

LIFE IN THE HILL

Editor Margot Crack

Mr. Stephen Knights of the China Inland Mission on furlough from Java and Indonesia will preach at St. Johns Anglican Church, Yonge at Jefferson, on Sunday next, June 4th at 11 a.m. and will speak to the Sunday School previously.

In memorial cards, in memory of a loved one and for the furtherance of Cancer research are available in Richmond Hill. In the area south of Markham Road and west of Bayview Ave., please call Mrs. H. Montgomery, TU. 4-3775.

A new arrival from Cologne, Germany is Liane Hoffstetter, who has come to the Hill to join her friends Hans and Edith, hair stylists, at the Continental Beauty Salon. Previously working with them in Germany, Liane is fully experienced in all phases of her profession.

On Saturday evening, May 27th, the Couples Club of Richmond Hill Presbyterian Church held a pot luck supper in the Sunday School Hall. After dinner there was a short business meeting, followed by the installation of the new officers who will take on their duties in the fall.

The remainder of the evening was spent playing cards at the home of Mr. and Mrs. W. C. Imeson. This was the final get-together of the season and resumption of activities with the usual enthusiasm is anticipated in September.

Welcome Planned For Teachers As They Join Staff

Nine new public school teachers will be welcomed to Richmond Hill on June 5th, 6th and 7th. They will be part of the 1961 crop turned out by the province's Teachers Colleges, and are the ones who have been chosen by Richmond Hill Public School Board to fill vacancies.

An induction program will be staged by the local board which will give the new teachers an easy "breaking in" to their new home and duties. They will be given a general description of the school programme and board policies and will also visit the schools to which they have been assigned. Every school but Pleasantville will have at least one of the new teachers on staff.

Home and school associations are being asked to send representatives to a function which will be held at the McConaghy school on June 7, when the new teachers will be introduced. The board will assist the teachers, as they take their first step into the practical side of their profession, by granting a small sum which will aid them in taking care of travelling and accommodation costs.

May baptisms at St. Mary's Anglican Church: David Thomas, son of Mr. and Mrs. J. C. MacLeod; Kathleen Ann, daughter of Mr. and Mrs. E. W. Beaty; Richard William, son of Mr. and Mrs. R. C. Flynn, all of Richmond Hill.

The eighteenth and last meeting of the season of Delta Lambda Chapter Beta Sigma Phi was held at the home of Mrs. Elsie Herridge on Tuesday, May 16th. The program entitled "Make an Art of Living" was given by Mrs. Alice Smith and Mrs. Bridie Killen and was followed by a free discussion.

The chapter decided to hold a picnic on June 25th for members and their families at Greenwood Park.

A "Membership Tea" featured the May 25th meeting of Our Lady Queen of the World, Catholic Women's League Parish Council, Beverley Acres, with the president, Mrs. G. J. Robert Boyle in the chair, assisted by membership convener Mrs. P. J. McConvey and social convener Mrs. N. Prince. Poursers were Mrs. J. Candale and Mrs. J. Tarant. Seventy five members were present.

In conjunction with this tea, the spiritual convener, Mrs. J. J. Daley, arranged a panel discussion with Mrs. C. J. Kelly, Archdiocesan Spiritual Convener, as chairman. The following topics were chosen by the four panel members: Mrs. D. A. Gray - prayers for pre-school children; Mrs. V. P. Hanna - Obedience in the home; Mrs. E. J. Dillon - sex education for teenagers; Mrs. J. McLaughlin - elementary and high school Catholic education.

Someone had a birthday? Or entertained out of town friends? Or maybe went dashing off on a holiday to faraway places? These are the things that make for "Life in the Hill" and your editor would appreciate hearing about such social "doings." Call us at TU. 4-1105, drop us a note by post or call in personally anytime during the week, we'll be glad to hear from you.

Visiting Canada for the first time are Mrs. Joseph McCarthy and Miss Brenda McCarthy, staying at the home of Mr. and Mrs. William McCarthy, Lynett Crescent, Richmond Hill. Mrs. McCarthy Sr., is Mr. William McCarthy's mother, formerly of Waterford, Southern Ireland, and now residing in Newport, South Wales.

Aboard the liner "Empress of Canada", the McCarthys enjoyed a smooth and sunny voyage across the Atlantic, up the St. Lawrence River to the cities of Quebec and Montreal, where they boarded the train for Toronto. Impressed with their initial glimpses of Canada, it is the intention of Mrs. and Miss McCarthy to see more of the Dominion before returning to Wales, in September.

One good turn deserves another. The Boy Scouts will perform their good turn Saturday, June 3rd by collecting discarded clothing for the Society for Crippled Civilians the rehabilitation agency that serves handicapped people. You can do your good turn for the Scouts - and the handicapped - by having a Good Turn bag filled and waiting outside your door at 9.00 a.m., Saturday, June 3rd when the Scouts come around to collect.

In 1957 - Mr. and Mrs. J. Arthur Smith of Ealing, London, England - visited Canada for one month, staying at the home of their daughter and son-in-law, Mr. and Mrs. Thomas Broadhurst of Taylor Mills Drive, Beverley Acres.

In this column of "The Liberal" - dated August 8, 1957 - was reported: "It is likely that Richmond Hill will secure another resident family in the near future. Impressed by Canada - and especially this area - Mr. and Mrs. J. Arthur Smith of London, England, contemplate coming here to settle."

It is very gratifying to realize that these words have come true and to again welcome Mr. and Mrs. Smith who have just arrived back in Canada, staying with the Broadhursts until they find a home in which to settle permanently. Mr. Smith has had considerable experience in the engineering field, from which he has now retired, and a warm welcome back to Richmond Hill has already been accorded to the couple - by a "welcome party" attended by a number of friends and neighbours.

Recent baptisms at St. Matthew's United Church include the following: Allen John, infant son of Mr. and Mrs. John Lynden, 336 Markham Rd. Cynthia Darlene, daughter of Mr. and Mrs. Robert Alden Downes; Nancy Gay, daughter of Mr. and Mrs. Joseph H. Rowley, 256 Axminster Dr.; Anne Louise, daughter of Mr. and Mrs. Neil Jamieson, 60 Rockport Cr.; and Gregory Allen, son of Mr. and Mrs. Lorne Dailey, 311 Bluegrass Blvd.; Eric Bruce and Dennis Craig, sons of Mr. and Mrs. Eric Stoney, of 268 McConvey Dr.

After an absence of many years from England - a month's holiday trip provided Mr. and Mrs. H. Seymour, of Hillside Drive the opportunity to visit the scenes of their early life and to meet up with relatives and friends in the land of their birth.

Travelling by air - aboard the B.O.A.C. "Seven Seas" - the Seymours landed at Prestwick, Scotland, after a pleasant trip over the Atlantic. Visits were made to various centres including London (visiting Mr. Seymour's father), Eastbourne, Stockport and Oswestry in Shropshire. An enjoyable tour of the Isle of Man completed the holiday trip for Mr. & Mrs. Seymour.

When Elsie, the world's most famous cow and her twins come to Richmond Heights Centre she will live in Mother Goose surroundings especially created for her. The chintz-draped four poster bed, the focal point of Elsie's boudoir takes the place of a stall. Eccentric barnyard furniture and family portraits give Elsie a dream world background suitable to her character. Elsie and her twins will appear at Richmond Heights Centre in aid of Rotary sponsored community service work from Thursday, June 15th to Saturday, June 17th.

The twins share the honours with their famous mother when they are receiving guests to raise money for the Richmond Hill Rotary Club. In the corner of the Elsie boudoir there is a playpen surrounded by special cow-size hobby horse, weigh scales, bottle warmer, and other personal belongings. Here the twins greet thousands of their mother's admirers.

Elsie's boudoir is the most unusual bedroom in Canada. Elsie will receive her guests Thursday and Friday from 12 till 6 p.m. and Saturday from 9 till 6. There's a fine chandelier made from a wagon wheel and barn lanterns. Elsie has a floor lamp made from a butter churn and milk bottle lamps on her dressing table. Her books such as "Practical Psychology" and "Calves or a Career" are other fascinating furnishings.

The Roll Call at next year's District Annual will be answered with the "Pennies for Friendship" which the delegate will take as a good will token to the Australian Conference in 1962. At noon a hot luncheon was served.

During the afternoon session Mrs. J. Wilkins reported on the Guelph Conference which this year catered to "Presidents Exclusively" as all could not be accommodated. This procedure will be repeated next year.

A stirring address was given to the delegates by Mrs. L. G. Lymburner, the Ontario President. The Hon. W. A. Goodfellow Minister of Agriculture addressed the conference in Creelman Hall after a banquet dinner.

Dr. G. Secord of Guelph gave a talk on "Life among the Eskimos" illustrated by beautiful slides.

It was interesting to learn that between fifty and sixty thousand people visit the Ontario Agricultural College at Guelph each year.

Mr. and Mrs. P. Dollery of Lennox Avenue returned this week by T.C.A. from Calgary, enjoying a very pleasant flight, and found their daughter Lynn and family in best best of health.

Entertaining for Miss Maureen Morris prior to her marriage to Mr. David Bunce at St. Mary's Catholic Church on Saturday last, was Mrs. S. J. Hunt, who was hostess to twenty five guests at a miscellaneous shower.

Mr. Harry Charles, Yonge St. Richmond Hill is progressing favourably after an operation at Branson Hospital and plans to return home this week end. Mr. Charles is a local representative of the J. A. Willoughby & Sons Real Estate firm, and his many friends throughout the district join with "The Liberal" in wishing a speedy recovery.

One of the Curtain Club's most talented actresses, Mary Monks, has been added to the players of the Red Barn Theatre, Jackson's Point.

Mary, whose interpretation of the spirit, Alvara, in the Richmond Hill production received much favourable comment, will this summer be taking over the more demanding role of the long suffering wife, Ruth.

Dinner at the Ridge Inn was enjoyed by members of the 1st Richmond Hill Scout Mother's Auxiliary as a fitting climax to a very successful season. Several new members were welcomed to the auxiliary. After a short business session, the group was fortunate in having Mrs. Willy Blok Hanson as guest speaker, who held her audience captive with an interesting talk on the art of free dancing. This event finishes the activities of this auxiliary until next October.

Western Educator Is A Recent Visitor

Mr. and Mrs. A. S. Elson hosted R. W. Lightly, Chief Inspector of Schools for Manitoba last week, prior to his departure for Winnipeg last Saturday. Mr. Lightly, recently returned from England where he had gone on behalf of the Canada Council to survey British Broadcasting educational programs, took part in a similar Canadian Broadcast programme and conference in Toronto from May 23-26. Mr. Lightly, a brother-in-law of Mr. Elson, is keenly interested in educational work as one cure for unemployment. High schools in Manitoba are being kept open for this purpose. He is also considered an expert on the effect of automation on the labour market.
