F. N. Hopper Dies

A week's illness preceded the passing of Frederick Norman Hopper of 81 Centre Street East, Richmond Hill, at York County Hospital, Newmarket, January 25. Death was attributed to a thrombosis.
 Mr. Hopper was born in Richmond Hill May 26, 1881, the son of Henry and Phoebe Anne Hopper. He was a resident of the town throughout his entire life. A former employee of Shepard and Gill Lumber Co. Ltd., Mr. Hopper was a member of Richmond Hill Volunteer Fire Department for 30 years and a former public school trustee. He was a member of the Richmond Hill United Church.
 He is survived by his wife, the former Harriett Beamish, two sons and one daughter, Harry of Agincourt, Reay of Scarborough, and Bertha, Mrs. R. Lockhart of Cooksville. He is also survived by a sister, Mrs. C. Lever of Blackwater, Ontario.
 Rev. C. G. Higginson conducted the funeral service at the Wright and Taylor Chapel of the Pipher Funeral Home, Richmond Hill. Interment was at Richmond Hill Cemetery. Pallbearers were Frank Schissler, Russell Monkman, Morley Hall, Russell Brilling, Alfred Stong and Percy Young.

Install Council St. Paul's Church

The council of St. Paul's Lutheran Church was installed Sunday during the congregation's 11 a.m. worship service in Walter Scott Public School, Markham Road.
 Serving on the body are Messrs. Philip Barth, Harvey Duffert, Albert Harvey, Philip Limpert, Harold Malsness, Michael Mezo, Joseph Miller, Ross Percival and Victor Solich.
 The council acts as the board of trustees for the church, and supervises its entire program and life. The members were installed by the Rev. Albert E. Myers, pastor of St. Paul's.
 During the service the new councilmen heard a sermon outlining their responsibilities. The pastor pointed out that they are the direct equivalent of the Deacons mentioned in Acts 6:3 and 1 Timothy 3:8-13.
 The council will meet February 11 to elect its officers — a president, vice-president, secretary, treasurer and financial secretary. Committees to carry out the congregation's work will also be appointed.
 Current provisional officers of the congregation are Dr. Harold Malsness, secretary; Ross Percival, treasurer; and Philip Limpert, financial secretary.
 The stewardship committee, already tentatively appointed, is headed by Harvey Duffert. It will meet tonight to plan an every-member visit on behalf of the 1962 congregational budget.
 The congregation's confirmation class students joined the combined Luther Leagues of Zion Church, Maple (Sherwood), Bethesda Church, Unionville, and St. Paul's Church, Richmond Hill for a special "career night" Sunday evening.
 A panel of a deaconess, a pastor and a teacher presented their vocations and answered questions. Miss Gail Mezo of Richmond Hill led the closing devotions.

Apartment Site Steel Scaffold Is Gale Victim

Metal scaffolding surrounding a new apartment building at Bayview Avenue and Elmwood Avenue will all have to be removed, Building Inspector Jack Hollowell said on Wednesday morning, following the threatened collapse of a thirty-foot-high steel scaffolding through a wind estimated at sixty miles per hour around 3:30 Tuesday morning. Force of the wind was intensified by polyethylene tarpaulins which were hung from the scaffolding in order to protect men working on the building.
 As soon as the condition of the scaffolding became obvious to him, men who were working on it, trying to straighten it up, were ordered off. Mr. Hollowell told "The Liberal". Cranes were brought in and the framework was gusted. Some of it was badly buckled, he said. Richmond Hill Hydro-Electric Commission men helped to remove the tarps. It was a bitterly cold job for everybody concerned, on one of the worst days of the winter, said the town's building inspector.
 Some damage was caused to the main structure, building new for which is in the name of Franklin Construction Company, Toronto. The scaffolding was not erected by the builder but by a firm which specializes in such work. Walls of the new building are up about ten feet.
 When new scaffolding is erected it will have to be of a better type, said Hollowell.

Marching Women March Over Top

In spite of one of the worst nights of the 1961-1962 winter to date, "Marching Mothers" of Richmond Hill, Richvale, Thornhill, Oak Ridges, and Maple marched right over the top in the annual "March of Dimes," said Mrs. Norman Todd, heading the event. With the march taking place last Monday evening, they exceeded the figure for last year, with more to come. There are always some tag-ends, said Mrs. Todd, expressing gratification over the success of the drive and the willingness of workers.
 Figures to date show that results of last year's drive were left behind. Richmond Hill turned in approximately \$2,600. Richvale, staging its own drive for the first time after being in with Thornhill, gave \$560. Thornhill contributed \$1,600. Maple, also a first-timer, swelled the fund with \$365. Oak Ridges had over \$300 in, with still more to be reported.
 Almost 300 mothers marched in Richmond Hill, said Mrs. Todd. As a result of their work and that of other marchers across Canada, the fight against the crippling effects of polio and other diseases, plus accidents, will be helped through the Rehabilitation Foundation.

Guide Notes

3rd Girl Guide Company
 Despite the blustery, snowy weather on Monday night, 25 girls of the 3rd Girl Guide Company, Richmond Hill East, attended their regular meeting in Walter Scott School. Concentration of all was centered on the instruction given in "Artificial Respiration" by the official instructor Mr. J. Gates, who was accompanied by his daughter Pat who acted as demonstration "patient."
 Guide Heather Steven passed her 1st Class Guide History Test, with leaders Captain Mrs. E. Jones present, also a Guide Mother, Mrs. Joan Blackwell, visiting in the role of observer. Visiting also was the District Commissioner, Richmond Hill East, Mrs. V. W. Snook, who, in her inspirational talk told the girls "How the girls by their actions and attitudes, can help their company and themselves."
 Around the Campfire — songs were sung and games played — including a new game taught by the Lady Commissioner.
10th Brownie Pack
 With perfect attendance marking the regular meeting of the 10th Brownie Pack of Richmond Hill East, the evening passed all too quickly. All mothers of Brownies who received awards, were present during the entire meeting.
 Pat Baker and Beverley Jones were two who took their "first step" from Tweenies to Brownies. Leah MacDonald, Dinah Darlington and Linda Taverer were awarded their Golden Bars — being the half-way mark towards their Golden Hand awards. Leah MacDonald was presented with her Second Stripe. The rest of the meeting under the direction of Brown Owl Mrs. B. Knight, Tawny Owl Mrs. J. Holtby, was given to the passing of tests in flags, knots and table setting, in which the mothers of the Brownies also participated.
13th Brownie Pack
 With but one absentee, the regular Tuesday meeting of the 13th Brownie Pack of Richmond Hill East was a busy one. Following the Fairy Ring opening, Packie Charlene Rayson admitted two Tweenies, Michele Bulova and Judy Kew, who were taken by the Sixers to the Magic Pool, and after repeating the magic words, were brought to the Toadstool, to be enrolled as Brownies by Brown Owl Mrs. Josie Fleming, with the Pack welcoming them with the Grand Howl.
 The Pack played a new test flag game taught and played by Tawny Owl Mrs. Vera Smart. New singing games were also played by the Pack. Pow Wow was enjoyed by parents and Brownies — during which songs from other countries were sung and learned — at times hilarious, all adding to the enjoyment of the meeting which was closed with "Taps."

Vaughan Swaps Cars

North York Chevrolet was the successful tenderer when Vaughan Township Council opened bids for replacements of three police cruisers. The new vehicles, which will replace three cars at present in service, were quoted at \$9,461.70, with a trade-in allowance of \$5,507.97 — a net amount for the three of \$4,072.34, including 3 per cent sales tax.
 Six tenders were received by the township.

\$10,800 Is Due Townships, Town From TTC, Claim

Possibility of receiving some revenue from the Toronto Transit Commission covering the operation of the North Yonge bus line in the years 1954 to 1959 intrigued members of Vaughan Township Council this week, when a report from the finance and general purpose committee indicated that some \$22,000 per year might have been charged erroneously by the TTC in connection with the operation of the line from Eglinton Avenue to the city limits, where the line actually ended. On the other hand, the TTC argued that it had not charged some \$18,000 per year for administration costs and garage maintenance, costs provided for by agreement.
 On the face of it, therefore, the TTC seems to owe the townships of Markham and Vaughan and the Town of Richmond Hill, for which three municipalities it operates the line, some \$24,000. Since the municipalities, according to an agreement signed in 1950, participate to the extent of 45 per cent of the line's profit or loss, their "share" would be \$10,800. With the townships each entitled to 25 per cent of the profits, Vaughan and Markham would get \$2,700 for each municipality with Richmond Hill's share being \$5,400.
 Vaughan Council accepted the committee's recommendation that McDonald and Currie, chartered accountants, and its solicitor, J. D. Lucas, Q.C., be authorized to discuss the matter further with representatives of the Toronto Transit Commission.
