## They're Richmond Hill's Artists Of Tomorrow

It's a "painting party" every Saturday at the home of Mr. and Mrs. Joseph Rabinowitch, 310 Kerrybrook Road, Richmond Hill. With the aspirations of Van Gogh and the enthusiasm of youth the young artists pictured here get together with eighteen-year-old son Royden, who instructs them in the rudiments of painting. Three groups, ranging in age from three to fourteen years, are busily using paint, clay, chalk, paste and textured materials and express real delight in the fascinating pastime. Mrs. Rabinowitch helps her High School student son with the project. In the picture are, from the left, Vicki Scott, Cathy McIlveen, Bobby Webber, Royden Rabinowitch, Shelley and Meredith Scott. Mrs. E. Sprague is convalescing at home after a successful eye operation at Sunnybrook Hospital.

Holidaying at the home of Mr. and Mrs. Alan Nott, Browndale Crescent, is Mr. Nott's father, Mr. W. J. Nott from Bourne-mouth, England, who arrived last week to attend the wedding of his grandson, Mr. Ian Nott, whose marriage to Miss Margaret Ruth Peace of Grand Valley took place at Grand Valley United Church last Saturday. Mr. Nott expects to remain in Canada for the next three months.

Holidaying? Entertaining? Celebrating a birthday or anniversary? These are the things that make for "Life in the Hill" and your editor would appreciate hearing about such social "doings". Call us TU. 4-1105, drop us a note by post or call in personally anytime during the week, we'll be glad to hear from you.

Warwick Butt leaves today for New York prior to attending the opening performance of *Proculus* and *Cressida* at the Stratford Shakespearean Festival in Connecticut on Sunday. Warwick will be escorting Mrs. Don Harron whose husband will be starring in this performance. Prior to returning home at the end of next week, he will be a house guest at the Harron's cottage in Connecticut.

Folks in the Hill are proud to boast of many national personalities who live here. One is Earl Cameron, CBC newscaster who is seen and heard by some three million people five nights a week. The popular newscaster lives with his wife and sons Clarke and Hal at 389 Tareyton Road. Mr. Cameron claims most strangers don't recognize him in person. A salesman in a store stared at him and eventually commented: "Fellow who reads the news on TV looks just like you. Ever watch him?" "No" truthfully replied Mr. Cameron.

"Marching since 1912 - and hardly missing an annual march during that period," is the proud record of Mr. James Ley, Richmond Street.

Member of Orange Lodge No. 414, Uthoff (just north of Orillia) for just 50 years, Mr. Ley marched in the four mile parade with his Lodge, one of the 45 lodges comprising 2,000 marching members who participated in the annual Orange March in Beaver-ton on Saturday, July 15.

Fortunately for the marchers - and for the onlookers - the rain ceased and the march was enjoyed by Mrs. J. Ley, members of the Ley family from the Orillia area, and also by the great crowd of friends and visitors.

Richmond Hill W.I.

Thursday, July 13th, sixteen members attended the York County W.I. Rally at Sharon. Dr. Scott, President of York Pioneer Historical Society was on hand to point out new features recently added to the museum. The Ontario President of Federated W. I. Mrs. L. G. Lymburner of Port Colborne was an honoured guest. All York County branches were well represented with 202 members registering. A \$100 cheque was given to the Historical Society by Mrs. A. P. Lewis and the annual achievement award was presented to a 4 H. Club member, Margaret Anderson. The members enjoyed a pot luck lunch under the shade trees. Mrs. H. MacKay of the 'Hill' gave a report re the radio activities. She was also a delegate to the W. I. Convention held recently in Vancouver B. C., accompanied by another local member, Mrs. R. Fox.

"Scouting from Sea to Sea" - the slogan of the 1961 Jamboree of Canadian Scouts - was justified by the attendance of 2,900 first-class scouts and leaders from the North-West Territory to Newfoundland, plus the presence of four scout troops from the United States.

Richmond Hill was well represented by seventeen scouts and two leaders, Scoutmaster Norm Foster and A.S.M. Graeme Gould, with members from the 1st Beverley Acres, 3rd, 5th, and 6th Richmond Hill Scout Troops. This third annual Canadian Scout Jamboree, held at Ottawa, commenced on July 6th - ending just ten days later - all participants thoroughly enjoying, and benefiting by the training, experiences and good comradeship that comes only with scouting get-togethers of this type.

Rifle shooting, archery, observation and other courses were engaged in, also interesting tours of Ottawa, Parliament and capital buildings were made, and visits to Hull, Quebec. Among those who received the honoured "Jamboree Achievement Award" were: Queen's Scout Robin Derrick, 1st Class Scouts Nick Chapman and Murray Day.

Mr. Bert Smith is making satisfactory progress after spending two weeks in Newmarket Hospital.

Mrs. Florence Cornell was the guest of honour at a dinner party held in honour of her 75th birthday at the Church St. home of her daughter, Mrs. Margaret Southwell on Sunday last.

Mrs. E. May and Mrs. T. Craig, Beaverton Road were hostesses for a miscellaneous shower on Tuesday last in honour of Miss Jackie Miller prior to her marriage to Mr. Frank J. Bayley, at St. Paul's United Church, Oak Ridges on Saturday, July 29th.

Leaving on Sunday for a month's vacation in Great Britain are Mr. and Mrs. Robert Robertson of Pine Grove. The latter will be better known in this area as Mrs. Dorothy Robertson, member of the Vaughan Township School Area Board. The Robertsons will be back in time for Mrs. Robertson to attend the August meeting of the board.

## Appeal Launched For Blood Donors

AFRAID? DON'T CARE? TOO BUSY? Or is it just because you didn't realize there is a need for your contribution of blood, that you haven't given before? There is nothing to fear in donating blood. A simple test is performed before donating to ensure you can spare it, and the actual donation of three-quarters of a pint takes four to five minutes.

Isn't there someone you care enough about to want blood available at all times in case of a needed transfusion? Accidents and illness are no respecter of race, creed, age or social status.

Are you really too busy to spare half an hour of your time which could mean a lifetime to someone else? There are many people who donate blood regularly - people who, without hesitation, give the most valuable gift of all - blood.

It is sponsored and organized by the Catholic Women's League of St. Mary's and Our Lady Queen of the World churches.

Robert McKittrick, Mill Street, engineering student at the University of Waterloo, is employed for the summer by the Foundation Company of Canada Ltd., Toronto.

## In Memoriams

PHILLIPS - In loving memory of our dear father and grandfather, who passed away July 25th, 1960.

In tears we saw you sinking, We watched you fade away, Our hearts were almost broken, You fought so hard to stay. But when we saw you sleeping So peacefully, free from pain, We could not wish you back To suffer that again.

PHILLIPS - In loving memory of a dear husband who passed away July 25, 1960. There is no parting from those we love, No distance can divide, For today in memory's garden, We still walk side by side. To us he has not gone away, Nor has he travelled far, Just entered God's eternal home And left the gate ajar.

CARD OF THANKS We wish to extend sincere thanks and appreciation for the many kindnesses, messages of sympathy and understanding and beautiful floral tributes during our recent bereavement. Don and Thelma Hadwen
