### What's Your Type?

"YOUR BLOOD IS THE GREATEST GIFT" is the appeal made for blood donations to the Canadian Red Cross. The local drive is being conducted under the auspices of the Catholic Women's League, Our Lady Queen of the World Parish, Richmond Hill East.

### A NEW YEAR 1962

This is the time of year when we should all add up our assets and count our blessings. Some of these are spelled 'a\$sets' and some are spelled 'asets'. The 'a\$sets', of course, keep a roof over our heads, but the other 'assets' of living in a free society and being able to seek happiness in our own way make life under that roof worthwhile.

This is the time of year for pledges. We're going to play safe by sticking to the ones we've made throughout the year. That is, we promise to sell used cars as good as honest reconditioning can make them at the lowest possible price and to spare no effort to help you get the maximum satisfaction out of your new car.

There are a few operators in our business who maintain that the honest approach in advertising doesn't pay. The only technique that works is to outsmart the public with gimmicks, they say, and in so operating they encourage the public to attempt to outsmart the dealer. We're still going to go on disagreeing with that thinking.

We'd like to thank our many customers for the confidence they have shown in us by buying their car from us and letting us service it. We'll continue to try to deserve that confidence.

While some parts of our country may have temporary economic distress, the overall picture and future forecasts are very bright. We need only to work together to make them true.

We wish a Happy New Year to you and yours.

Thursday next is THE DAY - January 11th - at the Richmond Hill Public Library, Wright Street, from 2.00 to 4.00 p.m. and from 6.00 to 9.00 p.m.

Due to rush of the Christmas season, many operations are postponed until early in January, which therefore means more blood is needed, and, as 250 pints is the quota set for Richmond Hill by the Canadian Red Cross - anyone in average health between the ages of 18 and 65 years - who can spare approximately 30 minutes, including time for testing, registration, rest and refreshments, are asked to come to the library on January 11th and be a donor regardless of what blood type you may be.

One thing to remember is "ANY TYPE OF BLOOD IS RARE - IF NEEDED, AND NOT THERE." It is hoped that all you red-blooded men and women in Richmond Hill area are planning NOW to change a pint of your RED BLOOD TO READY BLOOD.

### United Church Women Constituted In January

In early January, 1962, a new organization, The United Church Women, will be officially constituted in The United Church of Canada and inaugural meetings will be held in thousands of congregations across the land. The purpose and the constitution of the new local organizations is stated in the constitution: "To unite all the women of the Church for the total mission of the Church and to provide a medium through which they may express their loyalty and devotion to Jesus Christ in Christian witness, study, fellowship and service.

At the same time, nationally, three new boards will come into being: a board of world mission, a board of home missions and a board of women. This organization has come about because of emerging needs and changing patterns of work both in Canada and Overseas. It represents a trend toward increasing co-operation between men and women in the work of the Church and a movement toward greater involvement of the laity in its life and mission.

### Don't Leave Money In Milk Bottles Warn Police

Chief R. P. Robbins of the Richmond Hill Police Department warned this week that milk money should not be left loose in milk boxes and bottles. People who leave the change in these places are leaving themselves wide open to petty thieves. One of the problems of having money stolen from milk boxes, said Chief Robbins, is to purchase milk tickets. The tickets are useless for anything but buying milk therefore thieves aren't so likely to take them.

### Vaughan Council Closes Out 1961

The final meeting of the 1961 Vaughan Township council was held last Thursday in the council chambers at Maple Hill. The only business dealt with at the meeting was the authorizing of the payment of accounts which amounted to \$55,222.48.

The first meeting of 1962 will be held Monday, January 8. This year, because it is the second year of a two-year term for the present council, the usual inaugural meeting will not be held.
