The Richmond Hill Hockey Association's Minor Hockey Night on January 26th proved several things.

What makes the kids so much fun to watch is the fact that every minute they're on the ice they operate at full throttle.

And it's not all sweetness and light either. Just let a player about as high as an axe handle take what he considers to be an illegal check and watch the histrionics.

Why it takes a special night to bring out spectators is beyond comprehension.

It was funny on the special night to listen to the reaction of the more than 600 fans who turned out to watch the action.

Players, coaches, referees and the R.H.H.A. executive all enjoyed having so many good citizens come out to put a stamp of approval on their efforts.

"Casey" Cripps, softball coach extraordinaire, and Sil Steffan, who always plays softball to win, are going to mastermind Dynes Jewellers softball fortunes this year.

To say that Casey eats, sleeps, dreams and lives softball is no exaggeration.

If present plans come to full flower, Richmond Hill should be able to present softball fare to equal that served up in the famous Beaches League.

Whether or not Allencourt Lanes intends to field a team this year is not quite clear.

Single goals for Bisons in this game were by Ron Reid, Brian Oliver, John Shropshire, Chris Dunlop and Mike Cartier.

Hornets Lose Whitby Exhibition Defeat Newmarket In Final Game

John Gropp took his peewee Hornets to Brooklin on Wednesday last week. The game was an exhibition one against Whitby and Mr. Gropp treated it as a practice session for his players.

Brooklin has a natural ice rink in a nissen hut type of arena and Mr. Gropp reported that, in his opinion, it was the coldest arena he'd ever been in.

Bantams Swamp Unionville 4-0 But Go Down 5-4 To Woodbridge

Richmond Hill's bantam Flyers won and lost in last week's North York League hockey action. On Monday last week the Flyers dumped Unionville by a 4-0 score but lost 5-4 to Woodbridge last Friday.
