**Vaughan Township School Area Board
 Plans 8-room Addition At Kleinburg**

Mr. D. Russell MacDonald, B.A., B. Paed., has been appointed Inspector of Public Schools - as assistant to Superintendent Jos. A. Gibson, duties to commence on September 1, 1961, announced Trustee Sam Kaiser at the April meeting of the Vaughan Township School Area Board.

Commenting on the appointment Trustee George Chandler said, "I feel we should compliment Mr. Kaiser as chairman of the management committee on the wise choice made. Such a highly qualified and experienced man will help this board improve the educational standards of this area. Mr. Gibson has been run off his feet and badly needs such assistance."

All members of the board were present with Chairman H. A. Constable presiding.

At the last Doncaster Community Ladies Club Charm School, held on April 10, at the Woodland Public School, approximately 20 ladies gained a new start at managing their shapes as diet and exercise was the topic of the modeling instructor, Scene Ezra.

The subject for the class for the next month, May 8, to be precise, will be a follow-up on make-up, which was the subject of the first class.

Before each charm class the ladies hold their regular monthly meeting and it was decided at the past gathering to visit the patients of the Villa Nursing Home, on Bathurst St., on Monday, April 24, and spend the evening playing cards with them.

Birthdays go to Dianne and Dorothy Gain, of 144 Henderson Ave., who, being twins, celebrated their 8th birthday together, on Saturday, April 8.

Mr. Don Heer and his little Jets of the Thornhill and District Hockey Club junior group once again wear the crown of victory as they captured the "Bill Menzies" plaque. This is their third title in as many years.

The score of the final game, held at Woodbridge on April 12, was a nothing-all tie but the game was awarded to the Jets for most shots on goal. Lloyd George's Rangers were the losers.

Goalie Bob Flewelling of the Rangers was credited with keeping the outplayed blueshirts in the contest, while the shut-out for Jet's Wendell Mazelow meant he will share in the goalie award for the play-offs with Bruce Elvin, of the Bears.

Goalies Bob Flewelling and Wendell Mazelow are Doncaster residents, as are their coaches, Lloyd George and Don Heer, both of Morgan Ave.

In March the Thornhill Lions Club sponsored an all-star "Atom" hockey team to represent Thornhill in the Brampton Tournament. Doncaster is proud to have had two key personalities selected. Thornhill finished honourably enough in the finals of the "Atom" series. The two Doncasters were goalie Wendell Mazelow, of Proctor Ave. and Coach Bill Menzies, of Glen Cameron Ave. The tournament was held at Brampton during the Easter holidays.

Mr. and Mrs. H. Mizen, of Sprucewood Dr., enjoyed the company of their niece and nephew, Mr. and Mrs. E. Wiseman, of England, recently.

The continental travellers arrived at Mizens on April 12 and left this week by car for a two month tour of Western Canada. They plan to drop in at the home of their aunt and uncle on their way home.

In the last Doncaster News it was stated that Mrs. Currie, of Clarke Ave., had been recuperating at the home of Murray Barrington, of Richmond Hill. This is incorrect, she was sheltered in her time of need by Rev. and Mrs. Hugh MacDonald of the Thornhill United Church, who reside in Langstaff.

committee, presented by its chairman, Trustee Sam Kaiser. In the same committee report, it was also noted that in accordance with the policy against collections for any purpose being made in any schools under the board's jurisdiction, a request from the Maple-Wood Unit of the Canadian Cancer Society for a penny and nickel blitz during April, was refused.

This committee further reported that the offer from Sportsland Park Limited offering the use of its facilities for the annual field day, was referred to the Vaughan Athletic Committee with the stipulation that no pupils be allowed to enter the pool during school hours, and later only if accompanied by, and with the consent of, their parents and on payment of the admission fee.

Replace Projector
 Trustee Mrs. D. Robertson, reporting for the finance committee, recommended that approval be given for the purchase of a movie projector and radio for Ross Doan School as replacement for those taken at the time of the break-in on January 17, 1961. This report was unanimously approved by the board.

Plans of the proposed subdivision of part of Lots 4 and 5, Concession 7, received from the Department of Education, had been referred to Inspector Maynard Hallman, York No. 3, for the consideration of the Woodbridge Public School Board, as the major portion of the subdivision will be their responsibility, reported Trustee George Chandler, chairman of the property committee.

Mr. Jackman, business administrator, reported that the plans had not yet been returned from Woodbridge.

Authorize Plans
 The property committee also recommended that the architect be authorized to proceed with sketch plans for the addition of

six classrooms, a kindergarten and playroom to Kleinburg School and that initial steps be taken for the acquisition of additional land at that school. This addition would accommodate pupils from a new subdivision, plus other growth in the area. Vice-chairman Mrs. Mona Robertson pointed out that several grade 7 and 8 pupils from three neighbouring one-room schools were also being accommodated at Kleinburg.

In answer to a query by the vice-chairman, Mr. Jackman reported that work was progressing on preparation of the budget and that indications were "the job being done at the final figures will be a lot easier this year than last."

Plan Volume Buying
 During discussion of accounts, the vice-chairman raised the question as to whether it would not be more economical to call for tenders for oil for all 25 schools in the area. Trustee Chandler replied that it was the intention of his committee to ask for tenders for from 90,000 to 100,000 gals. of fuel oil for next season, and that it was reasonably certain that a substantial reduction in cost would be realized.

Chairman H. A. Constable pointed out that the bill for auditing the board's books for 1960 was approximately \$300 less than the amount paid by the individual boards serving the area in 1959.

Hope For Centennial
 Replying to a query by the vice-chairman, Mr. Jackman reported the date on the cornerstone of the old Maple public school, which has been incorporated in the present George Bailey School, is 1861. The board expressed the hope that enthusiastic citizens of the community would undertake to organize a celebration of the centennial of this historic school.
