visited friends who are medical missionaries and took these slides showing the life among the people in various parts of India and Africa. Refreshments were served at the close of the meeting.

They Were A Hep Group - Chamber Music-wise
Anyone coming into contact with Ray and Ilse Thompson soon learn of their interest and delight in chamber music. It was through music participation that they first met. Their living room is a combined living and music room with two pianos and Ilse's cello.

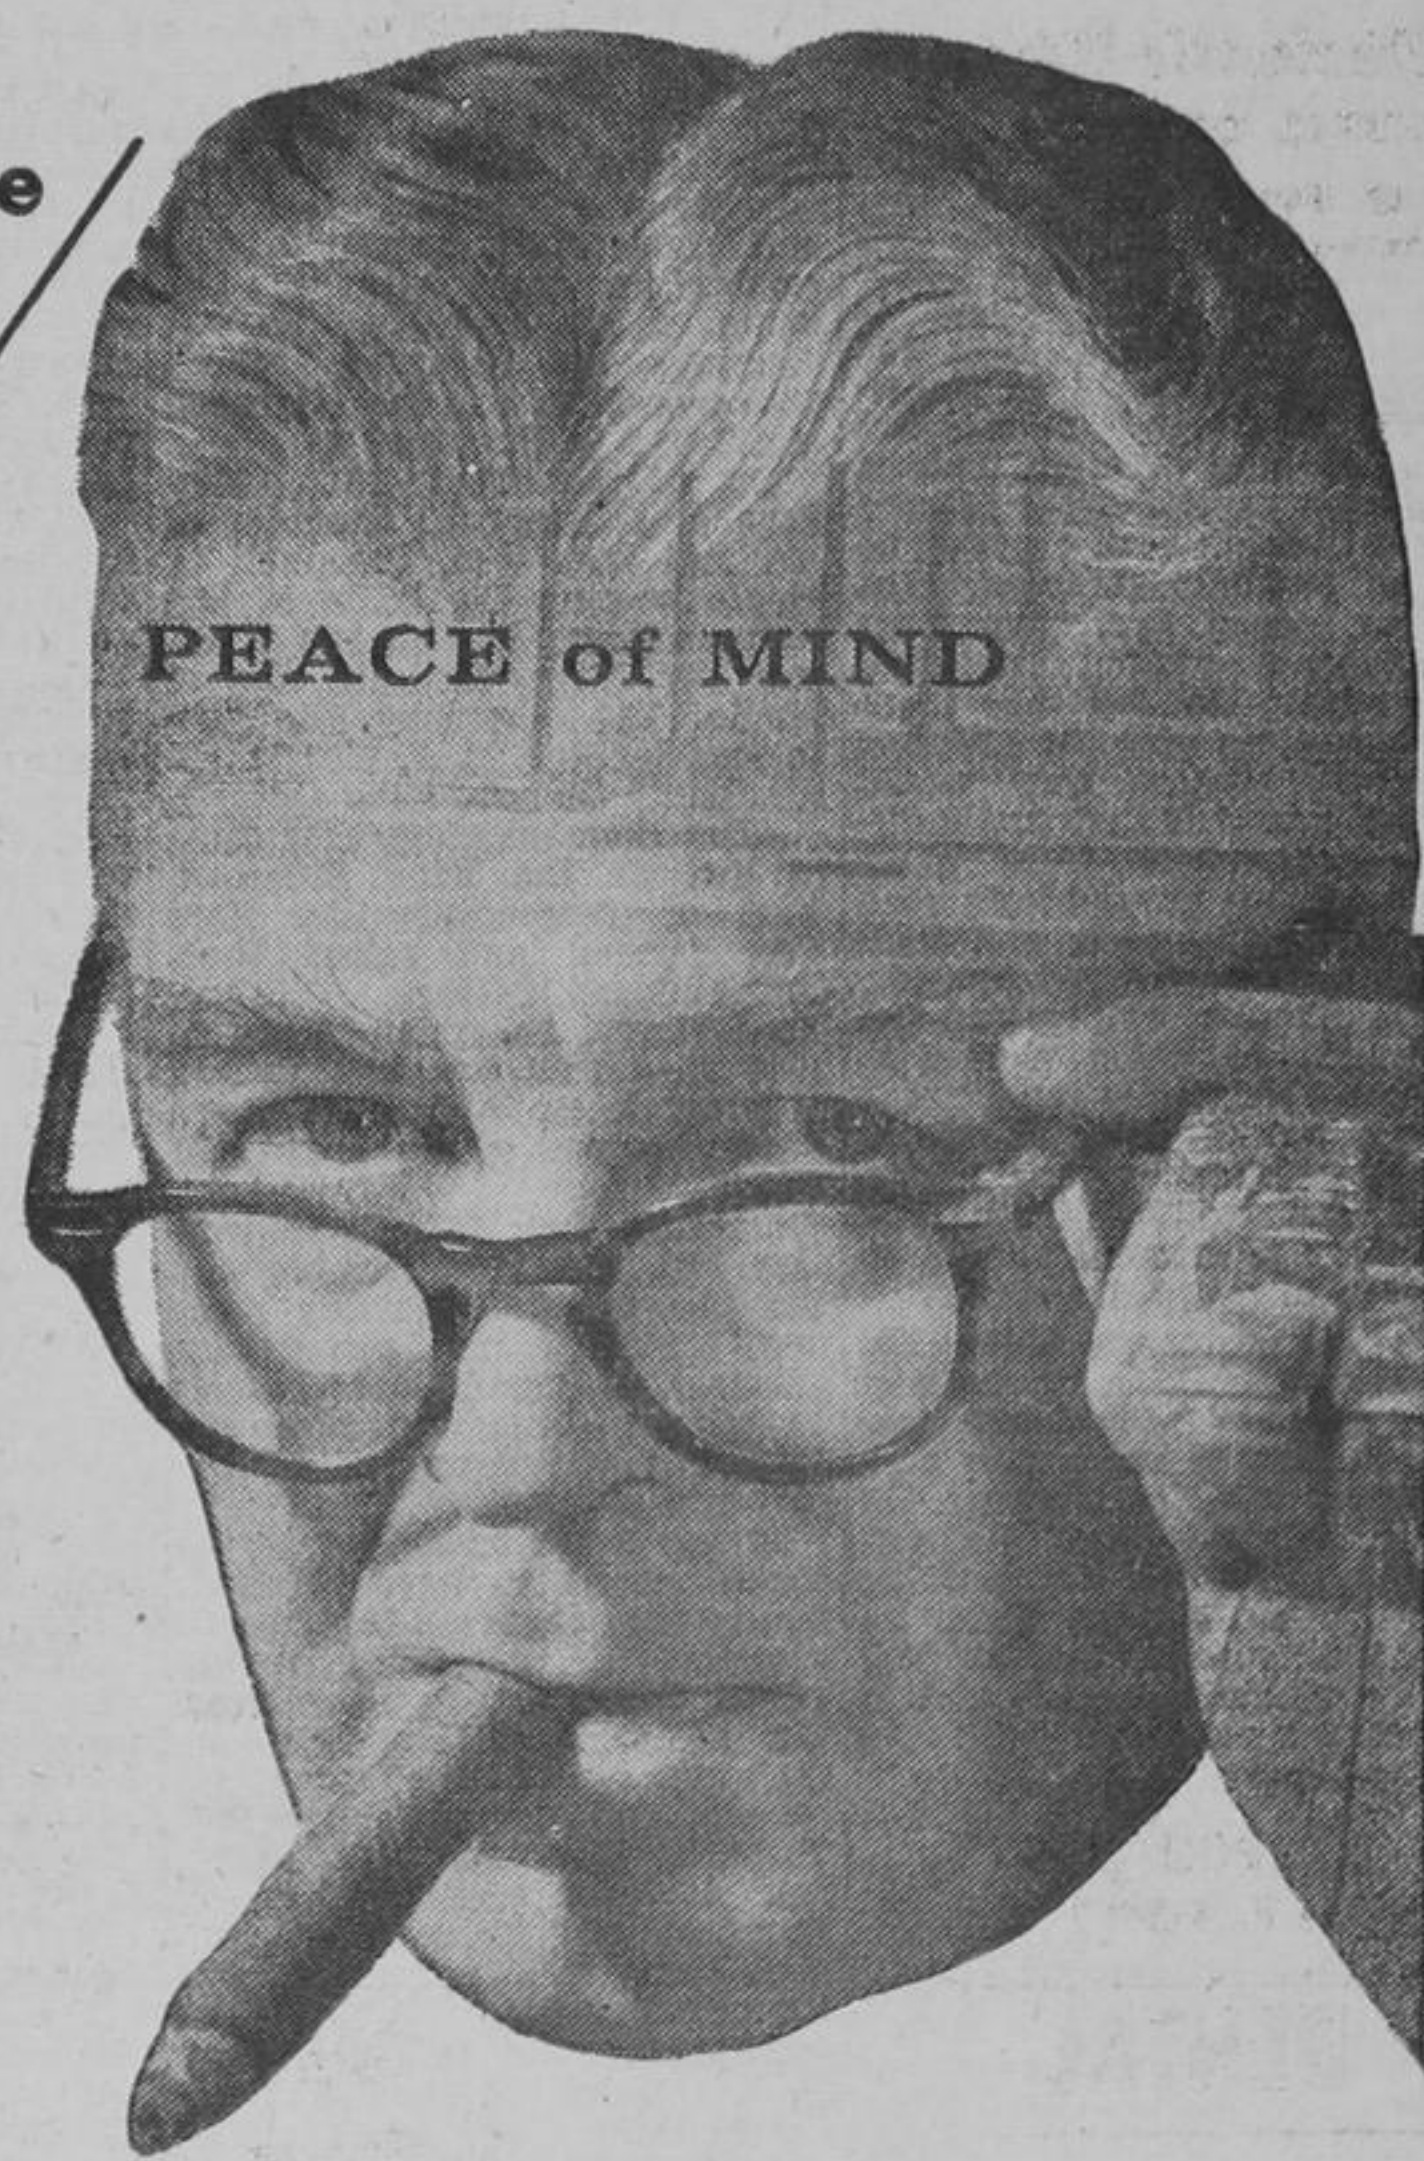

On a Saturday night similarly interested friends drop in frequently to contribute their share of musical enjoyment.

So it was on March 25, Ray and Ilse were all set up for some occasional chamber music. With Harry Standing playing the flute, George Cox the viola, Ilse the cello, Dorothy Cox and Ray at the pianos they were joined by violinists Larry Stevenson and Charlie Birkett (Maples affable M.D.) for their initial performance. To the two non performers making up the audience, including Charlie's wife Edythe, here is a well tuned tip - if you cannot beat them, you had better join them!

A standing invitation from the Thomsons is that any local residents who are interested in chamber music would be more than welcome to contact Ray and Ilse and drop around of a Saturday evening and join in with the ensemble.

Before Larry and her family moved to Maple, she played the violin with the Kitchener-Waterloo Orchestra and Ilse has attended full symphony evening school classes at Earl Haig for several years. As amateur groups they get much enjoyment through them.

Insurance means

For Trade and Industry: Few people today would be able to risk the hundreds of millions of dollars needed for factories and equipment if insurance were not available to protect their investment.

Few would dare to take the risks of transporting their product to market without insurance. Few merchants and dealers could take the chance of stocking merchandise if there were no recourse against overwhelming disaster.

Back of practically all our trade and commerce is the Peace of Mind which comes from insurance. Last year, the companies writing fire, automobile and casualty insurance paid out more than 500 Million Dollars in claims across Canada - real evidence that insurance indeed means Peace of Mind.
