Only Three Ratepayers

At the close of 1960's business, Vaughan Township School Area Board, in response to a request from numerous ratepayers, promised that copies of the auditor's report, when presented, would be made available to ratepayers. Last month copies of the auditor's report were prepared and advertisements placed in the three weekly newspapers serving the township that the report could be secured at the board's offices in Maple.

At the April meeting of the board it was reported only three ratepayers had picked up a copy.
