Bill's Bouncers pulled out of their fourth place with the Screwwalls and unseated third place Untouchables. They also added 7 points to total 35. The Screwwalls took 5 points to finish with 33. The Blowers, who were tied for second place, failed to add to their 32 point total and dropped down to fifth place. Similarly the Untouchables dropped from third to sixth adding nothing to their 29 points. The Hunters' total dropped five points, picking up 2 points on last week's 27. The Skunks dropped from sixth to seventh, picking up 3 points to total 27, while the last place Corner Cutters move up one notch on a 4-point gain to total 26. The ladies mixed it up a bit in the high total for three honours, as Marlon Bunters' total of 593 bettered Lil Atchison's 571, despite the fact that Lil topped Marlon's single of 239 with her 234. Jan Nichols placed third when she topped 230 pins to total 550. Next week the slates are wiped clean and the third series begins.

Changing Times Brings Trend To Smaller Family Cemetery Plots
Changed living conditions have gradually altered sales of ground by King City Cemetery Company.
The annual meeting of the company, held at King City Masonic Hall, noted that years ago family plots were usually large enough to accommodate four to eight members.
In those days King Township families were more likely to keep in closer contact as the young people grew up, married, and settled near the family homestead.
Now that families tend to scatter, the trend is to smaller, two-grave plots.
When ground is purchased, thirty-five per cent of the cost is set aside for perpetual care of the grounds.
King City Cemetery Board is the largest it has ever been, 11 members, with the latest addition, Mr. Robert Gillies of the Sixth Concession of King Township.
Earl Campbell was re-appointed cemetery caretaker for another year.
Ample ground to take care of needs for years to come was reported. Of the six acres comprising the cemetery, the newer section covers nearly two acres. Three-quarters of the newer area has yet to be divided into plots.
During 1961 there were 34 interments.
Eight board members attended the company's 75th annual meeting. "Perhaps people do not understand, it is really the plot holders who hold the meeting and all of them are welcome to attend," Secretary-Treasurer Mr. Jack Walkington told "The Liberal." The opinions and suggestions of owners are sought.
He said the only problem arising is finding a new secretary-treasurer. After serving 13 years in that capacity, Mr.

HEADFORD NEWS

Headford United Church
The annual meeting of the Headford United Church was held in the home of Mrs. Norman Brodie, January 31, 1962.
Mr. F. A. Binnington was in the chair. Following the reading of last minutes by Clerk of Session Melvin Wellman, the reports of the year's work were read and approved.
At the close of the meeting a social hour was enjoyed when the hospitality of the Brodie family was appreciated.
Chairman Ben Terry of the board of stewards reported an active year with the installation of propane gas furnace and stove, insulation of church, caulking of windows and doors, and repair of doors. The result is a warm and comfortable church.
Treasurer Don Brodie reported all expenses, local and circuit, as well as premium for additional insurance, had been met, leaving a balance in the bank of \$394.59.
Contributions to the missionary and maintenance fund were received from the Sunday school, rally day service, white gift service, women's association, as well as Easter, Christmas and Thanksgiving special offerings. The treasurer, Mrs. Ben Terry, reported that ten families used the M and M envelopes to the sum of \$192.86. Total receipts, \$365.41.
A junior choir was organized under the leadership of Mrs. Stewart Rumble.
The former women's association reports a worthwhile active year and they expressed in their report appreciation of the cooperation from the choir, the board of stewards and the Hi-C group, and especially to Dr. Binnington for his spiritual and technical guidance during the period of change. There are twelve associate members of the Victor Home Mission, with Mrs. Binnington their representative.
A new interest developed in the church when the Hi-C teenage group was organized. This enthusiastic young group has decided that the church needs an organ and plan to make that their big project, promoting interest in the idea and sparking ways and means. Twenty-seven meetings were held as well as a Valentine party, a corn roast, and a visit to a maple sugar bush to see the process of 'sap to sugar'. They have assisted at special services in the church. Mr. and Mrs. Elmer Leek are counsellors for the group and in their report they recorded their gratitude to Mrs. Cummer Lee and Elizabeth and Charles Barker for their assistance.
Officers in the church for the coming year are: Clerk of Session, Melvin Wellman; members, Freeman Barker, George Barker, Stewart Rumble, Merrill Johnson. To the Board of Stewards for three years: Mrs. William Wellman, Charles Barker, Wesley Clark, Elmer Leek; for one year, Miss Cora Brodie, Mrs. W. Clark, James Curtis Sr., Cummer Lee; for two years, Don Brodie, Douglas Calder, Harry Burton, Ben Terry. For ushers: Charles Barker, Don Brodie, David Rumble, and Albert Leek, with Melvin Wellman senior usher. Treasurer, Don Brodie, Organist and Choir Leader, Mrs. Stewart Rumble. Observer representative, Mrs. Harry Burton.

FOR THE CHRISTIAN EDUCATION COMMITTEE: Mrs. Elmer Leek, Stewart Rumble, Mrs. Stewart Rumble, Mrs. Cummer Lee, Freeman Barker, Mrs. Wesley Clark, Merrill Johnson.
Missionary and maintenance committee: Mrs. Ben Terry, Mrs. George Barker, Mrs. Elmer Leek.
The church membership is forty active and twelve non-accused.
Under the leadership of Superintendent Stewart Rumble the Sunday School carried on a happy and successful year as reported by the secretary Charles Barker. The treasurer, David Rumble reported a balance of \$146.27.
Sunday School was held 48 Sundays in the year with an average attendance of 36.5, teachers and students. Mrs. Harry Burton has a roll of seven in the kindergarten; 14 members in the primary department with leaders Mrs. Cummer Lee and Miss Elizabeth Barker; 12 junior boys and girls with leaders John Rumble and Miss Cora Brodie, and the Hi-C group under Counsellor Mary Leek.
Four special days were observed by the Sunday school, family day, convener Miss Cora Brodie; rally day, convener, Mrs. Cummer Lee; White Gift Sunday, Mrs. Harry Burton; and anniversary Sunday.
Five Sundays during the year had a special missionary significance when Mrs. Lee, convener, planned a story or film on the subject of missions. The social activities for the year included a Christmas concert, skating party, Halloween party and picnic.
Vacation School for Victoria Square Charge was held at Headford Church and the public school July 17 to 21. Average attendance, pupils 103, leaders 27 with a top attendance one day of 139.
Dr. Binnington expressed his gratitude to all who had helped with the services and the work of the church and he closed his message to the charge with an affirmative hope, "Let us put Christ and His Church at the centre of our lives. May new motivations be found to stir the careless and indifferent. May we grow in spiritual depth and influence. So may Christ have the pre-eminence."

Petitions Presented To Council

Water System Costs Are Sought By Eastern Oak Ridges Citizens

Two petitions covering the supply of water to residents on the eastern side of Oak Ridges were presented to Whitchurch Township Council at its last meeting. One, with its sponsors being Jack Blyth, Jim Smith and Betty Fitzsimmons, asked council to examine the cost of installing a water system covering an area east of Yonge Street, on the north, would have its limits at a point opposite the Oak Ridges Building Supply establishment; on the south, at the southern boundary of the Log Cabin restaurant and on the east would run along Ben-

son Avenue, taking in Joicey's Point. Some fifty names were said to be on this petition.
A second petition contained 36 names. While not opposed to the installation of a system, it objected to it if the cost would be as prohibitive as that asserted last year. It was presented by Mrs. Flora Bunn and Mrs. Samuels.
Township council, fearful that present taxes might be about all that many residents could handle, decided to have a survey of tax arrears in the district made before taking any further action.
