

Aurora Family Will Live Free For A Month

That ticket meant \$300 to an Aurora family. It has just been drawn by Mrs. Archie Brown, wife of the supervisor of dealer relations, Canadian Tire Corporation, who is seen standing next to her. It represents the "Live Free For a Month" prize given by the Tire Corporation's Associate Store, owned and operated by the Hill family, in connection with the three-day opening event which was a feature last week. The "Live Free" prize covers a family's ordinary living expenses for a month, including rent or mortgage payments, groceries, amusements and most of the things which enter into the job of keeping a family housed and happy.

The drawing followed the winding-up of the three-day opening event, which saw crowds of Richmond Hill and area residents looking over the new store at the corner of Yonge and Richmond Streets. Members of the staff attempted to count the number of visitors

for the first few hours, then gave up. Prepared for a big crowd, they found their estimates away short. Everything worked smoothly, the new self-serve displays proving a special and time-saving attraction.

Two other major prizes were given by the store. One was an electric drill, which was won by D. Burger, 437 Centre Street East, Richmond Hill. Another Richmond Hill winner was Gary Dossie of 161 Maple Avenue, who won a bicycle. Winner of the big prize was H. Vermeulen of 32 Holman Crescent, Aurora, an upholsterer.

Seen in the picture, besides Mr. and Mrs. Brown, from Mr. Brown's left are Mrs. Harry Hill, Mrs. J. Mason, Mrs. Albert Hill, Mrs. John Webster, whose husband runs the Willowdale Canadian Tire Corporation Associate Store, and Miss Mor-Power, symbolizing Canadian Tire's line of gas, batteries and other motoring needs.

The Temperanceville W.I. met at the home of Mrs. Nelson Thompson on May 10th. The roll call was answered by "Name a member of the United Nations." A donation was made to the Salvation Army. It was decided to renew membership in the United Nations Association. A discussion was held regarding our supper in June to be held at the "Yangtze Pagoda," Richmond Hill. The meeting will be held at Mrs. Wilbert Jennings home if not at the restaurant. In June program convener Mrs. Don Chalk hopes to secure the services of Mrs. Martin, Public Health Association. The roll call will be "Have you had your polio vaccine?"

Program convener of the May meeting Mrs. W. Jennings, read an article on "Women of the United Nations."

Installation of the officers for 1961-62 was conducted by Mrs. Fred Hare. Due to the conflicting date with other meetings not all the officers were present. Those installed were - Mrs. Jack Macklin, president; Mrs. Wilbert Jennings, secretary; Mrs. Everett Phillips, treasurer; Mrs. Don Chalk, health convener.

As public relations convener, Mrs. Fred Hare reported a splendid response to the Mental Health campaign by those canvassing this area.

The Temperanceville W. I. is working on an exhibit for the Schomberg Fair, May 26-27. Any one wishing to contribute an article contact Mrs. Nelson Thompson. There are also classes which the 4-H girls can enter.

Mr. Norman Burnett delivered

his thank you letter to the W.I. in person to the visiting convener of that area.

Little Heather Cox is now home and recuperating nicely.

The 4-H achievement day is to be held in Aurora High School June 3rd. The girls look forward to your presence.

Marion Lloyd and Howard Brice. A number of the ladies had a few minutes to speak to those whom we knew as Temperanceville residents a number of years ago.

As guests at the Schomberg Women's Institute 50th Anniversary, Mrs. Jack Macklin, Mrs. Ray Jennings, Mrs. Nelson Thompson, Mrs. Fred Hare and Mrs. Wilbert Jennings had a most enjoyable evening on May 11th.

When the BP Station in Buttonville was officially opened last weekend, local people were lucky where draw prizes were concerned. Bernie Venus won the 1st prize bicycle and Connie Stephenson took home a transistor radio. The Coleman picnic cooler went to J. Wilkins.

A pot luck luncheon will be served by the committee in charge and the June W.M.S. meeting will follow.

Mr. Percy Briggs

It was with much regret that friends in this neighbourhood learned of the sudden death of Mr. Percy Briggs of Headford, on Friday, May 5. Children in the Victoria Square charge Vacation School will remember Mr. Briggs for his work as a boys' craftwork teacher.

Until his retirement some years ago Mr. Briggs taught Shopwork at one of the Toronto Technical Schools, and his skills and services as a teacher meant much to

the children he taught and the Vacation School leaders who worked with him at Headford. The community has suffered a great loss. The funeral service for Mr. Briggs was held at the St. Clair Avenue chapel of MacDougal and Brown on Monday of last week. Dr. A. F. Binnington officiated, and interment was at the Westminster Memorial Gardens.

Safety, Sodding, Drainage, Discussed As Delegations Visit Vaughan T.S.A.

Four delegations waited on Vaughan Township School Area Board at the regular May meeting with varied appeals.

Thomas Marks, representing the South-west Thornhill Rate-

payers Association, pointed out the need for a change of teacher parking space at the Thornhill Public School, as the present spot at the foot of the fire escape would effectively block escape of pupils in case of a fire. He asked for sodding of present muddy spots, and requested that the board ask the township to erect signs prohibiting stopping of cars on the south side of Arnold Avenue, and that a fence be erected bordering Yonge Street and Arnold Avenue.

Chairman H. A. Constable said that because of talk of enlarging the school property because of major development on the west, the board has postponed any major work on the grounds of this school. George Chandler pointed out that the budget had already been set and that the money allotted to Thornhill school would be spent to the best of advantage to take care of as much of the needed work as possible.

Mr. Terry Goodwin of the Thornhill Home and School Association reported that Thornhill Village trustees have gone on record that they want to get a sidewalk on Arnold Street, which should alleviate some of the traffic hazards mentioned by Mr. Marks. He said that the Home and School Association would provide the \$45.00 requested for shrubs, but that there might be some delay as such a sum had not been budgeted for. The board disclaimed all knowledge of such a request.

Mr. R. E. Bowley, representing the East Ridge Ratepayers Association, dealt at length with the serious flooding situation at the Charles Howitt School, where water flows from all sides into the schoolyard, and read from the report of the engineer employed by the township a statement that the township planned drainage improvement only as far north as Westwood Lane, as the only problem north of that was the schoolyard at Charles Howitt.

Both Chairman H. A. Constable and Trustee George Chandler reported that they were giving this very serious problem much attention at the present time and were working with the township on it.

Trustee Chandler reported that plans under consideration were for an open ditch around the perimeter of the yard to take care of the natural watercourse which they cannot obstruct. Mr. Bowley viewed this proposal with great alarm, asking "How much water does it take to drown a child?"

Later in the meeting, when a motion authorizing the board to co-operate with the township in correcting the drainage problem at the Charles Howitt School, and to retain the services of Duncan, Hopper & Associates to assist in determining grade levels and a solution, was passed, Trustee Chandler reported that the proposed ditch would be shallow and well sodded.

Permission was granted to hold a supervised display of fireworks at Ross Doan school providing the freshly seeded areas are protected, on request of Mr. J. I. Duncan. This decision was a reversal of an earlier one by the board.

The fourth delegation, composed of three people from Woodbridge, met with the board in a closed committee meeting at the end of the meeting.
