Assessment For Year Up Two Million

Planning And Building Reports For Vaughan Twp. Show Steady Climb

Interesting facts regarding the township's population, revealed in a report of 1961 activities of the planning and building department, given to Vaughan Township Council by Thomas Gillings, planning and building administrator for the township, at a recent meeting.

Assessment of the township is now \$25,433,467 as opposed to \$23,379,841 in 1960 - an increase of over two million. Residential assessment takes up 59 per cent of the total, farms account for 23.65 per cent, commercial assessment is 15.01 per cent, industrial assessment is 2.34 per cent.

Population of the township is now 17,057 - up five hundred from 1960. At the end of 1961 it was 14,758. That population, divided into age groups, shows 2,320 pre-school children and 3,036 in the public school age bracket. Another 1,051 students are in the high school age bracket, with 8,861 people in the age 20 to 64 working group. In the township's population, 1,671,700 of the 1961 permits, with commercial and industrial building amounting to \$683,500. The balance was in institutional and sundry permits.

Industrial permits during 1962 may show an upswing, it is forecast, with the year starting with the announcement of the new Crother's plant, a pre-20 to 64 working group, in the age 20 to 64 working group, in the age 20 to 64 working group, in the age 20 to 64 working group.

PLEASANTVILLE
 Art is a fascinating topic. All of the parents and teachers who were present at the Pleasantville Home and School Association meeting of the 14th, spoke in interest by having a show their gallery where each member of the family could display something that he chose. She asked that children be given materials and a place to work rather than do-it-yourself kits.

 A "Spoonerism" definitely in keeping with the trend of things was perpetrated at Richmond Hill Town Council meeting this week.

CHARGES PENDING AGAINST HANDLER OF LONELY HOUSE
 "The Case of the Ditched House" - to borrow a title from a celebrated paper-back novelist - came to life again this week. Pictured in last week's "Liberal" was a substantial house in Vaughan Township, shown as it straddled the ditch on Bathurst Street, having been deposited there while on a move from Toronto to King Township.

Ont. Boys' Work Board Seeks Local Supporters

Will you become a shareholder in one of the most important construction projects of our time - "Building Christian Citizens" - Ontario Older Boy's Parliament, Christian Young Counsellors' Conventions, and inter-denominational camping, together, make a tremendous impact on boy life of our province in the realm of spiritual, social, and moral values. In Richmond Hill hundreds of boys have, through the years, attended Camp Ashunyoong, operated under the auspices of the Ontario Boy's Work Board. Many boys have attended sessions of the Christian Young Counsellors' Conventions from the churches of the town. From time to time one of the boys of this community has attended Boys' Parliament. Through these activities the work of the boys' work board has made its impact upon Richmond Hill.

Each year, during February, an opportunity is given to anyone who may be interested, to invest in this work, and so invest in the character of boys in our community, and in our province. This is an investment in the thousands of boys who attend camp annually across Ontario; an investment in the hundreds who find leadership in the Christian Young Counsellors' Conventions; an investment in the continuing work of the Older Boys' Parliament which has been serving by leadership in the churches for forty-one years.

The campaign in Richmond Hill is being conducted by the young people of St. Matthew's H.C. of which Jim Dean, of 248 Ashlar Rd. is the president. A limited canvass is being undertaken. If you would like to invest in this great cause please phone John Patterson, campaign chairman, at TU. 4-5528, and a member of the H-C will call.

TWO TORONTO MEN CONVICTED AFTER GUNPOINT ARREST
 A routine check of a car by Markham Township Police early last Wednesday touched off a chain of events which eventually resulted in two Toronto men being arrested at gunpoint and charged with breaking and entering and possession of stolen property.

FOR SAFER DRIVING
 Skidding occurs most often at temperatures near 32 degrees. Melting and slushy ice and snow are more treacherous than when frozen. Often these soft spots are on bridges, underpasses, sheltered areas or where the sun has been shining strongly - watch for them. If you do skid, don't panic - don't brake. Steer the car in the same direction the rear end is going, even accelerate slightly - you want to keep the engine pulling.

GUIDE AND BROWNIE NOTES

THINKING DAY
 Contributed by
 Guide Shirley Flannigan
 This is a small Guide and Brownie prayer for Thinking Day, February 22nd, when we are asked to remember before God:

That, in the fellowship of Guides, we have sisters in nearly every country of the world -
 That we, and our brother Scouts, can be a strong force for peace of the world -
 That we are great in number, so must we be great in loyalty to our ideals -
 That we owe a debt of love and gratitude to the Chief Guide and Chief Scout -
 That our great debt is to our heavenly Father who has inspired our leaders with such a vision of the unity of mankind."

It is my hope that all who read this - Guides, Scouts, Cubs or Brownies - will be helped to remember Thinking Day, and to remember Lord Baden Powell who was born on February 22nd, 1857. Then on February 22nd 1889 Olive Soames was born, who later became Lady Baden Powell. To commemorate this double birthday, it was decided at the fourth World Conference to establish "Thinking Day."

Thinking Day Programmes
 Once a year, on February 22nd, "Thinking Day," Brownies and Guides all over the world celebrate birthdays of the founder, Lord Baden Powell, and Lady Baden Powell. Programmes are planned so that the history of Guiding may be learned, also something of Guides and Brownies in other lands.

Guides and Brownies of the West District, Richmond Hill, will meet at the Lion's Hall on Wednesday, February 21st at 7:30 p.m. to commemorate Thinking Day. Each Guide Company and Brownie Pack will contribute to the program. The Local Association of West District will convene the event and refreshments will be served.
