The fabulous new SUPER-LASTIC

NYTEX

NOW FOR THE FIRST TIME - you can get the BEST features of both NYLON and TYREX cords combined in one Great New Tire!

No longer do you need to ponder whether the exclusive qualities and features of NYLON or TYREX are best for your kind of driving... Super-Lastic NYTEX combines the best features of both for smooth, quiet-running, high-speed driving... free from any trace of "morning thump" annoyance. CANADIAN TIRE ENGINEERS labored for years to produce NYTEX—the ultimate in tire comfort and safety... and now it's yours, at Canadian Tire's Wholesale Discount Savings.

FAST INSTALLATION or "DO-IT-YOURSELF"
Canadian Tire has expert servicemen to take care of any installations you may require—for a moderate service charge. But if you prefer "Do-It-Yourself"... save on labour! We will supply FREE "Know-How" instruction sheets, and for a moderate rental, loan you the tools. Enquire today.

Factory Remanufactured ENGINE

With over 257 new parts
Dynamometer tested to equal or better the performance of a new original equipment unit.
